Foreword

The older we grow, the better we know
That friendship's the thing worth while.
That nothing so cheers
Or drives away fears,
As a faithful friend's warm smile.

For pleasure will fade, and money will fade
And we become bent and gray.
But still all along
Our friendship's old song
Grows dearer day by day.

And down through the years, 'mid laughter
and tears,
We think of our friends more and more.
As often we've done,
So now, one by one,
We count them o'er and o'er.

Victor E. Beck, "Friendship"
lines 1-15, printed by permission of

Mrs. Easton, in 1917

To Etta L. Easton . . . we dedicate the 1968 Bulldog

The year '67-'68 brings to a close a distinguished career of devoted service in teaching and guiding the youth of Lindenhurst, as Mrs. Etta L. Easton announces her retirement.

Born in Binghamton, New York, Mrs. Easton and her twin sister, Effa, after attending Central High School, graduated from Cortland State Teachers Institute. They began teaching careers in Lindenhurst in the year 1914. Mrs. Easton taught Grades 6, 7, and 8 and later high school mathematics, while her sister taught business and economics classes.

Mrs. Easton continued to teach until 1919, then retired to raise her family, and returned to Lindenhurst ten years later. In 1939, Mrs. Easton was appointed Supervisor of the Junior High School; and in 1954, she became Assistant Principal of the Junior-Senior High School.

Mrs. Easton has been an active member of the Babylon Travelers Club and the Babylon Oratorio Group. She studied vocal music and sang for many years with the Babylon Methodist Church Choir. She enjoys reading mysteries, listening to music, and gardening, but admits that she dislikes weeding.

Throughout her forty-three years in education, Mrs. Easton has exhibited the mental and physical stamina, moral courage, and an ability to instruct and supervise which have brought to her the love and respect of all who have known her.

We of the BULLDOG staff at this time wish for her many years of health, happiness, and a lighthearted retirement.

Mrs. Easton, today.

One hundred and five years of personal devotion to the students of Lindenhurst High School came to a close this past summer when four of our most beloved teachers, Zita Cadwallader, Henry Michel, Louise Samsel, and Marielle Woodward, retired. Their careers embodied all the qualities that go into making teaching a profession and not just a job.

Miss Louise Samsel taught at Lindenhurst for thirty-four years. She attended Hartwick College where she received her Bachelor of Arts degree. Although assigned to the English department, she was also unofficially known as Dean of Girls before the formation of the Guidance Department, and did much work in the guidance field.

Louise Samsel

Miss Samsel taught English at all levels—9th through 12th grades. She emphasized creative writing and dramatics, and later became head of the English department as a result of her outstanding teaching ability. Miss Samsel also aided the various student organizations in several capacities. She served as class advisor, drama coach, advisor of the girls archery club, and was the first yearbook advisor, thereby bringing to Lindenhurst High a new tradition. Up to that time, the only student publication was the school newspaper. In recognition of her many years of devoted service, Miss Samsel received the Jenkins Honorary Life Membership Award from the High School P.T.A. This award, the highest honor given by a P.T.A. unit, is reserved for those who over the years have rendered service to youth.

Miss Marielle Woodward began her teaching career after graduating from Plattsburgh State Normal College. She came to Lindenhurst twenty-three years ago, and over the years, taught such courses as bookkeeping, commercial law, business math, shorthand, and typewriting.

Miss Woodward also was an active teacher insofar as extra curricular participation is concerned. She served as class advisor and became Central Treasurer (a position she held until her retirement) for the school district's various activities.

Marielle Woodward

Four Whom We Will Never Forget

Zita Cadwallader

Mrs. Zita Cadwallader majored in home economics at Ohio University and there received her Bachelor of Science degree in Education. Later she attended Columbia University where she received a Master of Arts in Home Economics. Mrs. Cadwallader taught at Lindenhurst for twenty years and had the distinction of being the first department head in Home Economics. She was also, at one time, a member of the New York State Curriculum Revision Committee in her field. Mrs. Cadwallader will long be remembered for the dinners that she and her students prepared and served whenever there were Board of Education meetings in the years before our district grew to its present size.

