Foreword

“He who bends to himself a Joy
Doth the winged life destroy
But he who kisses the Joy as it flies
Lives in Eternity’s sunrise.”

William Blake

“Of a truth, men are mystically
united; a mysterious bond of
brotherhood makes all men one.”

Thomas Carlyle

Dedication

All men are one. The bond of brotherhood is an unseen chain linking man to man, country to country, hemisphere to hemisphere. This chain is truth, and its strength will endure even man's war against himself.

Every day man is faced with the problem of acknowledging the fact that he is his brother's keeper. His failure to accept this responsibility has been rationalized into “the practical, the sensible thing to do.” This failure must be recognized for what it is—a ruthless neglect of a basic duty—the sin of omission.

The simple act of caring is the first link in the chain of brotherhood. The second is the courage to become involved. Once we have learned that the easy, the sensible way is not always right, the chain will no longer be unseen. It will visibly link each man to his brother and the spirit of brotherhood will replace man's war against himself.

Principal's Message

I speak to all of our students, and especially to our seniors, when I refer to your years of formal education and what is expected of them. It is true that you are expected to develop the art of communication by learning to write, speak, read and listen, but what you do with these skills is the all important thing.

You must use these skills to relate in a positive way to your fellow man. In this atomic age we have made great strides in unfolding and revealing the secrets of nature, but we have not taken the time to seriously consider what this means to the people of this planet.

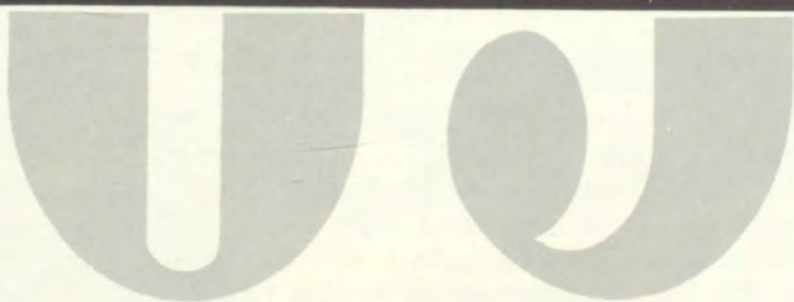

The relationships of man to man, community to community, and nation to nation have grown to be a problem of awesome magnitude. If the chain linking man to man, country to country and hemisphere to hemisphere indeed be Truth, then your efforts must be expended in a search for truth that is never ending.

The truths you are able to discover and verify must be communicated one to another so that all men may be free to search for truth and so that for all time war may be made unnecessary as a way of life.

Through this search for, and discovery of, truth and through our acceptance of the universal brotherhood of man and by our strengthened ability to communicate one with another we can and will escape the final Armageddon that is the inevitable result of our failure to do these things.

Senior Class

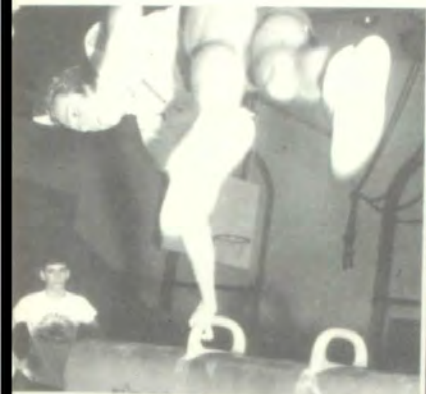

Our Senior year has proven to be a busy and a productive time for all members of the class of '65. We have proudly worn our class pins and senior buttons, and we have weathered the wind and cold as we sold refreshments at the athletic events. With mixed emotions we have prepared for graduation and exchanged senior pictures with our classmates.

Now as the end of the year approaches we prepare for our Senior Prom at Monaco Surf Club and for graduation. We draw our high school years to a close and prepare to face tomorrow's world. We can look back at our years at Lindy and be justly proud of the contributions our class has made to its growth and achievements. We can also be pleased with that which Lindy has given us — the opportunity to be able to successfully perform our duties in life.

Foreign Exchange

1965 marked the arrival of Lindenhurst's first exchange students. Wilfredo Bernabe and Cicero Augusto Figuierdo Silva, known to us as Willy and Tito, came to Lindenhurst in August of 1964 until after graduation.

