I Wanna Be Free

like the bluebirds flying by me

like the waves

out on the blue sea

but if your love has to tie me

don't try me

say good-bye

I Wanna Be Free

don't say you love me

say you like me

but when I need you
beside me,

stay

close enough to guide me, confide in me

I wanna hold your hand, walk
having fun, doing all these things
I Wanna Be

along the sand, laughing in the sun, always
without any strings to tie me down

Free

like the warm September wind, say
I Wanna

you'll always be my friend
Be Free

We Bid Farewell

Dr. John R. Fitzsimmons

In February announcement was made of the retirement of two men who have long served our school district and the promotion of a third gentleman to a position at Central Administration. We speak of Dr. John R. Fitzsimmons, our Superintendent of Schools; Mr. Harold L. Holmes, Assistant to the Superintendent for Personnel; and Dr. Harold E. Eaton, Principal of the High School. We feel it is both fitting and proper to note the leaving of these men from our midst.

Dr. John R. Fitzsimmons

Dr. Fitzsimmons assumed the position of superintendent of this district in 1963. In the years he has served as chief administrator, he has helped bring about important curriculum improvements covering content subjects and methods of instruction.

Some of the accomplishments of Dr. Fitzsimmons' tenure in office are: Introduction of modern mathematics; revision and improvement of programs for both elementary and secondary schools; the strengthening of language arts program, as well as social studies. Greater emphasis has been placed on the humanities and the performing arts. Expanded offerings have been made available in vocational and technical education.

An experimental program in elementary guidance was launched. Remedial reading has been expanded in elementary and secondary grades. Educational television has been brought into the district. Special education and athletic programs have been broadened.

These and other contributions will long serve us as a reminder of his stay in Lindenhurst. We will also remember the three of his four children who attended Lindy High, in particular Terri, who is a member of this year's graduating class.

We send our best wishes to Dr. Fitzsimmons as he leaves office in Lindenhurst to accept a position at Hofstra University.

Mr. Harold L. Holmes

Mr. Holmes served for the past year as Assistant to the Superintendent for Personnel. Before that he was the Coordinator of Elementary Education, a post he held for 13 years preceded by four years as principal of the temporary Hoffman Avenue School.

Mr. Holmes' career as a professional educator spans almost a third of a century, twenty-five years of which have been in school administration.

May we extend our sincere hopes for a happy and fruitful retirement to Mr. Holmes as well as our appreciation for his long service to education.

Mr. Harold L. Holmes

To . . .

Dr. Harold E. Eaton

The leaving of Dr. Eaton is the one which will probably have the most significance to the average student at Lindenhurst High. It was in 1956 that Dr. Eaton became principal of what was then the combined Lindenhurst Junior-Senior High School. At that time the enrollment was 1660 and today at the senior high it is about double that number.

Dr. Eaton began his career in education in 1939. His experience spans all educational levels . . . elementary, junior high school, senior high school, and college. He began as an elementary school teacher of reading and physical education in Parkersburg, West Virginia; he was a junior high school teacher of science and mathematics at Morgantown, West Virginia; and before coming to Lindenhurst he was a high school principal at Morgantown. His teaching career was interrupted in 1942 when he served for three years in the United States Navy. He presently holds the rank of commander in the Naval Reserve. Dr. Eaton has also taught courses in education at Hofstra University. At various times he has served as a member and chairman of evaluation teams for the Middle States Association of Colleges and Secondary Schools.

Dr. Eaton holds an A.B. degree from Marietta College in Ohio; a B.S. degree in Education from Ohio State University; an M.A. degree from West Virginia University; and the Ed.D. degree from the University of Pittsburgh.

During Dr. Eaton's administration the secondary schools have developed a broad comprehensive educational program to meet the varied needs of Lindenhurst students. Lindenhurst Senior High School is recognized today as one of the outstanding secondary schools in this area.

Dr. Eaton left us to assume the post of Assistant to the Superintendent for Personnel formerly held by Mr. Holmes. While he will remain active as part of the district administrative team, he will be missed greatly here at the high school. Our best wishes go to him in his new appointment and we hope he will remember us from time to time with a visit.

Dr. Harold E. Eaton

DR. JOHN R. FITZSIMMONS
Superintendent of Schools

Dear Class of 1970:

As you leave high school this year we have emerged from the decade of the eventful and memorable sixties, and have entered the seventies . . . a decade of hope and promise. You are truly the children of the sixties. You were small girls and boys in the first grade when the decade began. You lived through and were part of great social movements. You saw and felt the effects of our involvement in a frustrating and costly war in Asia. You saw great technological advances, and increased productivity of goods and services as ours continued to be the most prosperous and strongest of all nations. You were part of a new movement in which youth gained a greater voice in political and social affairs. You have grown to young adulthood in one of the most exciting periods of our history. You have helped set the stage for the new decade. You are our hope for a better tomorrow.

