# CLASS HISTORY

In the year 1944, we, the Class of 1948, started our four year climb. One of our first acts was the election of Manfred Kuehnel as class president. After the election, plans were made for our one and only event as Freshmen. This was The Triple Treat, which consisted of a movie, "Life With Henry," a play, "Miss Lonely Heart," and a dance. It was not only a social success, but financially successful as well.

As Sophomores, we again re-elected Manfred Kuehnel as president. On April 5, 1945, we presented the second annual "Triple Treat." Sophs are permitted two events, so we also held a dance, Coney Island Jamboree. Both events boosted our treasury a great deal. At this point, we had over \$300 in our treasury, more than any other previous class.

In our Junior year, we all worked hard for the Junior Prom, the main event of the year. The gym was gaily decorated with flowers and balloons. The theme was "Mexican Fiesta." The attendance was overwhelming, and it was a huge success. We also held the third annual "Triple Treat." As class president, we elected Robert Smith.

We entered the Senior class, knowing that we had to work even harder, if we wanted to publish this yearbook. Before long, the money began to come rolling in. We sold candy, cake, ice cream, milk, pretzles, popcorn, Christmas cards, Christmas wrapping paper, boosters, patrons, ads, yearbooks, and pictures. For our senior play, we chose "No Way Out," Directed by Miss Louise Samsel and Miss Barbara Van Patten. Manfred Kuehnel again became class president.

We are still combining our efforts, as we are looking forward to a grand senior ball. On the Sunday before graduating, we will revive an old custom in L.H.S., by having a baccalaureate service.

## LEADERS CLUB

The year of '48 marks the fifth year of Leaders Club. The members are picked according to their athletic abilities and good sportsmanship. Before gaining entrance they must be voted upon by all present members of the club. The club is under the guidance of Mrs. Hines, who organized the group.

## CAMERA CLUB

In order to gain entrance to the Camera Club, you must be nominated and voted in by all members. The various activities carried on by this club include learning the art of developing and taking snapshots at the school games. The club is under the direction of Mr. Sauer.

## JR. HIGH PUBLIC SPEAKING

Everyone does not have the ability to express himself in words. For the purpose of accomplishing just this, Mr. Michel organized this public speaking Club. It also helps to develop the art of speaking before an audience with poise.

## JR. HOME EC.

Under the direction of Mrs. Cadwallader, the girls of this club learn the fundamentals of cooking and sewing. The club is affiliated with the national organization of clubs. The elected officers are President, Marilyn Benstock; Vice-President, Catherine Rogus; Secretary, Evelyn Johnston, and Treasurer, Barbara Jacobs.

## DEBATING CLUB

The Debating Club is under the direction of Mr. Michel. The club traveled to Bay Shore where they debated the topic, "Resolved That the Federal Government Should Compel the Arbitration of Labor Disputes in Basic Industries." They will also debate with other schools including Baldwin, Freeport, Babylon, Patchogue, and Malverne.

## MASQUETEERS

This group is under the direction of Miss Samsel and Miss Van Patten. The Masqueteers are an industrious group of high school students whose main interest is dramatics. The group presents several successful plays each year. The officers are President, Rosemarie Germann; Vice-President, Rona Kass; Secretary, Helen Klapproth; and Treasurer, Raymond Kurdt.

## CHEERLEADERS' CLUB

The Cheerleaders' Club is ably assisted by Miss De Vey. These girls give incentive to our team to win by leading the students in cheers. We greatly appreciate their efforts in helping our teams. The girls are Eleanor Menendez, Joan Graham, Rita Edelman, Ellen Bartholet, Alice Schlosser, Gloria Schnieder.

## J.V. CHEERLEADERS

After careful consideration, Adele Viohl, Jerry Maschi, Joan Walton, and Joan Schriber were chosen for the Junior Varsity cheering squad. With their pep and vitality, they will make an excellent Varsity squad next year. Miss De Vey is the competent director of these girls.

## TWIRLING CLUB

The twirlers give extra spirit and color to band activities such as parades, football games, and concerts. The girls work steadily to earn points for their awards. They all participated against other twirlers from all schools last year and the results of the contest were very encouraging. Drum Majorette is June Fenkart.

## SENIOR HIGH SCIENCE CLUB

This club is under the direction of Mrs. Ford. The officers are President, Paul Vogelsberg; Vice-President, Joanne Tafuri; Secretary, Gloria Toloneo; and Treasurer, Sheila Atkinson. Each member has individual research problems to work out. Some of the boys participated in a race of jet motor racing cars in the gym.

## TENNIS AND BADMINTON CLUB

This is the girls' section of the Tennis and Badminton Club under the direction of Mr. Sauer. They meet once a week to receive instruction to better their skill in the games of tennis and badminton.

## TENNIS AND BADMINTON CLUB

Tennis and Badminton Club is also quite popular with the boys. They, too, meet once a week with Mr. Sauer to receive instruction to better their skill in these games.

## PRESS CLUB

The members of the Press Club will no doubt follow the field of journalism. It is under the able supervision of Miss Babcock, Miss Burgevin, and Miss Samsel. The officers are Editor, Richard Godin; Assistant Editor, William Kleb; Regulation Manager, Adolfo Iurillo; and Advertising Manager, Richard Spoerl.

