

THE  
*Bulldog*  
1959

Lindenhurst High School  
Lindenhurst, New York

# Dedication

In the ever-changing and broadening civilization of the twentieth century, it is the youth of the world and their fresh, new ideas which determine the course of the years to come. Without youth there is no tomorrow — nothing to look for beyond the horizon. It is only because there are young people in the world that there is a reason for those who are older and wiser to carry on with their work, their ambitions, and their goals. That which men both great and small have accomplished with their lives must be entrusted to youth if it is to remain of value to the world. Thus, the work and knowledge of thousands of years will eventually come into the hands of our youth as tools for building beyond today.

It is for this reason that the 1959 *Bulldog* has what may seem to be an unusual dedication. Instead of preparing this book in recognition of a member of the faculty or of the administration who has performed some special service for the class, the staff has devoted its efforts to the world's youth, to each, individual young man and woman who must some day shoulder, together with his contemporaries, the burdens and responsibilities of an entire civilization in the world which they must build themselves — the world of tomorrow!

Anna Eleanor Roosevelt has long been known as a champion of youth the world over. The co-author of a book dealing with the United Nations and youth as partners in building a peaceful world for tomorrow, Mrs. Roosevelt is always anxious to lend a helping-hand to the cause of young people. In response to a letter written to the former first lady asking her support of our yearbook's dedication to youth, Eleanor Roosevelt wrote the letter which is reproduced here.

We, of the Senior Class, are honored to be doing a small part in promoting the purpose of youth through our 1959 *Bulldog*.

MRS. FRANKLIN D. ROOSEVELT  
202 FIFTY-SIXTH STREET WEST  
NEW YORK 19, N. Y.

October 29, 1958.

