# F o r e w o r d

These are the young years, the fruitful years when time means only the day after tomorrow. These are the years of wistful-eyed beings with tender dreams, but youth is brutal as well as tender, and youth is reality as well as a dream.

A flower blooms and fades and blows away—and blooms again, according to the season; and in like manner youth exists from spring to spring, for to everything there is a time.

# Dedication

Five, ten, twenty years from today . . . where will we be? No longer a class bound together by the joys and sorrows of the present, the hopes and anxieties of the future, our paths will have diverged in many directions. They will lead for some of us, for most of us, to success and happiness, a home and family of our own. As responsible citizens of a democratic society, we will do our part to guard the sacred liberty which our forefathers so generously left for us. We will bravely attempt to make our generation prosperous and fruitful, leaving in turn, a worthwhile heritage for our prosperity.

Some of our young graduates will do even more for the benefit of mankind; they will enter the armed forces, and perhaps sacrifice their very lives to make the entire world a better one . . . a world with freedom reigning throughout; a world where men need never resort to fighting and bloodshed to settle their differences. It is to this ideal, shared by the graduates of the Class of 1967, that we dedicate this yearbook . . . may our hope for universal peace soon become a reality.

# ADMINISTRATION & FACULTY

The one exclusive proof of a thorough knowledge of any subject is the ability to teach it. But the quality of a teacher's efforts is assessed in terms of those he has taught. We hope that we shall be worthy representatives of our teachers' valuable endeavors.

Dr. John R. Fitzsimmons

## Superintendent of Schools

Dr. Fitzsimmons, Superintendent of the Lindenhurst Public Schools, has led the admirable progress of our school system for several years. His sincere interest in the student body, along with his excellent executive ability, have helped to make Lindenhurst the "home of good schools."

TO THE CLASS OF 1967:

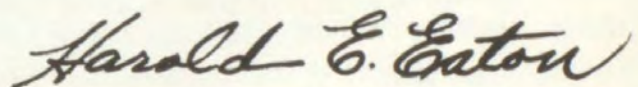

You have completed your high school education at a time when the importance of scholastic excellence has been paramount.

Although you have received an excellent education, you must realize your education has just begun and that you must continue to strive for excellence as you have done in the past.

We, who have been your teachers, have done our best to encourage you not only to strive for excellence in the disciplines you have studied but to strive for excellence in all things.

It is our hope that you have learned these lessons from our teaching and our example, for if you have, your future and the future of our society is certain to be successful.

May the years bring you happiness, a measure of material wealth and the appreciation for all that is right and good.

Assistant Principals—

Working diligently with Dr. Eaton, the assistant principals of the Lindenhurst High School have combined their efforts to solve the many problems of administrative and student behavior. As a result of their efforts and accomplishments, they have earned the respect and admiration of the student body.

Harvey Rattner

We were all saddened in January at the sudden passing of Dr. Brender.

We knew Dr. Brender as a dedicated teacher and friend. A man who devoted his life to education, he had a keen understanding of life and a deep feeling for the worth of the individual.

His life was one of accomplishments. He earned his doctorate at the Inter-American University in Soltilla, Mexico. He studied for some time in Mexico and became quite fluent in Spanish. Before coming to Lindenhurst, Dr. Brender was a Professor of Languages at Long Island University, and also a teacher at Yeshiva University.

Dr. Brender began his association with Lindenhurst High School nine years ago. Though technically an instructor of Spanish and English, Dr. Brender also gave his students an insight into the comic side of life with his keen sense of humor, especially the witty puns which the faculty labeled "Brenderisms."

He was a man concerned with the problems of humanity and constantly striving to do his part in solving them. Grateful for the opportunity of having been exposed to his wisdom and his humor, we wish to express our condolences to Dr. Brender's wife and children.