Our lone male retiree, Mr. Henry Michel of the Social Studies Department, received both his Bachelor of Science and Master of Science degrees in Education at St. John's University after attending schools here in Lindenhurst. He taught here for twenty-eight years, taking a break from 1942 to 1946 while he served his country during World War II. He taught history in both the junior and senior high schools and at one time served as head of his department.

Mr. Michel organized debating groups in Suffolk County, since at that time Suffolk schools had to go into Nassau County for debates. He was an innovator in many ways. The introduction of a course in consumer economics may be attributed to him. Mr. Michel will also be long remembered by the "older" set for the popular minstrel shows that were produced under his direction. He was also instrumental in the development of Youth Week (then called "Boys and Girls Week").

For many years Mr. Michel represented his fellow teachers as Delegate to the New York State Teachers' Association Conventions. Among the various honors he received were the Harvard Award and the Jenkins Award for his outstanding service to Lindenhurst students. Mr. Michel also is the only one of the four teachers who was a native of Lindenhurst and attended school here as a youngster.

It is to be acknowledged that this dedication is at best a feeble attempt on our part to portray the impact made by these four wonderful human beings on the history of Lindenhurst High School. It is an understatement to say that they will never be forgotten by any student who ever sat in one of their classes. Certainly every faculty member with whom they served will always treasure their friendship and warm human qualities.

Their departure from our school already is felt and they are greatly missed. Yet, we wish them many, many years of good health and great happiness in their retirement—a small return for the 105 years of skillful and devoted teaching they gave to the Lindenhurst schools.

Henry Michel

Dr. John R. Fitzsimmons
Superintendent of Schools

In the years not so long past, the old red-brick building that stands on School Street served as the *only* school building in Lindenhurst. Later, it housed elementary pupils when the Wellwood Avenue building was built for the secondary levels. As our district grew in size, it became the mother school for all the elementary schools now existing, until it was "phased out" as a schoolhouse entirely to take on its present role—as the Administration building for the Lindenhurst Public Schools.

It is here in this quaint structure—unchanged on the outside, but quite different on the inside—that the Board of Education, the Superintendent of Schools and his assistants set the policies that guide our schools.

These then, are the men whose thinking and planning set the course for all the learning and other activities involved in our school system.

Board of Education

Seated John Ceci; Adam V. Richter, Vice-President; John W. Kemnitzer, President; Michael P. Savino.
Standing: John P. H. Brion; Frederick Broszeit, Howard J. Trioni; George Ecenbarger. Missing: Joseph A. Fisher.

TO THE CLASS OF 1968:

We, your teachers, have done our best to help you gain the knowledge, skills and attitudes to assure your success and, through your success, the real future of our nation.

I hope we have instilled in each of you, in some measure, an appreciation for the arts, the sciences, language and literature, and have helped you develop an academic and social background that will be of service in all your future endeavors.

I speak for all of us when I wish you a happy and successful future and a large measure of all the good things of life.

This page was not just an afterthought—we did not have pictures of some teachers, some came in late, and some we still do not have. We hope no one will feel slighted and that this page will be accepted as part of our effort to present the entire faculty of the Senior High.

The pictures of substitute teachers were added as we felt that these teachers, having been here so often, are almost a part of our faculty. Mr. Whiting, though not a “sub” also belongs here since he has been part of our family for a number of years.

This year's Varsity Club Dance was the biggest and best thus far. The gym was beautifully decorated by the members of the Club.

The dance began at 7:30 with dancing to the music of the "First Grade." Later in the evening, the three fall sports coaches acknowledged their teams and honored their most valuable players. The highlight of the dance came with the crowning of the 1967-68 Varsity Club Queen, Kathy Scolaro.