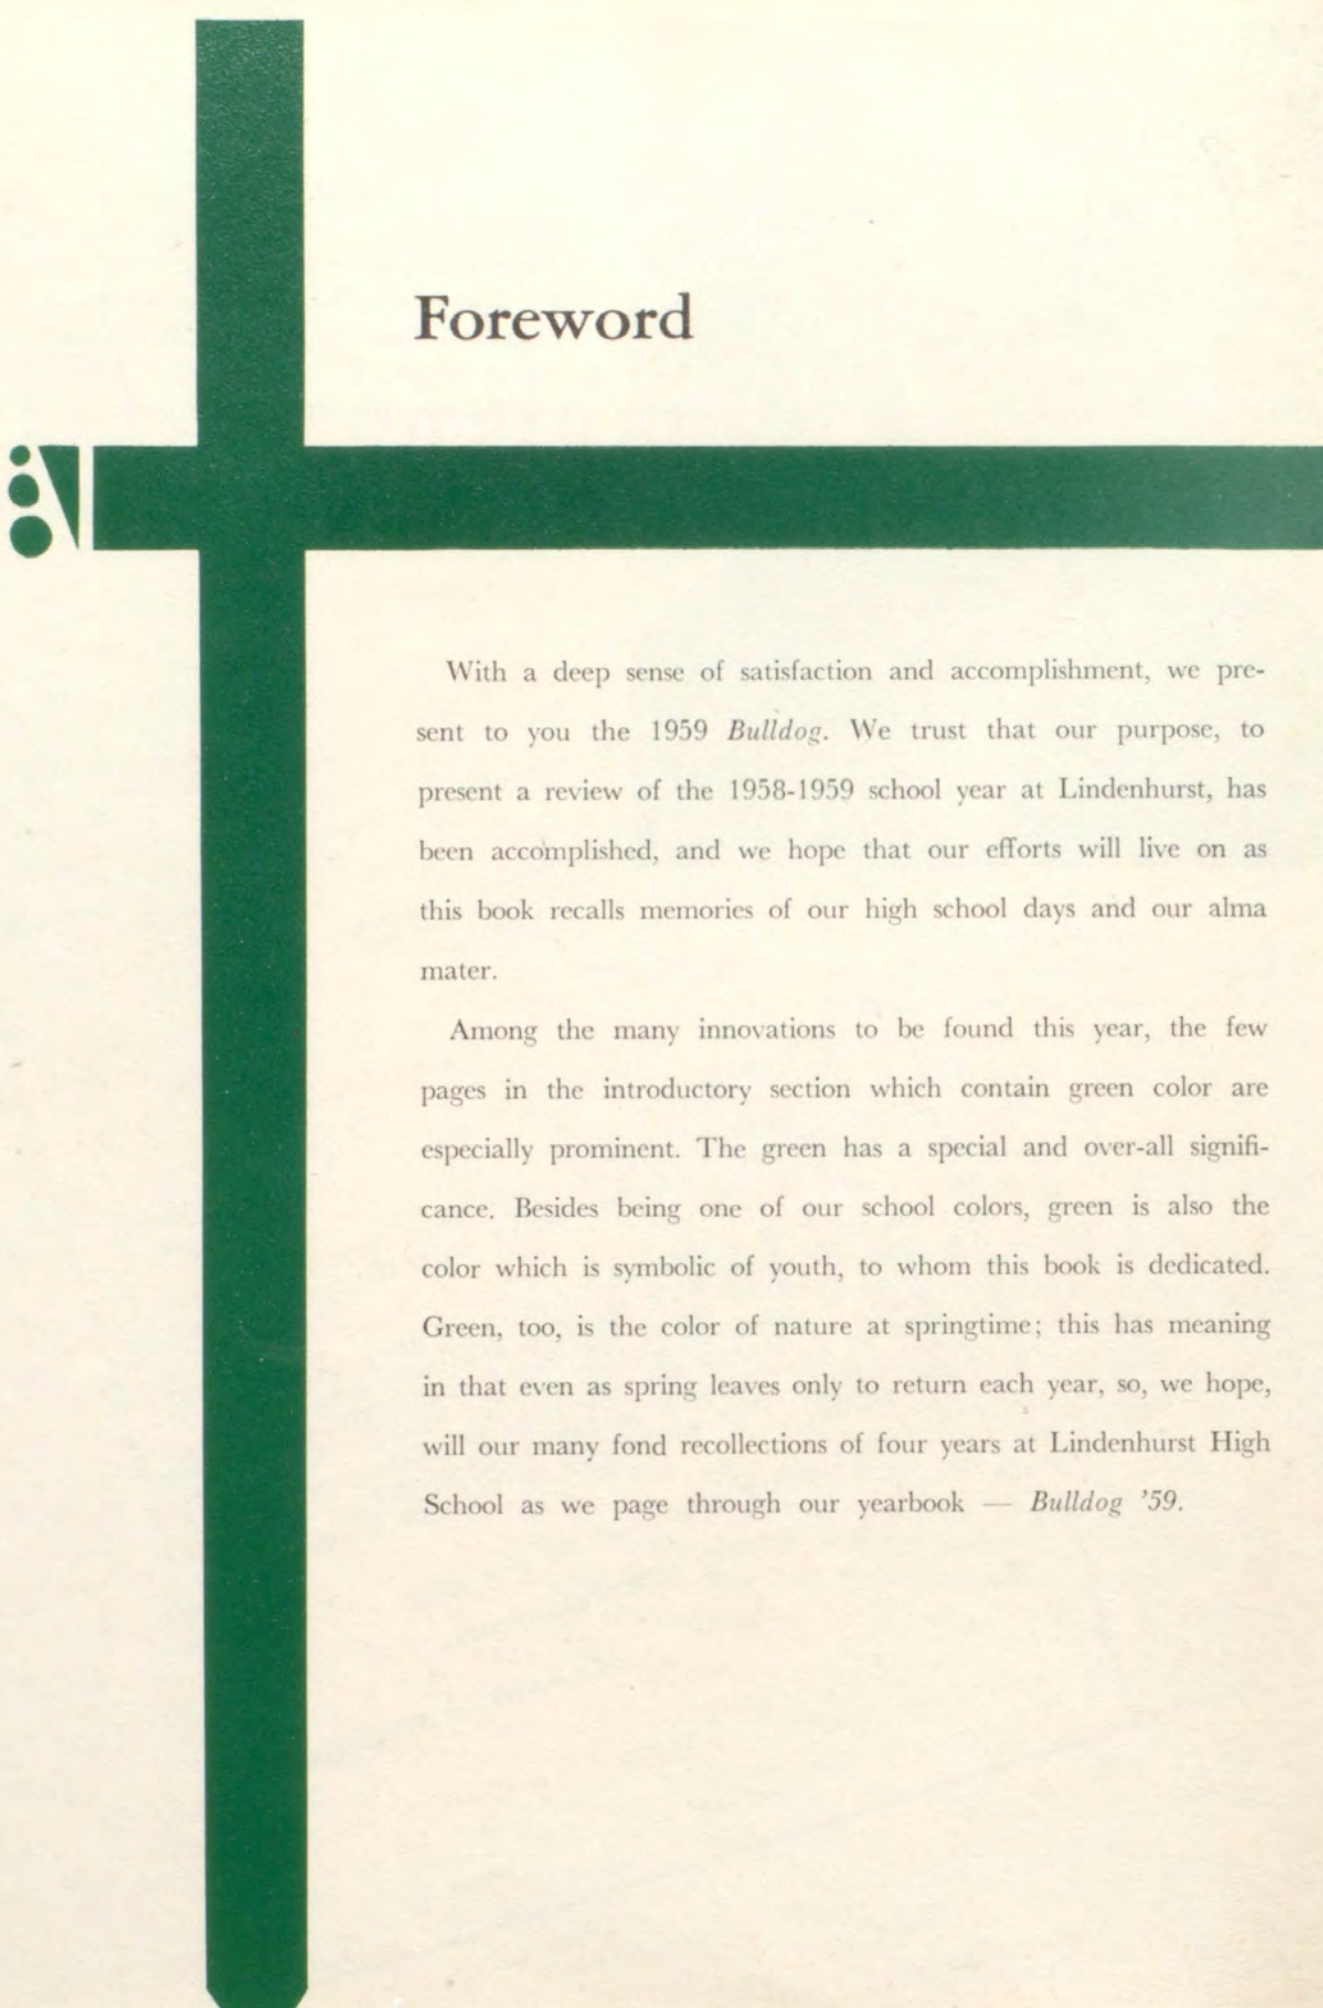

My dear Barry,

Your letter has just been forwarded to me and I hope my reply will reach you in time.

I am delighted to hear of your theme because I am sure that it will encourage you to learn about the hopes and aspirations of young people the world over. The youth of to-day are the hope of to-morrow. And if they grow in understanding and friendship they will help to build a peaceful world.

With every good wish to you all,  
very sincerely yours,

*Eleanor Roosevelt*

## Foreword

With a deep sense of satisfaction and accomplishment, we present to you the 1959 *Bulldog*. We trust that our purpose, to present a review of the 1958-1959 school year at Lindenhurst, has been accomplished, and we hope that our efforts will live on as this book recalls memories of our high school days and our alma mater.

Among the many innovations to be found this year, the few pages in the introductory section which contain green color are especially prominent. The green has a special and over-all significance. Besides being one of our school colors, green is also the color which is symbolic of youth, to whom this book is dedicated. Green, too, is the color of nature at springtime; this has meaning in that even as spring leaves only to return each year, so, we hope, will our many fond recollections of four years at Lindenhurst High School as we page through our yearbook — *Bulldog '59*.

Shelves filled with knowledge.

The old clock ticks on, and the bells still ring.