## AVIATION CLUB

The Aviation Club is under the able direction of Mr. Christy. The members of the club get together once a week and discuss the various problems of aviation. This is a popular club for the boys of L.H.S. who are eager to learn about flying.

## HOME ECONOMICS CLUB

The Home Economics Club is supervised by Miss Burks. The officers are Dolores Pollini, President; Carol Helms, Vice-President; Dorothy Seper, Secretary; Lois Bolender, Treasurer. They held a dance, and with the proceeds, bought a wedding present for Miss Burks. The fundamentals of home-making are taught to the club members.

## SCHOOL SERVICE CLUB

This small group of fellows are responsible for such work as running the movie projector, working the lights, and all the other minor details during assembly programs. Under the supervision of Mr. Stribling, these boys do an excellent job.

## JR. HIGH SCIENCE CLUB

Among the many new clubs at L.H.S. is the Jr. High Science Club. Under the direction of Mrs. Ford, they perform experiments and go for hikes to examine the wonders of nature. The Science Department has white rats for pets, one of which you can see in the above picture.

## GYM CLUB

Under the able assistance of Mr. Hopkins and Mr. Papps, these boys learn to perform on flying rings, high bar, ropes, parallel bars, horse and the mats. They also are taught the safety rules, which are of prime importance. This club was re-organized last year.

## FOOTBALL

The Bulldogs opened their 1947 season dropping a 13-0 decision to Huntington. The Lindy's played well, but the Blue and White of Huntington was too much for them.

In a kicking duel, Bayshore defeated Lindenhurst, 13-0. Don Hoffman did a good job punting. The Maroon scored twice within the last three minutes to break a scoreless tie. Green Wave gave fans a thrill by stopping the Maroon drive on the one foot line.

Showing a stubborn line, the Green Wave finally succumbed to the passes of the Sayville Golden Flashes. Lack of an offensive hurt the Bulldogs all year. The score made in the first quarter on a lateral was 7-0.

Holding powerful Port Jefferson to a 6-0 score, the Bulldogs lost another tough one. The Port Jeff score, late in the fourth quarter, was setup on a fumble. The kick was blocked.

Playing a night game, the Patchogue Red Raiders defeated the Bulldogs, 13-0. The Red Raiders scored on a fumble and an interception. The Green Wave showed a powerful attack with Weiss starring.

Paced by Danny Curcio, Amityville trimmed the Bulldogs, 24-0. A Lindy touchdown was nullified on an offside penalty.

Scoring their only touchdown of the season, the Bulldogs battled to a 6-6 tie with the Babylon Ponthen. Then, Hoffman lunged over from the one yard line to match an earlier Babylon score.

# BASKETBALL

## THE LINDENHURST BULLDOGS

Having a moderately successful season, the Lindenhurst basketball team was placed fourth in the league standings. The Bulldogs had the tallest team in the league, but had some small players too.

Philip DiMartino was named honorary captain. Larry Weiss, having the best percentage of foul shots completed, won the Pinter Foul Shot Trophy. Neil Thompson, Robert Smith and Philip DiMartino will not return next season as they are Seniors, but the remainder of the squad will be back in uniform to uphold the Lindy banner.

VARSIITY SQUAD

J.V. SQUAD

## BASEBALL

The Bulldog nine topped South Huntington, 11-0, in a pre-season tilt and went on to down Huntington, 4-2, in the initial league. With such an impressive start, the Bulldogs should have a very good season. The starting team is the same as last year and they show much improvement.

## TRACK

Track is being revised in Lindenhurst this year, therefore, it is a new team that has to face the competition of other schools. Some of the meets are with Bayshore, Sayville, Port Jefferson, Babylon, Patchogue, Riverhead, Huntington, and Amityville. The County Meet will be at Riverhead.

# GIRLS'

## VOLLEYBALL

Volleyball is a sport that has been played in our school for a number of years. A volleyball team has eight girls playing and three girls rotating in. All the girls in high school enjoy this sport because it has no dull moments.

Four class teams are chosen to play volleyball at other schools. The class teams also play each other. There is usually quite a bit of competition between the Juniors and Seniors.

An honor team is picked from the class teams to play honor teams from the L.I.G.A.

## BASKETBALL

Basketball is always a big attraction to the high school girls. Girls' basketball rules differ from the boys'. There are six girls on a team, being three forwards and three guards. The forwards shoot for the basket and the guards recover the ball for forwards to shoot. No one is allowed to pass the middle line on the court.

Class teams are picked by the Coach to play other schools. An honor team is chosen from class teams to play other honor teams which belong to the L.I.G.A.

# SPORTS

## SOFTBALL

Softball, naturally, is always played in the spring of the year. All the girls try out for a position in which they would like to play. The Coach then picks the class teams and the positions that are best suited for each girl on the team.

Many girls come out for this sport because it is so much fun to play and everyone enjoys it.

Honor teams are chosen from the class teams to play softball honor teams of the L.I.G.A.

## HOCKEY

Every fall girls in high school go out for field hockey. Teams are picked and go to other schools to play hockey teams.

This is an interesting sport consisting of eleven members on a team. The object is to get as many goals as you can to win a game. Because there are hockey sticks banging away in all directions, the girls wear shin guards.

An honor team is chosen from the class teams. These girls then go to a play day at which time they play other honor teams from the L.I.G.A.
