SEPTEMBER IS LIBRARY CARD SIGN UP MONTH!

September is **LIBRARY CARD SIGN-UP MONTH!**

"A library card provides opportunity for discovery and access to a rich and diverse world. It empowers you to make change and experience new stories."

- MARLEY DIAS, Library Card Sign-Up Month Honorary Chair

LIBRARIES TRANSFORM™ ALA American Library Association OverDrive library Catalogue

Help us encourage everyone to sign up for a library card by creating a bookmark that shows how "Out-of-this-World" your library is. All finished bookmarks must be returned to the library or emailed as an PDF to engage@lindenhurstlibrary.org by **September 30**. Voting will take place on our website between **October 1-8**. The design with the most votes in each age category will win a prize and have their bookmark printed and distributed with checked out material between **October 15-30**. You can download a blank template by clicking <https://lindenhurstlibrary.org/>. **Age categories: Preschool, K-5, Grades 6-12, and Adults.** Youth can request one hour of community service for participating in this event when they submit their bookmark design.

Thank You!

The Library wishes to thank The Village of Lindenhurst, The Town of Babylon, The Loyal Order of the Moose Lodge, the staff at the Rainbow Senior Center, the American Venice Farmer's Market, and the many local businesses that opened their doors to our staff and patrons this summer while we were "Out and About" on the road serving our community!

Did you borrow materials using our "extended summer loan" while the building was physically closed? If so, those items are now due. They can be returned in person to the library when we reopen in September, or to any other Suffolk County library. Museum Passes and WiFi hotspots can only be returned to the Lindenhurst Memorial Library.

Let's Get More Sustainable!

CLIMATE STORIES PROJECT

In remembrance of the upcoming 10th anniversary of Super Storm Sandy, the library is reaching out to all residents to hear your climate story. The Climate Stories Project (CSP) is an educational and artistic forum for sharing stories about personal and community responses to climate change, with a focus on personal oral histories. Through a one-on-one interview with a library staff member, your story may recount dramatic events such as Super Storm Sandy, or address observations of changes in seasonal patterns, or speak about getting more involved in sustainable practices. If you are interested in being interviewed and sharing your story, email Sara Fiorenzo at sfiorenzo@lindenhurstlibrary.org for more information.