## Hallmarks

The clocks ticking off the passing of each minute, the bells joyfully proclaiming the end of each day, the hall plaques commemorating school tradition, the lighted lanterns at the entrance announcing an evening activity . . . these are the things we will fondly remember when we recall our days together at Lindenhurst High.

A school is always recognized and remembered by these identifying features — or “hallmarks.” They seem to give it character and a “personality” of its own. As tangible representations of something intangible, they have a very special and certain meaning in the spirit of Lindenhurst High School.

# Alma Mater

*Hail to L. H. S., our dear school,  
Hail the never-ending rule.  
May we all be loyal, steadfast, and true,  
For old Lindy will lead us through.  
Rah! Rah!  
And after the four years of work  
In which we have learned not to shirk,  
As alumni we'll carry on  
Her banner "Say never die,"  
And echo her name o'er the world.  
We all will shout for Lindy upright and true,  
And for her green and white we'll fight tho we're few;  
As for her standards we will all try to raise them,  
Boast of them, praise them from every view.  
We'll boost her team tho they be far from the goal,  
And we'll support her pennant on every pole.  
We'll do our best to stand the test,  
Dear alma mater Lindy High!*

"As alumni we'll carry on her banner . . ."

"We'll support her team . . ."

"We all will shout for Lindy . . ."

"May we all be loyal . . ."

"Hail the never-ending rule . . ."

## Our Town

The village in which a school is situated often plays a vital role in the development of ideals within the student. It is in this way that we like to think of our town.

For this reason we have set aside a section of our yearbook for the village of Lindenhurst.