Our pleasure at having the two boys with us was dimmed only by the realization that they would be leaving in June, Willy for his native Phillipines and Tito for Brazil.

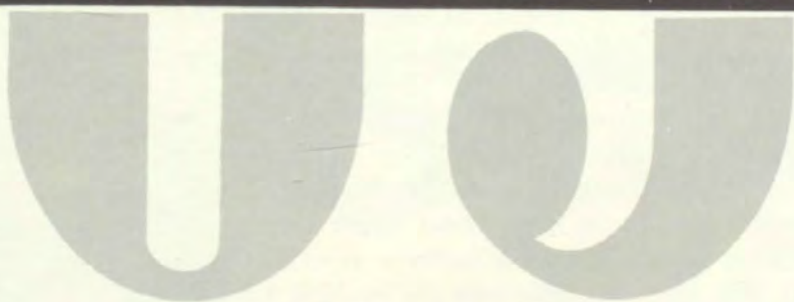

The experience of living and attending school with foreign students for a year was a rewarding one for us all. Both Willy and Tito were extremely helpful in satisfying our curiosities about their native customs, as well as participating in many school activities and clubs.

None of us will ever forget Willy or Tito and we hope that their year at Lindenhurst has been one that they will remember for many years.

Student Council

The Student Council is the high school's government organization. It is the main coordinating body between the students and the faculty. It supervises any club activities and promotes friendly and harmonious relations throughout the school.

One of the projects taken on by the Student Council this year was the sponsoring of our foreign exchange students. The students held an outdoor dance, had a car wash, participated in a Brotherhood Bond Drive, and conducted the Wins-Faculty basketball game all to raise money.

The Student Council was responsible for the sale of S.C. cards, this year, with a new addition — reductions in local stores.

As a member in the United Schools of Western Suffolk our S.C. took an active part in an inter-school dance held in Amityville, conducted an exchange of six students with Bayshore for one school day. The S.C. also organized the exciting school spirit week when the Middies came to Lindy.

These are just a few ways in which our Student Council has taken an active part in school and community affairs.

National Honor Society

One of the highest honors that can be bestowed upon any student at our school is membership in the Lindenhurst Chapter of the National Honor Society.

Election is based on four attributes: Leadership, Scholarship, Character and Service. Only juniors and seniors with at least an eighty-five average are eligible for membership. Two inductions are held each year and at graduation, members receive the Honor Society seal on their diplomas.

The society has such duties as maintaining the Honor Roll, ushering at graduation, and tutoring other students.

The purpose of the French Club is to foster a deeper understanding and insight of French culture. The primary purpose of language study is to learn the culture of a nation in order that one might increase in one's understanding and appreciation of the country. In order to accomplish these goals, the French Club has initiated several activities. Slides are shown; the field trip to the Metropolitan Museum of Art will encompass one day's study of French art. The Spanish Club of the Lindenhurst High School was formed to stimulate an interest in the culture and customs of the Spanish speaking world. It gives to those students who are interested an opportunity to work toward similar goals, and to aid in the planning of worth-while functions.

During this past school year, the Spanish Club has sponsored a cake sale, the profits of which went

toward the adoption of a needy family for the Christmas season. A dance was also held by the members of the club.

Each year the members of the club go on a cultural field trip to New York City. The trip this year is planned for the Spring. The members are all anxiously awaiting it.

L'Atelier is a magazine produced by the art students and dedicated to the exploration of horizons and new dimensions in the arts. The magazine, whose name means "studio" in French, is published annually.

We at L'Atelier are ever seeking the why and wherefore of current art, attempting to keep up with the fast, ever-changing pace it keeps. We try to discover what makes art as it is, as we must in order to develop a fuller understanding of that which we study.

This organization meets monthly during which pamphlets are distributed and occasionally a film is shown. These materials are all provided by the National Education Association.

The Broadcast

The Broadcast Newspaper prints the latest information to Lindenhurst High School students, and also publishes feature stories that are designed to instruct, amuse, and inform. The news articles acquaint students of what is going on in the school. The special features and editorials are often educational and meant to entertain, apprising readers what people do and what they think, expressing the opinions of its editors, and informing how certain political or club events effect the average student.

