## Alma Mater

Hail to L.H.S. our dear school  
Hail the never ending rule  
May we be loyal, steadfast and true  
For old Lindy will lead us through  
Rah!! Rah!!  
And after the four years of work  
In which we have learned not to shirk  
As Alumni we'll carry on  
Her banner "Say Never Die"  
And echo her name o'er the world.  
We all will shout for Lindy upright and true  
And for her green and white we'll fight tho' we're few  
As for her standards we will all try to raise them  
Boast of them, praise them from every view  
We'll boost her team tho' they be far from the goal  
And we'll support her pennant on every pole  
We'll all do our best to stand the test  
Dear Alma Mater, Lindy High

# Foreword

As we come to the end of another school year, our thoughts are inevitably torn between the past and the future. An era of our lives has ended but another, more exciting, and more fulfilling has just begun. Though what lies ahead can be unfolded only with the passage of time, the past can be depicted and preserved by recording through pictures and words, the story of our Senior year. If this annual succeeds in serving as a bridge between the past and the future by bringing to mind the priceless memories acquired during your high school year it will prove to be of lasting worth.

In view of these facts, the yearbook staff proudly presents to you, the 1960 BULLDOG.

## In Memoriam

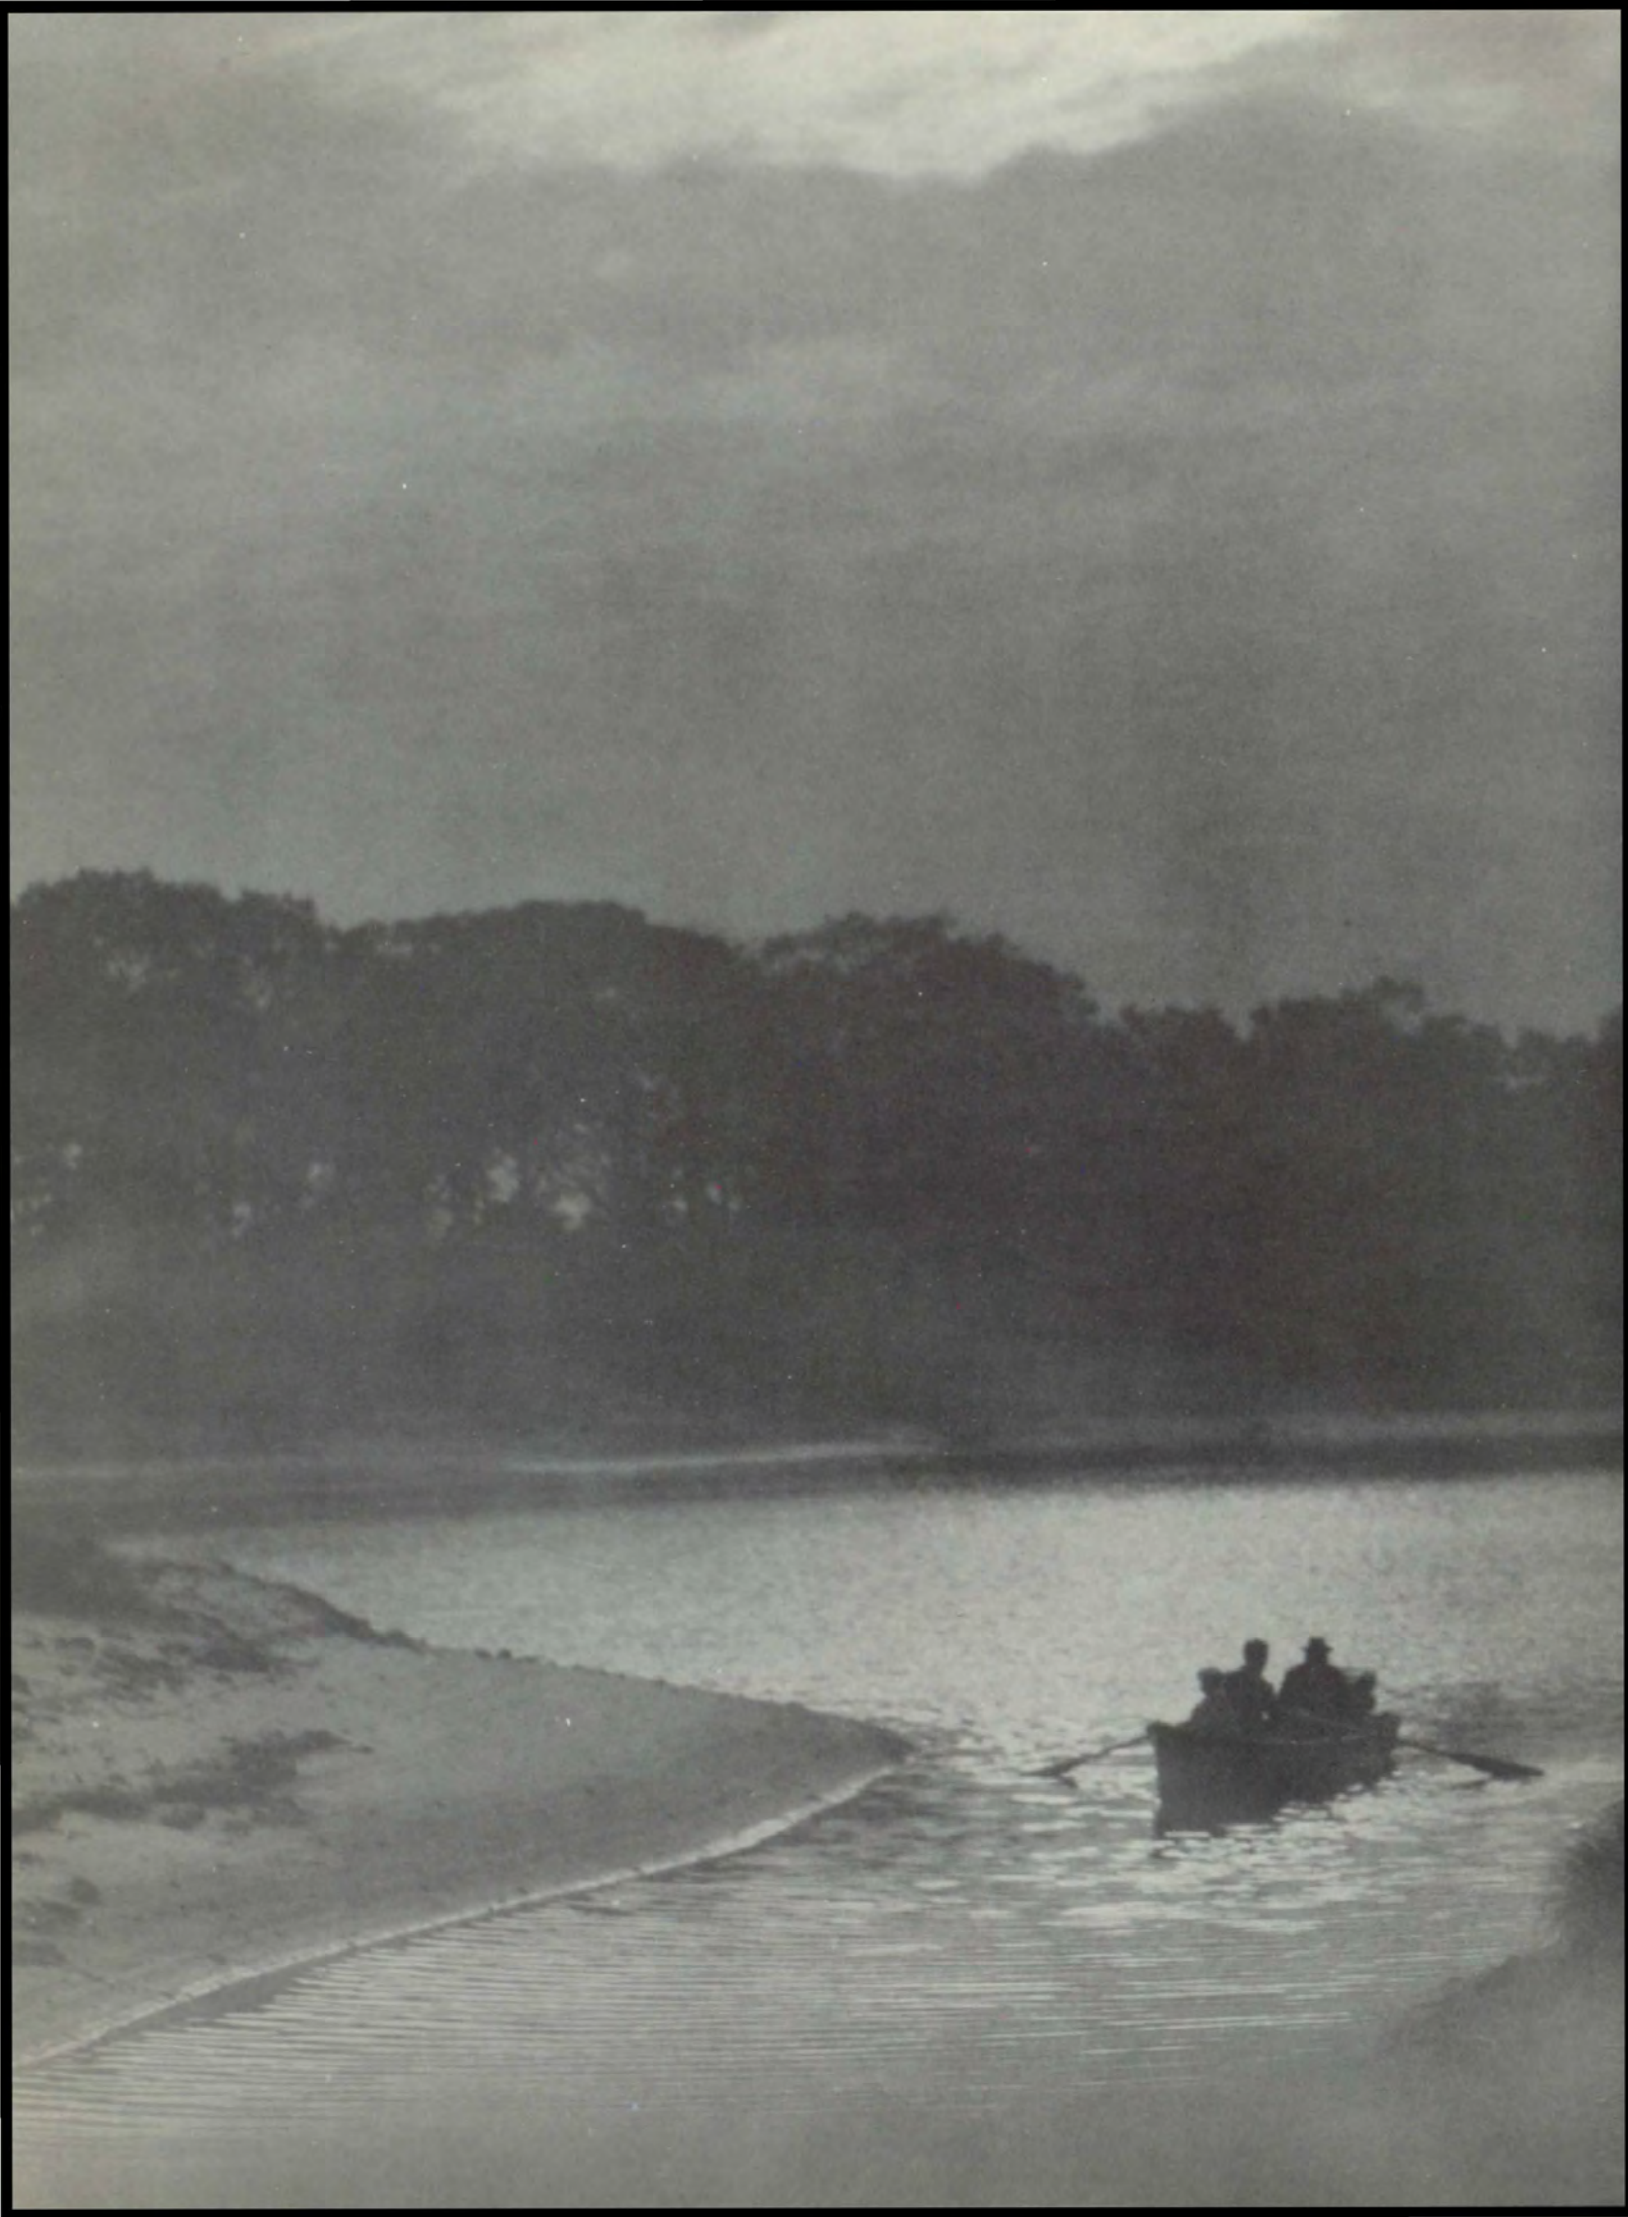

Michele Hall

How shall we compare thee?  
To a sweet flower bowing gently in the breeze,  
To a moist bud bursting forth the spring?  
Or to a cloud enraptured, which, suspended aloft  
Between God and man, is beckoning . . .

“It is not so very far.”