We sincerely hope that our town may continue to influence the students who attend Lindenhurst High School.

## Our School

As the years pass, we shall never forget the echoing halls, the friendly rooms, and the lively spirit of Lindenhurst High School. Each everyday occurrence formed for us a tradition which we shall now cherish forevermore. The daily routine which is unchanging at our alma mater has played an important role in our development as individuals and as men and women.

We feel that in four years at Lindenhurst High we have been given a treasure that is worth more to us than anything we have ever possessed.

# The Future

*Youth is an island bright in the sun  
across the sea, but there is no returning:  
the convoy moves relentlessly into the west  
and over the wake the seagulls crying.  
Better a hope lost than a life of lying;  
of all man's wisdom, truth is best.*

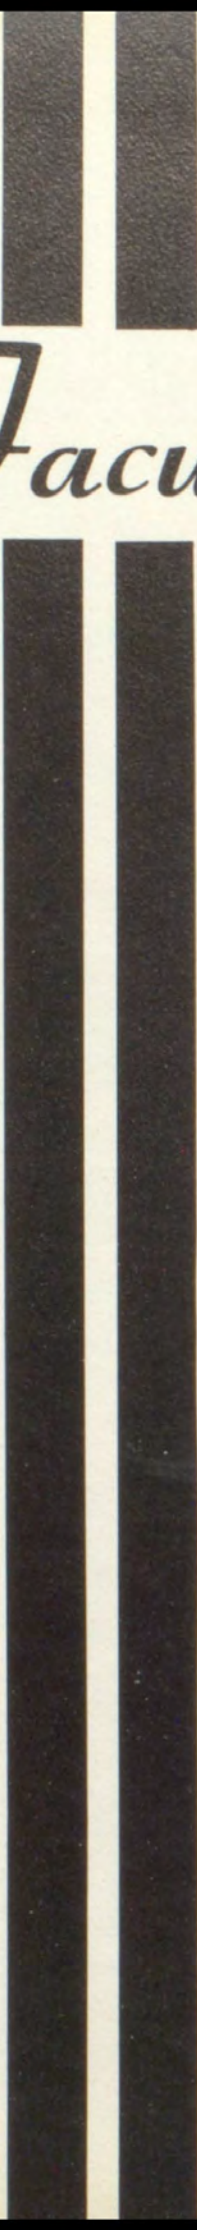

*Small consolation, but the broken water  
glistens against the green stillness  
and the clouds are buoyant in the blue.  
Thus the vision, this the craving,  
and in the no-man's sea between,  
no flashing light, no harbour promised,  
no course foretold but as the wind speaks  
to the calling birds.*

*The island recedes, the familiar beauty fades,  
brilliant as June once and maiden-fresh,  
captive no more the hundred graces  
led in delight along the dappled lanes,  
with youth exalted in the morning sun.  
All this is gone now, and with its daring,  
the certain truth, the known shape of language  
bright on the lips of men.*

*Farewell, then.*

*Time to turn from the dwindling vision,  
the grey ghost of failure, the dusk of youth,  
knowing that words are laggard movers  
out of their time and place, resistant always  
to a new meaning. The old hunger stays  
to meet the new craving; all else is gone.  
It is time to move.*

### Doctor Connolly, Superintendent

The 1958—1959 school year brought Doctor Charles H. Connolly to Lindenhurst to fill the position of Superintendent of Schools left vacant by the retirement of Lawrence C. Lobaugh. Prior to coming to Lindenhurst, Dr. Connolly was the Dean of the Graduate School at Siena College.

As his first graduating class in Lindenhurst, the Class of 1959 would like to wish our superintendent continued success in this key position in our school system.

## Memories

A little sadness and much joy mark the final farewell of the Class of 1959 as it fades into the shadows of Lindenhurst High School. The brief sadness comes from the realization that we must leave our Alma Mater to go forth on separate paths.

But the lasting happiness emanates from the many memories we share of our four years together — memories of our first dance as Freshmen, “Lilac Cotillion” . . . of the “Choo Choo Hop” in our Sophomore year when “Night Train” was broadcast from our gymnasium . . . of our Junior Prom, “One Touch of Venus” . . . and finally of our Senior Play and Senior Ball.

Even in departure we find another happiness: we know we have built up wonderful memories to last us a lifetime.

# "One Touch of Venus" Is a Complete Success For the Junior Class

By Ronny Fishbach

From outer space comes the news that "One Touch of Venus", the Junior Prom, was a smashing success. The Prom was held March 29 in the Knights of Columbus Hall.