May you have a  
long and happy life  
in retirement

Milton A. Sauer

This January marked the retirement of Milton A. Sauer after almost 30 years of service to the Lindenhurst Public Schools. Mr. Sauer began his career at Lindenhurst High School as what was then termed a utility teacher. Because of his past experience with Latin, he became head of the Latin program in 1939. He also taught German and Spanish until the 1950's. At this time he received his certification in guidance and served as a guidance instructor for one year. Following this assignment, he received an appointment as Guidance Testing Specialist for the entire district. He then went into the field of attendance, where he worked until the time of his retirement.

In addition to his several educational talents, Mr. Sauer has long enjoyed the reputation as a superb bridge and tennis player. His prowess in tennis is well-known throughout the school district since he conducts the summer tennis tournaments.

It is therefore with regret that we note Mr. Sauer's retirement. And yet, to quote another esteemed Lindenhurst educator, Dr. Edward W. Bower, former Supervisor of Schools, "I hope, health permitting, he will have many pleasant and happy years in his retirement."

On behalf of the entire school personnel, we, the staff of BULLDOG '67, heartily join with Dr. Bower in expressing good wishes to Milton A. Sauer.

# SENIORS

The days of preparation have come to an end. They have been joyous and sorrowful, satisfying and discouraging; all of them contributing to our social and intellectual development. They have prepared us for the world outside these halls through which we have tread for the past three years.

Now as the sun sets on our careers as students of Lindenhurst High School, we look to the dawn of tomorrow with hope, for we will faithfully fulfill the promise of our nation's heritage in the years to come.

*To the "God"  
I hope you have a  
very happy retirement  
will always miss you  
I hope you have a  
very happy retirement  
I hope you have a  
very happy retirement  
I hope you have a  
very happy retirement*

# In Memoriam

Death, be not proud, though some have called thee  
Mighty and dreadful, for thou art not so;  
For those whom thou think'st thou dost overthrow  
Die not, poor Death; nor yet canst thou kill me.  
From rest and sleep, which but thy picture be,  
Much pleasure; then from thee much more must flow;  
And soonest our best men with thee do go—  
Rest of their bones and souls' delivery!  
Thou'rt slave to fate, chance, kings, and desperate men,  
And dost with poison, war, and sickness dwell;  
And poppy or charms can make us sleep as well  
And better than thy stroke. Why swell'st thou then?  
One short sleep past, we wake eternally,  
And Death shall be no more: Death, thou shalt die!

## Student Council

The Student Council is the governing body in which students may work together with the faculty to correlate the many activities of our school. Each homeroom sends an elected representative and alternate to the meetings which are held bi-monthly. It is then the representative's duty to inform his homeroom concerning occurrences at each meeting.

This year the Council has initiated a new booklet system. Instead of a single S.C. card, booklets containing many numbered tickets were sold to the students at the beginning of the year. Each ticket represents a certain activity, and when the student attends that activity availing himself of the reduction in price, the ticket is removed.

The Student Council is a workable organization which aids various clubs and groups in planning and financing their trips, dances, and other activities. The Student Council meetings give each member of the student body an opportunity to express his ideas on school policies, and to contribute actively to the betterment of our school.

Membership in the National Honor Society is one of the highest honors that can be bestowed upon any student at our school.

Acceptance depends upon the four attributes of leadership, scholarship, character, and service. Only juniors and seniors with at least an 85% average are considered eligible for membership. Inductions are held twice each year, and at graduation, members receive the Honor Society Seal on their diplomas.

# Thespians

1966-67 was a very active year in dramatics at LHS. In early November, the Thespians presented three well-received performances of Moliere's classic farce, *The Miser*. In early March, four adaptations of major authors were presented: Browning's "My Last Duchess," Edgar Lee Masters' "Spoon River," and "A Tale of Chelm" and "Bontsche Schweig" by Perutz. The Thespians were participants in the Hofstra Shakespeare festival with a scene from *Henry VIII* as well as the Adelphi Poetry Reading Contest. For the May Arts Festival, the Thespians presented a version of the 16th century comedy *Ralph Roister Doister* in Tudor costume on the grounds of the Junior High School.