Oh, how shall we compare thee?  
For thou, Michele, wert none of these.  
For thou wert more than all of these.

## Dedication

Along with the dispassionate but, nevertheless, inevitable entrances of altogether new eras, man has gradually lost sight of the fact that his had been conceived, and yet remains to be, a basically first-dimensional world. His once latent gratitude for the truly noble simplicity of a life originally without political chaos and moral unsymmetry has depreciated tragically, until finally, with today's preoccupation with scientific advancement and astronomical exploration, it has all but been totally obscured.

Let us, therefore, strive at least to be the more willing to accept rather than to "improve" a world born in such original simplicity. For, lest it be snatched away without any seeming provocation, we should gratefully preoccupy our hearts and minds with the beauty already inherent in the world.

(There is still time . . . , brother)

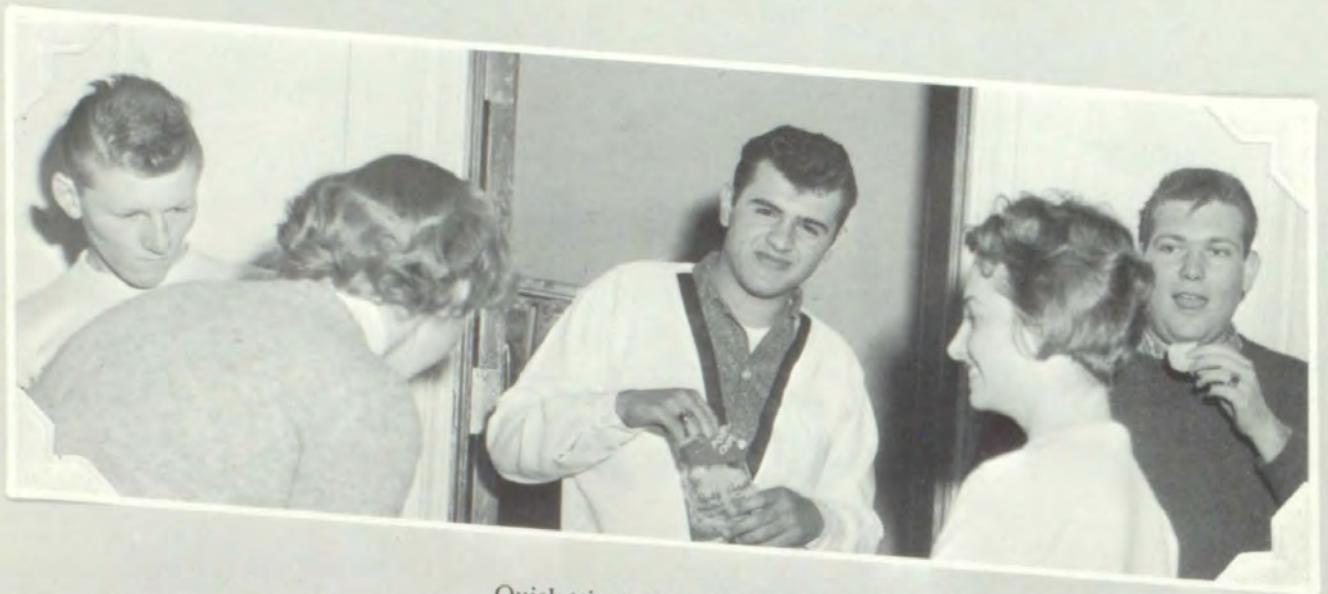

"The world is too much with us; late and soon  
Getting and spending, we lay waste our powers;  
Little we see in nature that is ours;  
We have given our hearts away, a sordid boon!  
This sea that bares her bosom to the moon;  
The winds that will be howling at all hours,  
And are upgathered now like sleeping flowers;  
For this, for everything, we are out of tune;  
It moves us not. — Great God! I'd rather be  
A pagan suckled in a creed outworn;  
So might I, standing on this pleasant lea,<sup>o</sup>  
Have glimpses that would make me less forlorn;  
Have sight of Proteus rising from the sea;  
Or hear old Triton blow wreathed horn."  
Wordsworth — "The World Is Too Much with  
Us."