The immense hall was gaily decorated with blue and silver crepe paper. Silver balloons and blue angel hair helped create an outer space effect which was enhanced by the beautiful mirror ball which cast various colored spots on the floor and walls. The throne of maroon velvet was adorned with stars and angel hair and was truly a resting place for a king and queen.

Fruit punch spouted out of lions mouth on the electrically operated fountain. Delicious cookies were also served.

The gentlemen came in dark suits and tuxedos and the ladies in their frilly gowns; and they really looked suave as they danced around the floor to the tune of "Stardust." Every kind of flower, from rose buds to orchids, could be seen in beautiful corsages worn by the girls and the fellows looked truly handsome with their many colored carnations.

## Juniors Are Inducted At Hon. Soc. Assembly

Thursday, March 6, 1958 was a special day for twenty-two juniors and seniors of Lindy High. It was the day that they would formally be inducted into the Lindenhurst Chapter of the National Honor Society.

### Cheerleaders Receive Snappy New Uniforms

By Joyce Davidson

TEAM!

That's what you'll soon be hearing echoing throughout the halls of Lindy High. That word is the motto of this year's Varsity, Jay Vee, and Frosh cheerleaders.

All through the auditorium the strains of "Pomp And Circumstances" were audible. As the new inductees marched down the aisle one could see cause to be impressed. They carried themselves with dignity, pride, sincerity, and humbleness.

After the preliminary Bible reading, flag salute, and community singing, the ceremony commenced. Speeches by the four officers of the club on the four characteristics and bases of the Club-LEADERSHIP, SCHOLARSHIP, SERVICE were heard by the audience as well as the new Honor Society members.

Dr. Eaton, the Principal, introduced Mr. Little, Supervising Principal. Mr. Little spoke of the work done by Mr. Lawrence Lobaugh, Superintendent of Schools, in connection with the Honor Society.

#### Pledge Taken

Tears could be found in Mr. Lobaugh's eyes when he came to the platform. His speech was sad and yet compelling. He congratulated the members, both new and old, and then turned to the audience. With everyone in mind he uttered the immortal poem, IF, by Rudyard Kipling, a most fitting gesture, by the man was responsible for the Society's birth here in Lindenhurst.

A pledge to live up to the Society's standards was taken by all the fraternal members. Congratulations were bestowed

## PLATTER CHATTER

Well kids, SUMMERTIME is over and it's BACK TO SCHOOL AGAIN BLUES. All of our LAZY SUMMER NIGHTS are over.

We all would like to go to an ENCHANTED ISLAND, or maybe to Mexico. There we would all be doing the latest MEXICAN HAT ROCK. Did anyone try the HULA HOOP? I guess most of us stayed home and had a SPLISH SPLASH time at the beach.

The only thing I couldn't stand was those awful GREEN MOSQUITO bites. Somehow in the heat of the LONG HOT SUMMER I got that ITCHY TWITCHY FEELING and kept asking someone to SCRATCH MY BACK.

### 'Best Yearbook Ever' Promised by '59 Staff

Is it possible that some members of the Senior Class have not yet ordered copies of the 1959 Bulldog? This absurd idea is not only probable, but actually true, for there are many seniors who have not as yet subscribed to their own yearbook! It has been announced that there are only 7 copies of the 410 printed left, so that at the end of the year when the yearbooks are distributed, there will be quite a few sad seniors.

Any person who happens to look in the Bulldog room of the Junior High Library at about four o'clock any afternoon will see many of the editors and their advisor, Mr. Maurio of Sax, hard at work over piles of

## Theme for Juniors' Prom To Be, One Touch of Venus

By Connie Knutson

### In the Doghouse

By Don Owen

Shades of "Sputnik" or even our own "Explorer"!! The Junior Class has been beset with ideas of inter-planetary travel. The Junior Prom, an annual affair, has taken its theme from the recent trend of thought of outer space.

"One Touch of Venus", the theme, should prove to be a unique and extremely enjoyable affair. People are already buzzing around industriously in hopes of making this the biggest and best dance in the history of the Junior Class. Among these people are: Barbara Cruz, head of refreshments, Darien Lunt, head of decorations, Ronny Fishbach, Susan Sakolsky heads of Posters and Boosters, and Loretta Allar, head of bids. The class advisors, Mr. Hurd and Mrs. Callahan, have been cooperating to the fullest in order to make this dance a huge success.