The Broadcast is composed of three main departments: editorial, printing, and circulation. The editorial department handles all stories, including pictures, and all printed material. The editorial division is composed of reporters who go out and get stories, copyreaders who correct the stories and rewrite them in correct form, and editors and a layout staff who decide what stories are important and how the articles should be organized in the paper. The newspaper is then sent to the Industrial Arts Annex to be printed. The circulation department delivers the printed newspaper to homerooms and sells them during the lunch hours.

 Secretary — Linda Silcox
 Advisor — Mr. N. Baldo

The Art Service Club provides posters and advertisements for any persons or organization at school. The club has the sole responsibility of decorating and regulating all bulletin boards. The main purpose of this organization is to show the art students how to work in a situation similar to that of an advertising agency, learning to work in cooperative groups under a director, with time, cost, and attractive displays being the controlling elements in their work.

History Seminar

Mr. J. Bilello and Mr. V. Buscareno.

HENRY MICHEL HISTORY SEMINAR

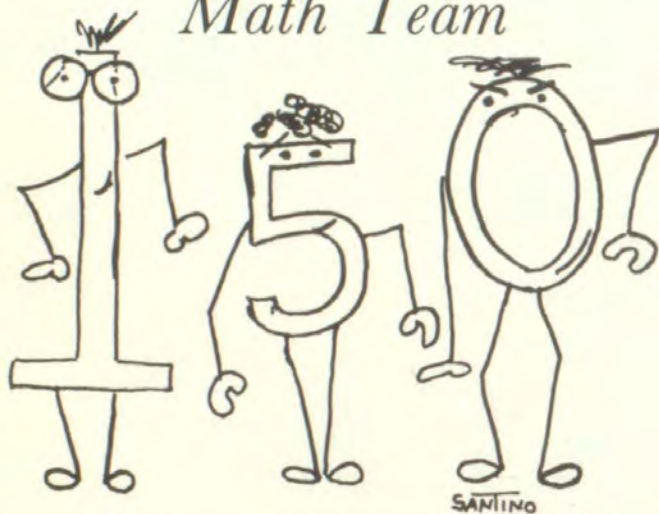

Under the excellent leadership of Mr. Bilello and Mr. Buscareno, this organization devotes itself to discussing the problems faced by our nation and the world in the past and in the present. Lindy students may come to a meeting of this group whenever they are interested in the topics under discussion.

During the year the seminar has had several delegates from foreign countries come to our school

and speak about their homelands to the student body at a specially designated assemblies. We have so far had speakers from Israel, Sweden, and Holland, who have presented enlightening insights into the problems and attitudes of these nations.

We hope that Henry Michel History Seminar will continue to be a source of vital information to our school concerning our greatest problem — world affairs.

The Math Team under the capable direction of Mr. Gallo and Mr. Amodemo and the leadership of the co-captains, Kenneth Blanchard and Joseph Ponzi participated in five math meets. In there meets Lindenhurst competed with four other schools; Babylon, North Babylon, West Babylon and Amityville. The main purpose of the Math Team is to provide mathematic competition for the outstanding mathematic students of the school and to encourage the study of mathematics outside the classroom, since many of the contest problems are based on principles not studied in class. The competitions also provide practical experience in doing original problems in a restricted period of time and thus increase the members' ability to take College Boards and scholarship tests with some measure of confidence.

Now they present to you, the class of 1965, the finished product.

This year the Boys' Leaders Club, under the direction of Mr. Buzzerio, its founder, began its first full school year of operation. At the beginning of the year the club sponsored a successful dance with over 300 people in attendance and also sold over \$300 of "Bulldog" license plates for the athletic dinners. This year the Leaders hope to begin a tradition of an annual get together in the late spring.

The new crop of sophomores and juniors who have been inducted are an enthusiastic group and indicate that the high level of quality and leadership will be maintained.

JUNIOR CLASS OFFICERS

SEATED: Bill Scott, Vice-President; Carolyn Amorose, Treasurer; Bob Meguin, President. ADVISORS: Mr. Delia, Miss Dunn.

Junior Class

The Junior class had a very profitable year. The magazine drive and candy sale gave the class a huge profit of about \$5,000.

The class held many dances during the year, the biggest being the Sweetheart Dance on February 13. The Junior Prom was held on May 14th at the Narragansett Inn.

New York newspapers, the Times and Tribune, are distributed to the students by the members of the class.