# ADMINISTRATION

Doctor Connolly, Superintendent

Superintendent of the Lindenhurst Public School System, Doctor Charles H. Connolly, motivated by his devotion to the pursuit of excellence in education, has endeavored to further the interest in learning in our schools during his two years here. To more adequately meet the educational requirements of this community, he has played an important part in establishing a multi-million dollar building program and in revamping the curriculum to fulfill the rising standards demanded of high school graduates by colleges and industry. His efforts have inspired a renewed dedication to quality and excellence in education.

**SENIORS**

Senior Class Officers — Miss Wasser, Advisor, D. Thornton, *Vice President*, J. Lynch, *President*, I. Azis, *Secretary*, Mr. Ray, Advisor.

## Senior Class

Advised by Miss Wasser and Mr. Ray in their final year, the seniors of 1960 were participants in a most gratifyingly successful school association. "Fantasy is Pastel" was the theme for the festive event in their freshman year, followed by "Pennies from Heaven" during their Sophomore year. The Junior Prom, "Hawaiian Sunset," and the "Senior Ball" which was held in the Huntington Town House proved to be the memorable events in the class history. The class won a manifold of successive triumphs.

Seniors discuss their ball.

A profit-making organization.

Pretty usherettes attend to the senior play.

#### MARY ARCCARDI

A Home Economics major, this future secretary enjoys music and sewing. Having come to Lindenhurst during her Senior year, Mary participated in Dramatics Club, basketball and square dancing during her Freshman year at Belmore High School.

## Prom

Presiding over the memorable affair were Queen, Janet Rorech and King, Charles Bunker, who were crowned by class advisers Mrs. Sax and Mr. Ray.

Long to be remembered by the class of 1960 was their totally unparagoned Junior Prom. Held on the beautiful spring evening of May 5, in the Knights of Columbus Hall, the coruscating decorations carried out the motif of a theme capturing the sheer electra of the South Seas. Flowing mellifluously from beneath a vividly-painted mural, the dulcet music of the Hi-Fis filled the dance floor with rhythmic ecstasy and softly reverberated within the minds and hearts of those present.

Senior Chorus

## Chorus

The high standard of musical quality maintained by the Senior Chorus is due largely to the consecrated endeavors of the instructress, Miss Georgia Gianopoulos. Presenting two polyodic spectacles each year, the Winter and Spring Concerts, this cadential organization selects a few of its outstanding members to represent it at the Allstate Music Festival and at the A cappella Choir recital. Esteemed recognition for fine performances has been bestowed upon many participants from Lindenhurst at these NYSSMA Festivals.

# Senior Play

George Bernard Shaw's *Pygmalion*, from which *My Fair Lady* was adapted, was this year's Senior Play. Produced under the supervision of Mr. James Oliver and with the assistance of Mrs. Maurio Sax, the play was regarded as a complete success both financially and artistically.

## Varsity Club

Organized primarily for the promotion and encouragement of athletics, leadership, sportsmanship, citizenship and school spirit, the Varsity Club annually sponsors one of the most popular school events, the "Football Dance." In addition, the handsomely attired members often participate in various sports events during the year, such as the Varsity Club-faculty basketball game and the Donkey Basketball Game.

No surfeit of eloquent praise could ever possibly embrace the inherent value of this organization in respect to school morale, for indeed it is by these chosen few that the "esprit de corps" of not only the school's athletic teams, but of the entire student body, is, in part, upheld.

The club, being a service club, operates the Lost and Found, delivers the Broadcast to the homerooms, and holds dances for both Junior and Senior High School students. The boys in the club also take an active part in the annual Heart Fund Drive and Newsday's "Adopt a Family" for Christmas.

