BULLDOG 1962

Foreword

We, the staff of the "Bulldog of '62," proudly present to you the result of our work and enjoyment. We know that the years you have spent at Lindenhurst High will always have a special place in your hearts, and that you will use the knowledge gained here to your best advantage. We sincerely hope that in future years this yearbook, the record of your four years of high school, will increase in value, and will serve as the source of many happy remembrances.

Dedication

Change is an idea with which we are all quite familiar. It may consist of momentous discoveries in science, great political decisions, or more simply, change in the atmosphere of a high school.

Our school has seen much change during the last year. Among the most noticeable changes were the physical separation of the junior high from the senior high school; the creation of a new cafeteria and the expansion of both academic and social school life.

It is our sincere hope that this, the 1962 "Bulldog," will help remind you, in years to come, of the changes that have taken place in your school and in you yourself.

ADMINISTRATION

Dr. Charles Connolly
Superintendent of Schools

"As a result of the mutually co-operative efforts of the faculty, administration, and the Board of Education, many changes have taken place in our school. The most evident change, of course, is the construction of the new Junior High School, resulting in full-time sessions for all students. Because of this, a number of changes are now evident in the High School. The transformation of the shop areas into a kitchen has enabled us to have a cafeteria program for the first time. We have added to the number of available classrooms, made improvements in the gymnasium and auditorium, and extended the Senior High School Library. Another significant change is the new Industrial Arts Annex, which will provide facilities for our students enabling them to develop a superior background in industrial arts and in technical subjects.

Besides these physical changes, developments in the area of curriculum have also been made. Advanced courses are now being offered in Language, Science, Art, Social Studies and English. Also, more enrichment programs in the summer school program represent worthwhile trends. These changes are a tribute to all who have participated in their development."

Class Officers

When graduation day finally comes all we can say is, "Where did the time go?" The four years so filled with work and fun passed so rapidly it will reappear only as a pleasant memory.

This is the first plateau of educational achievement. The next four years and all the subsequent years will also pass rapidly, and memories will be the only lasting remains.

Mrs. Dorothy Sherwood and Mr. Vincent Buscareno

Class Advisors

After all is said and done, let us not forget the two people who were responsible for this year's Senior class. Mrs. Dorothy Sherwood and Mr. Vincent Buscareno helped guide, assist, direct and lead the seniors throughout the year. Much that the class has accomplished can be directly attributed to the advice and leadership of the 1962 Senior Class Advisors.

On goes Fred Dumaresq's make-up.

Arsenic and Old Lace

The roilingly funny comedy "Arsenic and Old Lace" by Joseph Kesselring was presented by the National Thespian Society on December first and second in the Lindenhurst High School auditorium.

The play, quite capably directed by Miss Nanette Ozias, involves the death of lonely old gentlemen assisted by the Brewster sisters and their very powerful elderberry wine.

Complications arise when Jonathan Brewster, the nephew of the sisters, and his accomplice Dr. Einstein decide to use the Brewster home as their hide-out.

Fine performances and smooth stage direction made this a night of fun and fond remembrances.

Bill "T.R." McGraw roars "CHARGE!"

The Brewster girls are at it again!

You won't feel a thing brother Mortimer.

It's curtains for Jonathan Brewster.

Jets Club

The Jets Club is devoted to the promotion of interest in science and engineering. This club has used student demonstrations and experiments, field trips, and lectures to further its all important goal in this the age of science.

Biology Club

One of the newly formed clubs in this school is the Biology club. It has accomplished its goal of promoting interest in the field of biology by presenting the subject not as dry class work but through informal discussions, group experiments and field trips. The amazing interest in this club by the student body is surely a mark of its success.

GIRLS P O R E V I E W S

School year 1961-1962 was another successful year for the girls' sports program at Lindenhurst. It has been a very successful year for our class, intra-mural, and honor teams due mainly to the active interest of the girls and the skilled guidance of the gym teachers.

1961-1962 brought with it a new method of selecting class teams. This was due mainly because of the opening of the new Junior High, leaving only grades 10-11-12 in the Senior High. Instead of four class teams, one representing each class, we have been placed into two divisions, Jay Vee and Varsity, and this has proven to work much more easily than the former method.