Sophomore Class

The Sophomore Class each year has the task of providing for the color and display at the various Lindy sports activities. The sophomores sold the pennants, shakers, hats and pins to add to the enthusiasm at the sports spectacles. They also held a very successful fruit cake sale at Thanksgiving and had charge of one of the biggest events of the year. The Donkey Basketball Game. It is the spirit of this class to provide for the momentum of Lindenhurst High School.

Lindy High.

Assemblies, dances, classroom activities, school communications and sports programs are controlled by this squad. Any club or faculty member is assured of audio-visual assistance upon request, thanks to the Lindy High Service Club.

Debate Club

SPEECH & DEBATE CLUB

Public speaking and debating underwent a "Renaissance" this year at Lindenhurst. Under the direction of faculty advisors, Mr. Gray and Mr. Russo, they have once again emerged as major activities.

Pursuing the national topic, "Resolved: that nuclear weapons be controlled by an international organization," the debaters plied their art against Suffolk high schools and journeyed as far as Columbia University in quest of forensical laurels.

A consistent record of high performance was turned in by seniors Douglas Murray and William Debulis, club president. Excellent records were also es-

tablished by seniors Mike Herman and Joseph Ponzi, while Gary Matson and Anthony Alessi showed excellent potential.

Sophomores of promise included Gloria Towle, Joanne DiFrisco, Kevin Brosnahan, William Maffia, and Carolyn Summo.

The club strove to provide assembly programs of interest in both debate and public speaking. A notable success in oratory was the result of Anthony Alessi's first round success in the American Legion Contest in January.

All signs point toward continued progress in this resurgent activity.

Varsity Football

Lindenhurst started out this season a little slowly, tying our first game with Brentwood. The Bulldogs came on strong in our second game, however, crushing North Babylon by a score of 33-0. Lindy was also victorious in three of her remaining five games, winning over West Islip, Port Jefferson, and Whitman.

Individual players broke or tied several previous one-game records. Dick Lynch and Si Williams tied both the former records in touchdowns and points,

with 3 and 18, respectively. Charlie Wilt broke the previous record in rushing, with 135 yards, as well as tying the kickoff return with 40 yards. Mike Greenwich tied our passing record with 167 yards, and set a new one in punt, 65 yards. Stef Smigiel also set a new record with three interceptions.

All in all, our boys did very well this year, both as individuals and as a team.

The highlight of the entire season came in the game against previously undefeated West Islip. With two minutes remaining in the game, West Islip was

leading 13-12. Bob Cellura threw a short "Flea-Flicker" pass to Mario Vilardi who lateraled to Joe Almo who scampered 70 yards into pay-dirt for the game-winning touchdown.

Probably the best-played game of the year was played against Port Jefferson, when the Green & White trounced the "Jeffs" 34-7.

We wound up the season in a blaze of glory handing Northport a 25-7 set-back.

Most valuable lineman this year was Tim Moxim and the Most Valuable Backfield man was Ray Bartlett.

Soccer in its initial season gave me a very positive outlook as to its future in the Lindenhurst sports program. Next year competing on the varsity level for the first time I feel we will find the going rough, but as the season develops, I look toward brighter and positive results.

In the breakdown of positions, I feel we are secure at seven positions with men who have progressed and established themselves as good, hard playing soccer players. I feel with an increased turnout next year that the weak position will be filled and with the future development of present personnel there might be re-arranging of positioning.

Outstanding players:

- Joe Saverse
- Steve Eastman
- Tom Coiro
- Bill Fitzsimmons
- Tom De Michele

Next year we will field a Varsity, Junior Varsity, and Freshman Squad.

Co-captains Dick Lynch and Stef Smigiel led the Team's attack this year. Although the Bulldogs didn't take another League championship, they proved to be one of the better clubs in the league.

Highlights of the year were Dick Lynch's scoring and rebounding and the team scoring 101 points against Brentwood.

Coach Lee Paseltiner finished the season above the 500 mark and made this year's team another successful one.

N.Y. STATE CHAMPIONSHIP QUALIFIERS

Dan Fazio and Joe Coords.

The iron men of the Lindenhurst High School Cross Country team fought their way to the seventh consecutive winning season under the tutelage of Coach Greenhut. Led by Captain Joe Coords, the thin clads won five out of seven dual meets, took third in the League championship run, and garnered second place honors in the County championship.