## Math Team

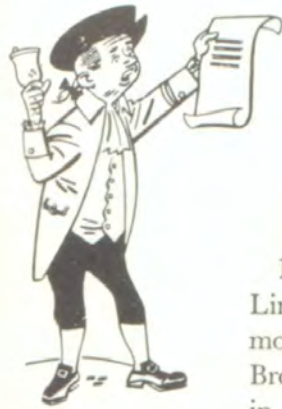

In its first year of existence, the Math team, under the able coaching of Mr. James DeCosmo, did well against more-experienced competition. It attained second place in its first meet and third place in the three ensuing meets. Encountering numerous challenging problems, the team did fairly well, remaining in the upper half of the standings of the twenty-four teams in the Suffolk County League. Individual high scorers include John Pape, Doris Funk, and Harry Marshall.

The Bulldog has seen many changes since the 1960 yearbook staff began to steer its course early last spring. After the initial planning and coordination were completed, the co-editors and advisor worked steadily through the summer months, gathering supplies and ideas for the rough draft, which was begun immediately upon returning to school. Using "Our Senior Year" as a primary theme, a new and more casual format and a distinctive cover were introduced as the staff members overcame the customary yearbook rough spots on the rugged road of creation.

"For the green and the white we'll fight, fight, fight."

The 1960 edition of the green and white basketball team was not destined to go down as the 'winningest' team in our school's history. However, what the team lacked in number of victories, it more than made up for with stout-hearted play and determined spirit. Under the captaincy of Mike Flannery, the team practiced vigorously and went on to win six of their first nine games, and at mid-season had an almost even record. Richly deserved credit goes to Coach Scafani who piloted the Varsity team for the fourth year in a row.

## Wrestling

Each year wrestling is received at Lindenhurst High with great enthusiasm, and this year certainly was no exception. From the first game to the last, each match was met by a large turnout which eagerly cheered our team on to victory. The grapplers, under the capable supervision of Coach Victor, did very well and showed much improvement with each match. There is promise of having a powerful team next year despite heavy losses via the cap and gown route. Coach Victor merits much praise for his tireless efforts in the formation of a great team this year.

Under the reins of coach Carl Greenhut, the 1960 track team, having had an exceptionally strong turnout at the beginning of the season, won hands down in a series of meets this year. To make up for the lack of experience on the part of some of the boys, practice was started as soon as possible, and valuable coaching was provided by past trackmen. This year saw not only the passing of many worthy lettermen, but also the introduction of several promising sophomores and juniors, who are anxiously awaiting the chance to gain points on the cinder paths and in field events. With this kind of enthusiasm, competitive spirit and scoring punch, the team should certainly prove worth watching in the future.

## J. V. Football

Under the competent and authoritative supervision of Coach Cotton, this year's J.V. squad exercised its full potential to become one of Lindenhurst's most victorious teams. Expertly co-captained by Mike Neary and Ronald Reese, the players remained unvanquished in five out of seven contests, defeating Huntington 7-0, South Huntington 21-6, Brentwood 12-0, West Islip 13-6, Northport 2-0, and losing to only Port Jefferson and Sayville by the narrow margins of 13-12, and 12-6, respectively. In addition to the athletic prowess of the team as a united entity, Herbert Dietrich received the recently innovated sportsmanship award from the Lindenhurst J.V. Football Mothers' Club.

Predictions regarding the success of next year's J.V. squad seem to Coach Cotton extremely optimistic. Said Mr. Cotton, "Next year's line could be the largest in the history of the school. If they work hard and become mobile, they could very well become one of the finest teams in Suffolk County."

Living up to J.V. basketball pre-season expectations, the Junior Varsity basketball squad, under the able coaching of Lee Paseltiner, had a very successful season. Losing only one of their first thirteen games, the team provided many moments for its backers to rejoice even in defeat. Captained by Gary Piccolo, the boys were by no means humiliated. Possessing such needed qualities as power and speed, many of the players, including Reese, Marinaccio, and Piccolo, will definitely be a great asset to next year's varsity squad. Coach Paseltiner did a remarkable job and deserves credit for the success of the team.

