

The Wave

ISSUE 14 > JULY • AUGUST 2021

BUILDING PROJECT UPDATE

Public bids were due June 3. The Board of Trustees will award bids to the lowest responsible bidders, and construction will take between 15-18 months. Barring unexpected developments, your new community library will be completed by the fall of 2022. Some of our new features include:

- Solar roof panels
- A 525 SF quiet study room on the main floor
- Reconfigured parking lot with additional spots created and a safer entrance and exit pattern
- A new 1,700 SF multi-use space on the main floor for adult program use during the morning hours and a switch in the afternoon to accommodate our teen population
- Three new community meeting rooms, including a technology learning lab
- Sustainable building elements such as smart lighting systems, energy star rated equipment, energy efficient new windows in the lower courtyard area, and other sustainable design features
- New solar lights in the “green” parking lot and electric vehicle charging stations in the main lot
- Office space for library administration in the main building
- Fully renovated interior spaces that will offer additional comfortable seating arrangements, a new public computer area, and a better work flow to the existing space
- ADA accessible bathrooms on the main and lower levels, including an ADA bathroom in the new multi-use space
- ADA elevator to replace the 51 year old original, non ADA compliant elevator

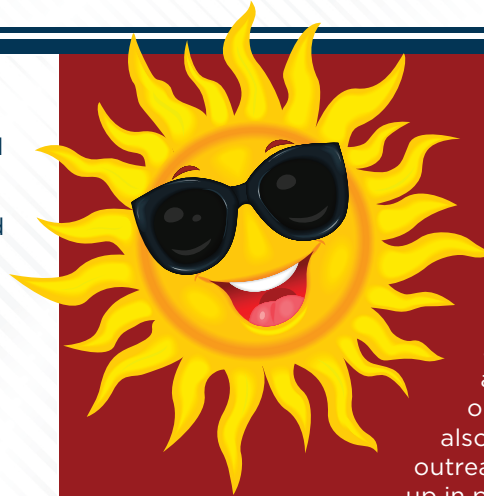

The physical library building will close in July and August in order for the parking lot reconstruction and reconfiguration to take place, along with all interior and exterior demolition. This closure prioritizes patron and staff safety while maximizing construction progress and cost savings.

The building will reopen in September, utilizing the existing children’s department as “express library” space while work continues in the building. The express library will have computers for public use, fax/scanner and copy machines, as well as a circulating collection of materials.

Staff will be working this summer at pop-up library events, and off-site locations such as the Moose Lodge, and the Rainbow Center. Staff will also be working at the Kellum building and the Suffolk Cooperative Library System to re-catalog and tag over 125,000 physical items with radio frequency identification tags (RFID). We will have procedures in place to still loan out WiFi hotspots, Chromebooks, and Museum Passes throughout the summer to patrons. Please see the “News and Events” page on our website for full details beginning June 15.

Building project updates can be found on our website at:
<https://lindenhurstlibrary.org/library-building-project-updates/>

SUMMER @ LML IS BACK!

We are super excited to head into the community and bring the Summer @ LML Tails and Tales Reading Program to YOU! Clubs are available for all age groups, and registration begins online or by phone on June 1. You can also visit us at one of our many outreach events this summer to sign up in person. Log your reading and activities (both count!) for a chance to win fantastic prizes throughout the summer using READsquared, which can be accessed from the Library’s website or downloaded to your device. Don’t forget to join us at our June 12 event at Village Park at Fellers Pond from 10 am – 2pm for a wild kick off to summer!

Parents: look for additional information about this year’s summer reading adventure in your child’s digital backpack.

EXTENDED SUMMER LOAN FOR MOST MATERIALS

Now is the time to look over your reading and viewing lists! Ask for a “summer checkout” of your regular items (new items, 3 day DVDs and hotspots are not eligible) and then fill a complimentary tote bag with your selections and bring them to the customer service desk for a September due date. Staff will begin packing the collection beginning June 10, so stop by now to check out a summer’s worth of great books, music, and movies. You also have the option of returning items before Labor Day to any Suffolk County Library. And, library cards in good standing can be used to borrow materials from other libraries. You can even place items on hold, and request pick-up at any Suffolk County Library. **See staff for details.**

LML @ RAINBOW SENIOR CENTER - SENIORS ONLY

293 Buffalo Avenue, Lindenhurst

Wednesdays, July 7, 14, 21, 28, and August 4, 11, 18, 25, 9:30am-3:30pm

Let's Get More Sustainable!

GRAB & GO ESSENTIAL OILS BUG SPRAY KIT

Saturday, July 10

Adults

Pick up your essential oils kit at the American Venice Farmer's Market between the hours of 9:00am-2:00pm. Then join Janice Imbrogno virtually on our YouTube channel as she teaches you how to create your essential oils bug spray, while learning the importance of using natural products versus chemical based products.

Registration begins June 15. Kit pickup on July 10.

COOKING WITH ESSENTIAL OILS - ZOOM

Thursday, August 12, 10:00am-11:00am
Adults

Discover the benefits of cooking with essential oils. Essential oils add flavor

in a safe and natural way. Use them for that special zing in beverages, ice cubes, dips, sauces, salad dressings and marinades, desserts and baked goods. Watch Janice Imbrogno on Zoom as she prepares gluten free peppermint brownies. **Registration begins June 22.**

FOOD WASTE & LOCAL SOLUTIONS - ZOOM

Tuesday, July 13, 10:00am-11:00am
Adults

The United States throws away about 40% of the food grown for consumption. No country in the world throws away as much uneaten food. What can you do to reduce this troubling trend? Presented by Cornell Cooperative Extension. **Registration begins June 15.**

THE MAGIC OF COMPOST - ZOOM

Tuesday, August 3, 10:00am-11:00am

Adults

Compost is a residential win-win for increasing soil health and reducing the volume of waste headed to a municipal landfill. Learn 4 different types of composting methods in this workshop, including outside and indoor composting, aerobic and anaerobic techniques, worm and lasagna approaches. Presented by Cornell Cooperative Extension.

Registration begins June 22.