The 1964 squad was a team still improving at the finish of the season, stymied only by Port Jeff's exceptionally large and talented team which made a powerful bid for the state championship. Great performances by Captain Coords and 1965 Captain-elect Dan Fazio earned them berths on the Section XI all-star team which competed upstate.

Seniors Paul Dufficy and Mike Murphy also contributed greatly to the team's success with top-flight performances.

Gymnastics

The Lindenhurst High School Varsity Gymnastics team finished this years competition with an even .500 season, showing considerable improvement over the past year.

John Reilly, co-captain and outstanding ring man, and Chuck Rogovitz, who did a fine job on the parallel bars this year, graduate along with Gary Christoffersen, Sonny Woodward, and Dan Sweit, all of whose services will be missed. However, with such promising frosh, sophomore and junior lettermen returning next year, the gymnastics team should be stronger than ever.

Outstanding performer of this years team was Mike Anobile, junior co-captain of the squad who amassed a total of 154 points out of a possible 180 points in ten meets. Other fine individual efforts were put forth by Ron Buchter, a junior, and Neil Loy, a sophomore.

Congratulations go out to all the team members for giving of their time and efforts to build up the sport of gymnastics here in Lindenhurst.

1964-'65 BOWLING

Lindenhurst wound up this season with an impressive 28 to 14 league play record and the Section XI Championship.

The Bulldogs established several records. Mike Herman, the only senior, set a new high game of 276. The team set two records against Walt Whitman, a high game of 1001 and a high series of 2808.

The highlight of the year was defeating North Babylon (previously undefeated in 40 matches over three years) once in league play and again in the finals to capture the County Championship.

Jay Vee Baseball

At press time, the baseball season had not yet gotten underway. This year's J.V. team had forty candidates signed up, all being sophomores. Coach Legasse said that the outlook is excellent for this year's team, their Frosh record was eleven wins and one loss. Leading prospects for the 1965 J.V. team are Al Andria, Mike Cannobbio, Tom Clark, Vito Ferraro, Doug Heil, Ron Lantz, Bill Peterson, Mario Vilardi and Rickie Wilt.

Jay Vee Cheerleaders

This year both the Varsity and Jayvee Cheerleaders have led our football and basketball teams to outstanding seasons of success. Under the direction of Miss Larkin these girls have braved rain, subzero temperatures and even crowdless stands. Many of them have come to school hoarse from all the enthusiasm of their yells and cheers. Certainly, these girls deserve the thanks of the entire student body.

Volleyball

Volleyball is the most popular team sport for girls here at Lindenhurst. The intramurals hit an all time high with forty-four teams participating. During the season the team played a series of twenty-three matches, winning thirteen of them.

Sportsday found the team tied for first place but losing the play-off to West Islip. Patricia Gentz was voted most valuable player because of her controlled serve and excellent timed spikes and blocks.

FIRST ROW: C. Mathison, A. DiFrisco, B. Gross, M. Koch, L. Landt. *SECOND ROW:* N. McGlynn, P. Gentz, A. Todd, J. Leahy, K. Todd.

Basketball

The Girls Varsity basketball team played five games during the year. Though they were not always successful they worked to the best of their ability. They placed third at the sports day held at the Babylon High School winning three out of five games. Nancy McGlynn their high scorer was chosen Most Valuable Player.

FIRST ROW: N. McGlynn, P. Gentz, A. Todd, J. Leahy, B. Marek. *SECOND ROW:* B. Gross, N. Schneider, A. Hirsch, M. Adams, S. Cotton, A. DiFrisco.

Field Hockey Honor Team

Field hockey is perhaps the most difficult team sport for girls and women. It combines endurance and running ability with controlled stick work. Originating in Ireland, where the game is called Hurky, field hockey is played by men in most foreign countries but here in the U.S.A. it is reserved mostly for the ladies.

During the year, the team has won three games, tied five, and lost two. At the Sportsday in North Babylon, Nancy McGlynn was voted most valuable player. She was moved from an inner position to halfback for Sportsday and did a magnificent job on defense.

FIRST ROW: N. McGlynn, A. DiFrisco, R. Senatore, A. Hirsch, S. Cotton, B. Leonardi. *SECOND ROW:* C. Mathison, R. Montalbano, J. Leahy, C. Kissmer, G. Torns, P. Gentz, M. Adams, S. Kreshak.