The week of February 13th saw frenzied electioneering on the part of the two parties struggling for the support of the student body in the 35th annual Youth Week Festivities. The Jerry Beaners, led by Mayoral candidate Jerry Maduca, won a close victory over the Sunburns and their mayoral candidate, Mike Burns. They won on a campaign calling for a stu-

# Day of International Understanding

The purpose of the Day of International Understanding is to make us aware of our international heritage, and to be cognizant of the ever-increasing contacts that make for an interdependent world.

On March 10, 1967, Lindy High was visited by thirteen foreign exchange students from Sweden, Australia, Denmark, Argentina, Ecuador, Chile, and Mexico. They were housed and entertained by high school students and community leaders. Their entertainment included a dinner by the Rotary Club, a school assembly and dance, the My Fair Lady Dance, and a roller skating party.

Both the Lindenhurst students and the foreign exchange students benefited from their visits, and it is hoped the program will continue in the future.

# SPORTS

Sports takes on a broader aspect than merely winning games or cheering the team. It has a deeper and more significant importance to the spirit and life of a school. Qualities of sportsmanship, determination, loyalty, and initiative evolve from sports that are building factors of strong character and sound conviction.

This was a very good year for Lindy Football considering we had the lightest team in the league. Our only weakness was in the scoring column where we seemed to lack offensive punch. Several boys who should be on the All League, All Star Team are Doug Heil, Tim Moxim, Cliff Mallery, and Mario Vilardi, just to mention a few senior merit positions. For the first time in several years, seven juniors played on the defensive team. They did an outstanding job, giving up only 32 points in 6 games. We wish the seniors "Touchdowns" in all their future endeavors.

The Lindenhurst Gymnastics Team finished its season with a record of 11 wins and 2 losses.

Lindy's most outstanding performers were Captain Neil Loy, Co-captain Bob Buchter, Bud Nicolazzi, Doug Radziesky, and Joe Forigione. Lindy had three boys who placed in the Section Championship, and then went on to compete in the State Championship in Buffalo. They were Neil Loy, Bud Nicolazzi, and Doug Radziesky.

Lindy is going to lose three of her best performers when Seniors Neil Loy, Bud Nicolazzi, and Bob Buchter graduate this June. But even though Lindy will miss these boys, she still will have a strong team for next season.

In our second year of Varsity Competition, the Lindy Booters climbed from the bottom of the league into a first division finish.

Highlights of the season were Tim Shelton's goal with two seconds remaining in the Wyandanch game, and goalie Bill Cullen registering three consecutive shutouts against Whitman, Commack, and West Islip.

High Scorers for this year's team were Joe

Savarese and Tom DeMichele. The defense was led by Cullen in the nets, and Andy Yturasppe and Al Averbeck as fullbacks.

In all star balloting, Joe Savarese and Lou Faber were named to the League I first team at the halfback position. Bill Cullen was named as the second team goalie. The "most valuable player" as selected by his teammates was Joe Savarese.

# ADVERTISEMENTS

We wish to acknowledge our gratitude to the many people who have helped us to finance the '67 BULLDOG. We especially wish to thank the merchants and civic groups who have bought ads and boosters from us, and the students who have patronized their stores and businesses. As a result, it was possible to have color in the yearbook.

# You don't have to look for Security on Long Island.

SECURITY NATIONAL

That's one of the best things about living in Nassau or Suffolk counties — there's always a Security National office near you. Where you're treated like a neighbor, not a number. And prompt, professional, personal attention is paid to all your banking needs. For low loan rates, maximum interest rate on your savings, high yield Savings Bonds, a convenient checking account and all the other banking and trust services only a full service bank can give, stop by any one of the more than 40 Security National offices throughout Long Island today.

### THE END . . .

not only of this annual, but also of this building as the location of the Senior High. It is a sad thought but a sign of our times, a sign of progress.

The Class of 1967 is the 31st graduating class to leave this building and we are sure that all of us who have studied and graduated from this building will remember it always.