The Honor Team, as usual, is made up of girls chosen by their own teammates. Any girl is eligible to be elected into this team, which competes in games with

other schools, climaxing the year with a Sports Day.

The intra-mural season was started off with hockey, and though the turnout was not overwhelming, Lindenhurst spirit was strong at every meet. The season was not too successful, but without the earnest help of all the girls we could not have done even as well as we did.

Volleyball followed next in line with a large amount of girls coming out for it, proving that volleyball is still the most popular sport at Lindy. The class team efforts against the other schools was successful, and our honor team came in second in the Sports Day competition.

Our most successful season, however, was with the basketball intramurals. Through the assistance of the girls on the teams, Lindy was victorious in every game but one.

Sports

Review

Sports at Lindy "got off" to a fine start with our football season. Under the direction of Coach E. Butkus the Bulldogs compiled a 4 win 2 loss 1 tie record for the '62 gridiron season. Some of the outstanding stars of this season are: Bob Schroeder, named All Scholastic and All League; John Hagmann, Ronny Reese, and Mike McDonald voted All League players.

The mid-year brought on basketball, wrestling, and indoor track.

The wrestling team under the able direction of Coach McLoughlin, attained an overall record of 7—6. Lindy was well represented in the Suffolk and League tournaments by such outstanding "grapplers" as Amoroso, Ciolino, Jondreau, Lyman, Brzozinski and Company. Lindy's Basketball season proved to be an exciting one, with Lindy fighting till the last. The team's effort provided Lindy with a Fourth place standing in the League.

Coach C. Greenhut was very proud of his 1962 Cross Country runners. They compiled a very impressive 7—2

record in seasonal competition. They placed second in the League I Meet and again placed second in the County Meet. This year Lindy sent Captain C. Connolly, E. Quigley and J. Gomez to the State Meet.

The coming of the '62 Indoor Track season began with the first all Suffolk Meet at the Commack Arena. By the end of the season, the team had more lettermen than had been named in previous years. Although working against stiff competition, Coach C. Greenhut was pleased with the results of the team.

Coach B. Guazzo of the Baseball team, Coach W. Jubak of the Tennis team, and Coach E. Butkus of the golf team are all looking forward to a fine competitive year for Lindy.

Remember these games and scores? "Lindy outclasses West Babylon on the gridiron, 46—0. Lindy Hoopsters pinned a surprising 76—67 defeat on a stunned Huntington team. The Lindy grapplers defeated the Huntington Blue Devils 20—19. Lindy Harriers 18, North Babylon 58, Amityville 63, Bay Shore 105."

But, you're going the wrong way!!!

The juniors each year have the task of trying to create a feeling of school spirit. The magazine drive which was initiated last year was continued by this year's juniors with equal success. Under the leadership of its officers, S. Trow, T. Wiedman, B. Jardula, J. Clark and directed by its advisors, Mrs. S. Goldstein and Mr. T. Marchak the juniors again sold and distributed copies of the New York Times and the Herald Tribune to the teachers and students. The '62 juniors had the delicious task of again providing for the distribution of candy. The Junior Prom was held on Tuesday, May 29.

The Sophomore class each year has the enviable tasks of providing for the color and display at the various Lindy Sports activities. The sophomores sell the pennants, pins, shakers to add to the enthusiasm and joy at the Lindy sports spectacles. It is the spirit of this class to provide for the momentum of Lindenhurst High School.

I saw it first.

ALMA MATER

Hail to L.H.S., our dear school,
Hail the never ending rule.
May we all be loyal, steadfast, and true,
For old Lindy will lead us through.
Rah! Rah!
And after the four years of work
In which we have learned not to shirk,
As alumni we'll carry on
Her banner "Say never die,"
And echo her name o'er the world.
We all will shout for Lindy upright and true,
And for her green and white we'll fight tho we're few;
As for her standards we will all try to raise them,
Boast of them, praise them from every view.
We'll boost her team tho they be far from the goal,
And we'll support her pennant on every pole.
We'll do our best to stand the test,
Dear alma mater Lindy High!