This spectacular will take place on the eve of March 29 from 8 p.m. to midnight at the Knights of Columbus Hall on South Broadway, Lindenhurst. The bids will be five dollars a couple and the attires will be formal.

As per usual, a King and Queen will be chosen by the chaperones, so girls and guys start campaigning now for this honor. For further information, contact Joyce Davidson, Class President. See you all there!!

## Barking Bulldog

It is now September 1958 at L. H. S. This very statement almost seems to suggest the word Football and this word has a different meaning to everyone. To some it means the excitement of playing the game itself. To others it represents the game every Saturday when you get a chance to cheer your favorite team on to victory. Then again, to Mr. Fisher, the head coach of football here at Lindy it is a word that means training, planning, scrimmages and skull sessions, with victory as the ultimate goal.

As Mr. Fisher goes into the 1958 campaign he is forced to do so without the services of Stu Wirth, Chuck Daniels, Johnny Riggs, Pete Lombardo, Richie Gilbert, and Otto Kost to mention a few. All of these boys are now pursuing their futures after receiving their diplomas in June.

To balance this loss is the return of experienced varsity men like Marty Clark, Bob Jost, Paul Basileo, Gary Jones, Richie Bryzonsiki, Richie Argenti, Richie McGrath. There's also promising material in John Stanley, Frank Esposito, John Busch, Billy Barhold, Lester Chatterton, Jimmy Lynch, and Johnny Freeburg.

The J. V. team of 1958 is expected by many to be the strongest in years with the return of last years' good Frosh team and the surplus of J. V. players from the '57 season not joining the varsity ranks

## Lindyites Disrupt LIRR Routine To Invade New York En Masse With Their Faculty Ringleaders

At the successful Varsity Club Football Dance held on November 29, Martin F. Clark, Bulldog quarterback for the 1958 football season, was awarded the highly-coveted Most Valuable Player trophy. It was also announced at that time that James Lynch, a Junior, was chosen as Captain of next year's Varsity eleven.

Thanks to Marty from all Lindyites for a job well done for his school, and best of luck to Jim with next year's team.

The officers of the Junior class are:

President — Joyce Davidson  
Vice President — Catherine Scheckler

Secretary — Barbara Osnes  
Treasurer — William Paterson

As of today the Sophomore and Freshmen classes haven't held any meetings.

On November 19, about 12 members of the Dramatics Club, along with their advisor, Mr. Oliver, and their co-advisor, Mr. Adams, left school after classes to begin the first of the year's many trips to Broadway planned by the club. Before the day was over, there were many stories to tell of an exciting and truly eventful day.

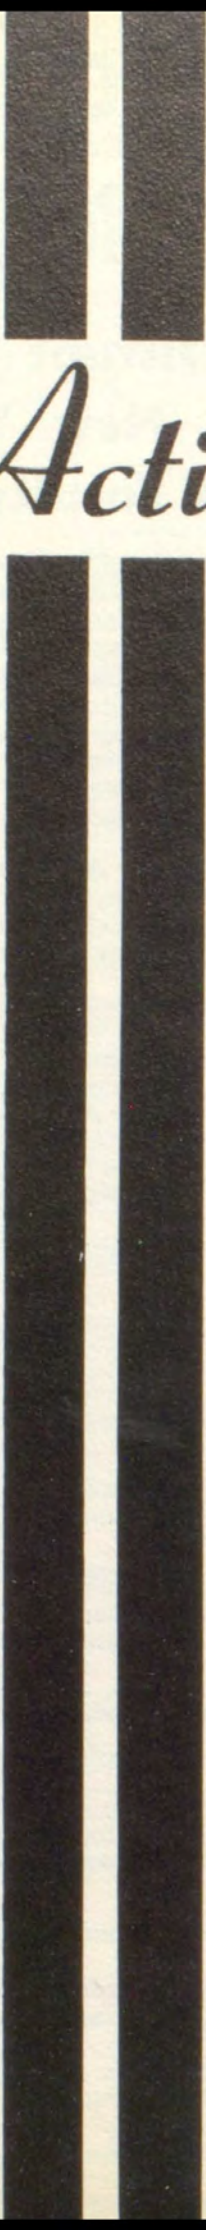

The purpose of the excursion was to see the successful production of "Look Homeward, Angel" at the Ethel Barrymore Theater in New York. The play starred Ed Begley, Miriam Hopkins and Andrew Prine, and was rated highly by all of the critics. It was the story of Eugene Gant, a seventeen-year old boy soon after the turn of the century, and how he grew up through many touching and deeply moving personal experiences.

