READ A BANNED BOOK!

ALA.ORG/BBOOKS ALAAmericanLibraryAssociation

CELEBRATE BANNED BOOKS WEEK (September 18-24)

Banned Books Week is an annual event that celebrates the freedom to read and draws attention to the harms of censorship. Books unite us. Books encourage boundless exploration and allow readers to spread their wings. Stories give flight to new ideas and perspectives. Reading—especially books that set us free—expands our worldview. The Lindenhurst Library Board of Trustees reaffirmed their commitment to the American Library Association's Freedom to Read, Freedom to View, and the ALA Bill of Rights at its June board meeting.

MISSION STATEMENT

The Lindenhurst Memorial Library is committed to helping its community engage, grow, and discover, using library resources and services.

Adopted January 15, 2022

Staff and press may take photographs and videos at Library programs for use in future publicity. Please inform us prior to an event if you do not want yourself or your child photographed or videographed.

DID YOU KNOW THE LIBRARY HOSTS A COMMUNITY LIBRARY GARDEN IN OUR BACKYARD?

This year we grew zucchini,

eggplant, tomatoes, sweet potatoes, kale, beets and peppers. We planted a perennial asparagus bed, and are busy preparing for next year's garden. All produce and herbs grown in our garden are donated back to the community at our outreach events, and also shared with the local Long Island Cares office on Wellwood Avenue. So far this year, we have grown 150 pounds of vegetables! Our Sustainability Team members take care of the garden - planting, weeding, watering and picking the produce.