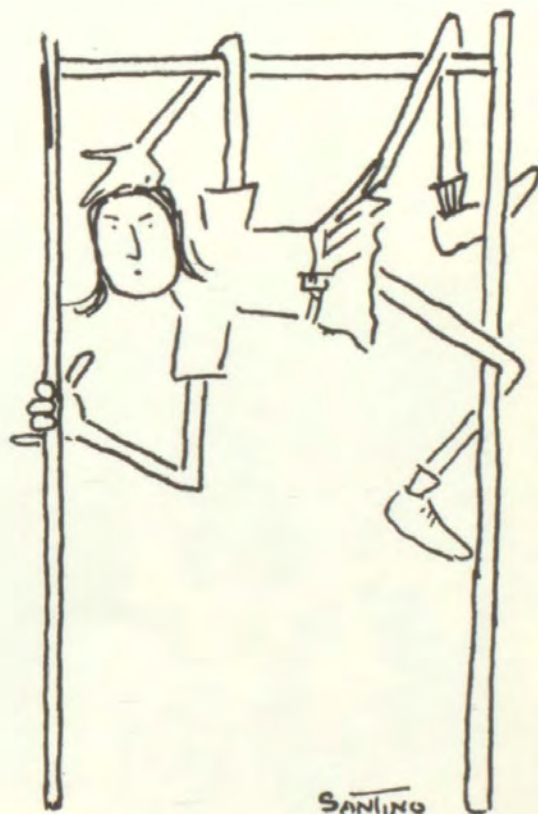

FIRST ROW: J. Armo, A. DiFrisco, S. Cotton, M. Adams, R. Senatore. *SECOND ROW:* M. Dougherty, M. Koch, V. Hepburn, S. Kreshak, A. Hirsch. *THIRD ROW:* N. McGlynn, B. Meichner, P. Gentz, A. Todd, B. Marek, L. Bruno.

Gymnastics

Gymnastics, a relatively new girls sport in Lindenhurst, is rapidly becoming one of the most popular activities in the school.

In order to prepare the girls who compete interscholastically for a more successful season, a gymnastic club was formed. The group met every Tuesday evening from 6 to 8 o'clock. Even occasional bruises and pulled muscles did not diminish the spirit and determination of the girls.

FIRST ROW: L. Reuden, P. Welch, C. Eagan, L. Rockwell, D. Hegel, L. Landt, A. Pade. *SECOND ROW:* K. Henrich, H. Justice, J. Sasso, M. Sargentini, C. Jay, B. Herget, T. Ni-

colazzi. *THIRD ROW:* B. Windhorst, S. Weber, J. Niblock, M. O'Flaherty, M. Pitkin, M. Braun, J. Werner, D. Calcerano, C. Thier, C. Atello.

Bowling Team

This is the second year in which the girls Intramural Bowling Teams are conducted as a regulation bowling league with handicaps etc. Bowlers are beginners or advanced but whatever their abilities, all

seem to find this sport most enjoyable. And as in most leagues, trophies are given to each individual on the first place team courtesy of Werners Bowling Alley.

FIRST ROW: B. Marek, C. Gianpa, V. Hepburn. *SECOND ROW:* L. Battley, E. Blankenhorn, L. McAllister, E. Miller.

Tennis

The girls tennis team had a very successful season this year, defeating Copague, Smithtown, and North Babylon. In all these matches Melody Koch and Linda Bartley represented Lindy in singles competition. Leslie Kohlmann, Eleanor Miller, Barbara Marek and Elaine Blankenhorn represented Lindy in double competition.

GOLD KEY WINNERS

Gold keys are awarded girls who have obtained six hundred Suffolk County Girls Athletic Association points. A certain amount of points is allotted for each phase of a sport: intramurals, interscholastic games, class teams, honor teams, officiating and managing. As each girl may only receive credit for four sports a year, these ten girls have certainly shown outstanding sports activity.

In Memoriam

To Starr Hacker

In memory of seven years for Lindenhurst and the students of Lindenhurst —

“For as this appalling ocean surrounds the verdant land, so in the soul of man there lies one insular Tahiti full of peace and joy, but encompassed by all the horrors of the half known life. God keep thee!”

Moby Dick