Thanks to the efforts of Mr. Jack Stanbro and the Varsity Club, each person present had an unforgettable evening.

Student Council

This was a very successful year for the Lindenhurst Student Council. Some of this year's accomplishments include originating an annual "Homecoming Day", setting up with the cooperation of the senior class advisors and officers, a "Senior Lounge" with twenty tables and chairs in the rotunda. This year also saw the first Senior Week in Lindenhurst history. With the cooperation of Mrs. Lund, we began the second semester with a choice of hot or cold lunch. Under Mr. Agudo's direction three ski trips were made to local and upstate resorts.

The council would like to thank the student body for its support and cooperation during the past year.

From "Bye, Bye Birdie"

In 1967-68 the Thespians presented the works of eight major writers. Their two full productions were by masters—in November, O'Casey's *Shadow of a Gunman*, in May, Andre Obey's *Noah*. Short works presented were *The Happy Journey* by Thornton Wilder; a second selection from Masters' *Spoon River Anthology*; Act V, Scene 1 of Shakespeare's *Pericles, Prince of Tyre*, at the Hofstra Shakespeare Festival; a selection of Keats' poetry at the Adelphi Poetry Reading Contest—all directed by Mr. Monsell. Other one-act plays were O'Neill's " 'Ile," directed by Miss DeDominici, and Edna St. Vincent Millay's "Aria da Capo," directed by Mr. Freda.

"Spoon River"

"Quick, Mr. Donovan, write me name in typewritten before I go-just 'Minnie'."

"There's some people in this house who think Grayson was born in a bottle."
"A most appropriate place for *him* to be born."

Top: "Aria da Capo" Bottom: "Ile."

"There's no fear of you thinking of anyone else when you're at your poetry."

Lindy finished the season with a record of 2 wins, 3 losses, and 2 ties. We had a fine passing offense but our ground attack was lacking. Although it was a frustrating year, Lindy is proud of her men of the gridiron.

Records Established

1. Larry Whiffen intercepted eight passes.
2. Frank Ramos made 103 tackles.
3. Frank Maiello averaged 40.1 yards per kick.
4. For the first time in Lindy history, an end was high-scorer with 24 points.

Cross Country 1967

Coach: Carl Greenhut
 Cap't.: Bruce Hewitt, Jack Boyd
 Mgr.: Richard Bodenschatz

The Cross Country team had a surprisingly successful season in 1967. Although there were a few experienced performers returning from the previous year's squad, the gaps were ably filled by newcomers Joe and Ralph DeSantis, Jeff Edwards, and Pat Nolan. Mainstays Bob Munson and Tom Moore performed admirably.

The team had an excellent dual meet season, ending with a 7 wins, 2 losses record, gave top-notch performances in the big city meets, and capped off their great efforts with a League I Championship and a third place finish in the County. The Junior Varsity also came along fast and reached their peak by capturing the County Championship.

Varsity Wrestling

Dave Hernandez-Co-Capt. League I Champ

Having a young team made up predominantly of sophomores and juniors, the predictions for the 1967-68 wrestling season looked dim. It was only outstanding individual efforts, accompanied by a bonding of team spirit and a loyal following, which generated this team to a 15-2 dual meet record.

The highlight of the season was the winning of the New York State Section XI Championship for the fifth consecutive year.

Gymnastics

The Lindenhurst High School Varsity Gymnastics team enjoyed a very successful season this year compiling an overall record of 10 wins and 2 losses, finishing 2nd in League 1 and 2nd in the Suffolk County Section 11 Gymnastics Championships.

The team this year was a strong one, improving in depth as the season progressed.

The outstanding performance of the year has to go to Jr. Bob Bazar-nick who was Section 11 Champ in the Long Horse Vaulting and State Champ in Long Horse Vaulting as well. Bob is the first State Gymnastic Champ that Lindenhurst has ever produced.