### Three Miss Train

When the group left the high school that Wednesday, three of the boys who had bought tickets, Al Kehrner, Johnny Quigley, and Sal Gullo, were nowhere in sight. They had left earlier with a promise to return on time to catch the train. But, as the train came and left on time with the other students, the three boys had not as yet returned. It was not long, however, before Johnny's green car was spied racing the train to Copiague. But, since the car was detoured, the train left Copiague station without our friends, amidst shouts of excitement and disappointment from the Lindyites on the train.

### Engineer Cuts Speed

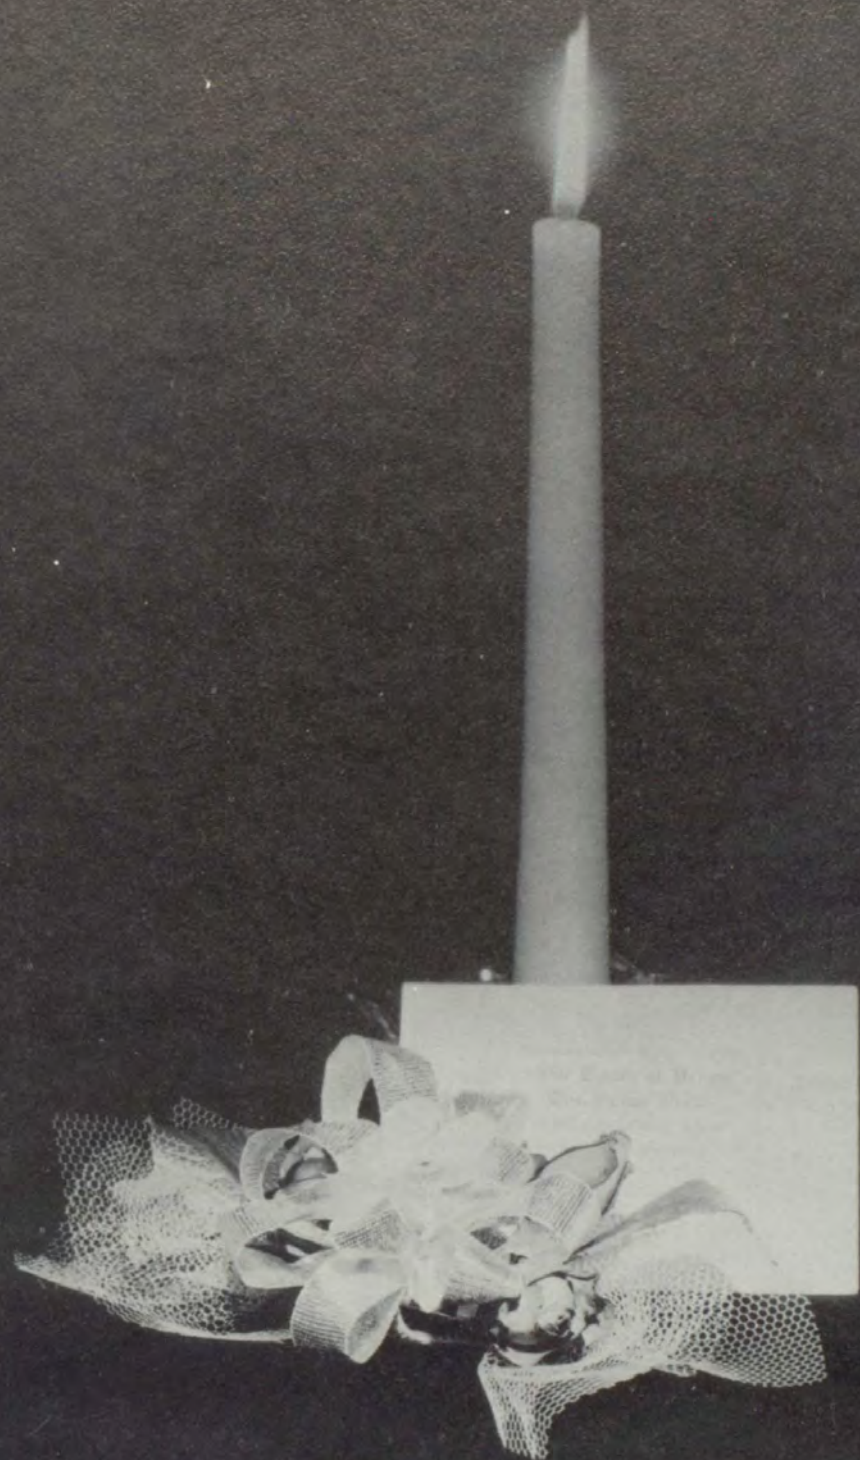

The conductor in the car, Trainman Mike Loeffler of the Long Island Railroad, had by this time become interested in the race, and had asked the engineer to slow the train down considerably so as to allow the boys to catch up. Believe it or not, the engineer cut the speed down to such a low mileage that the trip from Copiague to Amityville took almost twice as

## Student-Faculty Organization

The Student Faculty Organization was set up to promote, unify, and coordinate school activities. Every student becomes an S.F.O. member upon registration in the Senior High School.

A great effort is made each year in a drive to sell activity cards which give special benefits to the students. The Class of 1959 encourages the importance of this organization as the voice of the students in school government.

### Officers

J. Teevan, Treasurer; M. Young, Secretary; S. Shaw, President; J. Thomas, Recording Secretary.

The Lindenhurst chapter of the National Honor Society has as its main purpose the development of the qualities of Scholarship, Character, Leadership and Service in the high school.

Membership in the National Honor Society is the highest recognition bestowed on any student. Thus, the Class of 1959 would like to set this as a worthy goal for all.

## Sports

Football, the first sport of the year, started out with a 25—21 victory as the Bulldogs came from behind to edge out Eastern Military Academy. The first league game was against Bayshore with Lindy in high spirits after defeating West Babylon the week before. The Bayshore team proved to be too strong as did the Huntington Blue Devils who nipped us 7—6. In the two following weeks, South Huntington rallied to beat us 12—6, and Port Jeff managed to overturn us in the last five minutes. All was not lost, for the Bulldog "11", for we came through with a season-ending 13—6 victory over Northport.

The Lindy cross-country team showed surprising strength and balance, and finished third in the league. As autumn leaves drifted into winter's snows, sports activities moved indoors. Hopes were high for this year's varsity basketball squad, but gradually faded as Lindy lost its first league game to South Huntington 43—42. In successive games, victory was snatched from our hands by a