## Frosh Sports

### Football

Every year, as autumn draws near, football wakes from its long months of hibernation and becomes prominent in the public eye. Early in September, many freshmen were on the field tossing the pigskin, striving to obtain a position on the team. Under the careful supervision of Coaches Victor and Cartier, the team had a good record, winning three and losing two. Sparked by some future Varsity material such as Larry Their, they displayed great power and speed despite the lack of a demonstration of school spirit at the games.

### Basketball

Plagued by inexperience, yet demonstrating an ardent desire to improve, the freshman team started the season off with a losing streak. As the year progressed, however, they showed that practice makes perfect, and at mid-season, they have a five and five record. Although lacking any outstanding players, the team demonstrated spirit and a great deal of co-operation. Under the direction of Coach Guazzo, the squad always provided an exciting game to arouse the cheers of the many fans who attended the games.

*STANDING:* R. Murn, G. Bruno, M. Myster, D. Schmidt, J. Tomisetti, R. Schroeder, R. Franzone, Coach Helf. *ON MAT:* J. Reynolds, G. Kerr.

## Wrestling

Under the capable influence of Coach Arthur Helf, the freshman wrestling squad, employing a maximum output of skill and endurance, found justified satisfaction in being victorious in many of its contests. Although the outcome of the season had at first seemed ominous because of an ostensibly poor start, nevertheless, the grapplers later proved themselves sufficiently able to recoup their losses.

## Boys' Sports Review

### Sports Review

The Lindy football team opened with a non-league victory over West Babylon. In the two league games following, Lindy suffered defeat by Huntington and South Huntington. Hampered by many injuries, Lindy came on to defeat the Brentwood eleven, 26—0. The next three games were lost to West Islip, Northport, and Port Jefferson. Although the season was not the best, the gridders ended it with a thrilling victory over Sayville.

Coach Carl Greenhut's cross-country team had a successful winning season. Suffering the loss of their leading runner Wayne Glasser, the harriers ran away with victories over Sayville, Brentwood, West Islip, and Amityville. George Brown ran an admirable race in the County Finals and after having placed fourth, he went on to run in the state meet where he did very well against tremendous competition.

As the cold weather came upon us, the basketball

season began. The cagers, led by Lynch and Collins, leading scorers, finished the season with an overall record of 9 wins — 7 losses. The most exciting game ended in victory with the Bulldogs defeating the South Huntington Wildcats. We are expected to have a successful season as the JV five ended their season with a 15—2 record.

Under the direction of Mr. Victor and Mr. Flath, the Lindy grapplers wound up their season with a 6—7 record. In the County Finals Len Basileo placed first, and Randy Allers placed second, in their respective weight classes.

Indoor track, one of the most recently introduced sports at Lindy High, had a fairly good season. Some of the boys showed up very well in the meets. Mr. Greenhut feels that many of the boys have a tremendous potential and will present us with a winning team next year.

## Hockey

The 1959 field hockey season got off to a sizzling start. Despite the unusual summer-like weather, Lindy's female set enthusiastically began mastering one of the most skilled of team sports. As "skill to do comes of doing," the girls practiced constantly at the Bower School. The combined junior-senior team outplayed Bethpage 4—0 while the freshman-sophomore team tied 0—0. At Amityville, both games ended in a deadlock. Participating in a special hockey playday, Lindy met such excellent opposition as Port Jefferson and Clarke. Though this selected group was not victorious, the experience they gained outweighed their defeat. The Honor Team proved successful by playing to a second place tie. The girls' bulldog tenacity was accredited for establishing Lindenhurst as a formidable opponent in hockey circles.

Angela Vinci, Captain.

## Volleyball

With the onset of the 1959 volleyball season, there came a rousing vote of approval from more than three hundred Lindy ladies. Practicing frequently either at the Lindenhurst High or Bower Schools, the girls were soon ready to combine their skill and spirit in winning for Lindenhurst. Their efforts were rewarded, for overwhelming victories were scored in almost every game. Against the teams of Freeport, Calhoun, Amityville, and Uniondale, the senior and junior class teams, with their scintillating drives and spikes, ended the season with a 4—0 record. The sophomore and freshman teams showed great potentiality by finishing 2—2 and 1—1, respectively. Lindy became famous for its "thinking" volleyball players when the Honor Team attained second place in the L.I.G.A. championship play-offs.