## Review

mere two or three points. The darkness of defeat was lighted as we romped East Islip 66—56. A look into the future promises good things to come, for our J.V. lost only two games out of fifteen.

On the mats, the Bulldogs won impressive victories and posted a .500 average for the season. Practicing among the wrestlers or in the halls, wherever they could find room, the indoor track team ran themselves into condition and won many prizes from the city meets in which they participated.

The 1958—1959 sports season was characterized by close decisions, most of which were not in our favor. However, one promising aspect of the season was the vigorous outburst of school spirit. We hope this spark of enthusiasm will grow and fan the flame needed to field championship teams for Lindenhurst in years to come.

## Sports Review

Not long after the opening of school, the girls began their agenda of active competition with other schools. Hockey class teams played against those of Amityville and Lynbrook, but because of the plague of bad weather, the hockey honor team never got to play.

Along with the beginning of the fall program came badminton, a newcomer to the schedule. Badminton class teams battled Lynbrook, and the day soon came for honor team playoffs at Ocean-side. Lindy didn't fare as well as was expected, yet the girls agreed that it was well worth the fun and experience.

With the turning of the season came the old favorite, volleyball. A large number of girls participated, and because of inadequate time and space at the high school, the girls made use of the Bower School gym. Class teams were soon picked and played against such schools as Amityville, Wantagh, and Massapequa. This year our honor team was victorious not only in the first playoff, but in the finals as well — we tied for first place with three other schools.

Basketball practice took place in the Bower gym as well, and the Seniors were undefeated for the season. The honor team, not to be outdone, triumphed by winning the playoffs which were held at our school. Thus ended a very successful season under the guidance of our fine Physical Education advisors.

# Gold Key

To earn a Gold Key is the goal of every girl participating in the girls' sports programs; it is the highest award given by the Girls' Physical Education Department. In order to win a key, a girl must have been exceptionally active in the program throughout her four years at Lindenhurst High School.

Thus, a Gold Key award is the realization of many hours of work and fun for the proud owners.