*FIRST ROW:* J. McCormick, C. Freeburg. *SECOND ROW:* P. Wait, M. Gatto, C. Gow. *THIRD ROW:* P. Ryan, C. Smith, K. Wittmer, P. Quarm.

Left to right: M. Rendine, J. Rorech, E. Bodie, A. Wallace, K. Wittmer, G. Stark, A. Vinci, J. McCormick. *KNEELING*: Mildred Gatto, Captain.

## Girls' Basketball

Keep your eyes on the ball

No other girls' sport besides volleyball is received with so much avidity as basketball and this year was no exception. Undaunted by the limited facilities available at the high school, the feminine cagers, using the Bower school gymnasium, had one of the finest seasons ever. Never once did their spirit flag as they brought home victory after victory for Lindenhurst. In class team competition, the girls played such formidable teams as Bethpage and Amityville but not a single loss was recorded for this season. Meeting with equal success, the honor team triumphantly copped first place in the L.I.G.A. tournament.

# Badminton

Badminton, field hockey's indoor mate, is rapidly gaining popularity among the female athletes of Lindenhurst High School. One of the individual sports, badminton requires an excess of agility, speed, accuracy, and a unique sense of perceptiveness. With racquet in hand and shuttlecock soaring, the Lindy girls constantly practised their lobs, chives, smashes and drops in the high school gym, until they attained near perfection. Their unsurpassed ability and tenacious determination were the factors which attributed to a successful season. In seeded competition, which differs from team competition in that players are rated or seeded according to their ability, the Honor Team placed second in the L.I.G.A. tournament. They scored an overwhelming victory over Bethpage in the only class team competition.

Worthy opponents!

## Girls' Sports Review

Never before in Lindenhurst history has the girls' sports program met with such a victorious success as the 1959-1960 season. This tremendous achievement is due to the unexcelled intramural program, the Lindy girls' indomitable spirit and the never-tiring efforts of their coaches, Miss Larkin, Miss McAllister and Mrs. Meiers.

The badminton class team won their single match while the stick-wielding junior-senior and freshman-sophomore field hockey teams finished with a 1-1-0 and 0-2-0 record respectively. The volleyball season

saw the senior and junior teams record a 4-0 winning streak with the sophomore and freshman teams equally dividing their wins and losses. All four basketball class teams ended the season with a 2-0 record.

In the Long Island Girls' Association tournaments, the badminton, field hockey and volleyball honor teams each copped second place while the basketball honor team captured first place honors.

In the rousing Student-Faculty basketball game, the women's faculty won 31-26.

# UNDERCLASSMEN

*STANDING: Lita Rubin, Treasurer, Mr. Paseltiner, Miss Gianopoulos, Advisors, Kathleen Graffagnino, Secretary. SITTING: Robert Passanisi, President, Carol Forster, Vice-President.*

## Juniors

Under the auspices of Miss Gianopoulos and Mr. Paseltiner, the 1960 junior class increased its treasury with the promotion of two successful dances, the "Hi Fi Hop" and the "Junior Prom." Class funds were also secured through the sale of boosters, buttons, Christmas cards and school shakers.

# Sophomores

Having sponsored many successful dances during the year, among them the "Sophomore Class Dance," the "Basket Ball," "Teen Beat," and "Winter Wonderland," the class members, under the supervision of Mrs. Sherwood and Mr. Bruehl, were also the promoters of two successful candy sales, and the competent distributors of the school paper.

*STANDING:* Mr. Bruehl, Advisor, Carol Leonhardt, *Treasurer*, Lynn Konig, *Secretary*, John Hageman, *Vice President*, *SITTING:* Karole Neil, *President*, Mrs. Sherwood, *Advisor*.

*STANDING:* Lorraine Marubbio, *Treasurer*, Christine Wallace, *Vice President*, Mr. Burdgraf, *Advisor*. *SITTING:* Mrs. Goldstein, *Advisor*, William Maher, *President*, Sharon Burns, *Secretary*.

## Freshmen

Their financial status quo improved through a number of remunerative cake sales and a talent show, the class had many gala occasions throughout the year, most notably, the "Snow Hop" and the annual "Freshman Class Dance."