TO THE CLASS OF 1970

You are completing your secondary school career and looking forward to new endeavors at an exciting and challenging time.

Your interests, your achievements and your strivings as Lindenhurst students have clearly demonstrated that you are concerned, involved and capable of making a contribution to improving the American way of life.

Your faculty looks to you as future leaders and worthwhile members of our society to carry on man's march toward the good life and to make the improvements necessary for progress and the well-being of mankind.

All of us are not destined to make a great contribution to the world but all of us are responsible for doing our best to make what contribution we can. Through these combined contributions, man has forged ahead through the centuries.

Continue to grow in mind and spirit for the benefit of others and your own rewards both material and spiritual are certain to be forthcoming. Our best wishes for the future to all of you.

special events

Oh, talk not to me of a name great
in story:
The days of our youth are the days
of our glory.

Happy those early days, when I
shin'd in my angel infancy.
Before I understood this place
appointed for my second race,
Or taught my soul to fancy aught,
but a white, celestial thought;
When yet I had not walked above
A mile or two from my first love,
And looking back – at that short space –
Could see a glimpse of His bright face.

Class of 70

After evaluating this year's achievements in the projects the seniors have participated in, the other class officers as well as myself feel that the Class of 1970 has done an excellent job in reaching its goals. I would like to take this time to commend the very active students of the Senior Class who enabled our class to become such a success. Our special thanks is also extended to the members of the faculty and the underclassmen of Lindy High for their cooperation and assistance.

I wish to all my fellow seniors success and happiness in the years to come.

Sincerely yours,
Lewis Yako
President

The 1969 football season was one of surprise and disappointment. The team ended on a 500% win-loss record, going four and four for the season and finishing in a tie for 3rd place in the league.

The highlight of the season for Lindy came with the upset of West Islip, the eventual winner of the league. This was by many considered the upset of the season in Suffolk County. The bulldogs throughout the season were in every ball game until the final seconds with the exception of the Northport game. The team lost three of their four games by the identical margin of four points.

At the conclusion of the season the team elected Bill Artus and Mike Sirico as Co-Captains and selected Jim Barry and Bill Artus as Co-Most Valuable Players. Two of the Bulldogs, Seniors Bill Artus and Dale Funk received First Team All-League Honors.

The 1969-70 season marked many firsts for the soccer team. Highlights of the season were 12 wins, 17 goals were scored by Al Koehler. One of the first teams to qualify for the playoffs. Most goals scored in one game was against Smithtown, 8 goals.

The team finished one point out of first place in a tight three-way battle with N. Babylon, and Brentwood. In all league selections we had three men place on the first team. Al Koehler, forward; Tim Donelon, fullback; and N. Eastman, wing.

N. Eastman placed on the first team, T. Donelon and A. Koehler placed on the second team of All County. In addition G. Mark, H. Ortiz, M. Kessinger, B. DesJardin, G. Mattson, played an important role in the success of the team.

Coach Carl Greenhut tabs this year's Cross Country team as Lindy's greatest ever. Led by Captain Joe DeSantis and brother Ralph DeSantis our harrier team went all the way, undefeated in League I, County champions, Bethpage champions and a terrific runner-up finish in the States. In fact, Lindy indisputably was the best cross country team, including public, parochial, and private schools in all Long Island.

Along with Joe and Ralph, Bruce Bianchi, Alan Siegfried, Ken Filmanski, Tom Coords, Jack Cohen, and Tom Quinn really ran their hearts out for our school. They always came through in the clutch and were at their best in the close ones. They will be an inspiration to all future Lindenhurst athletes for despite their relatively little natural talent, they proved how far one could go with complete dedication, sacrifice, and loyalty to the team. The motto: "If it can be done, it will be done!!"

BOWLING 69-70

This years bowling team, consisting of Bob Bernhard, Tom Cooper, Larry Goosney, Joe Javetski, Tom Roman, Doug Smith, and Henry Zampol, repeated last years fantastic performances. This team had the task of defending last years title of state champs. With this hovering over them they went on to win the counties and the states with ease. Superior coaching and serious dedicated bowling sparked through again to make it another winning year for Lindy.

To the Class of 1970

I would like to take this opportunity to extend to you the best wishes of the faculty and staff at the School for an enjoyable evening and a rewarding graduation week.

I have known the members of this class mostly, perhaps, as Jr. High students and now, almost unbelievably, as graduating seniors. I have seen the contribution that your class has made to the School and I am sure that you are entitled to the sense of pride you must feel.

Please add my best personal wishes to those of the faculty and staff.

Sincerely,

C. Jewell

Graduation '70

Lindenhurst Graduates 663

On Saturday afternoon, the class of 1970 held its commencement exercises under beautiful sunny skies. 663 students received their diplomas on the athletic field.

The valedictory address was given by Joan White on the timber of life. The salutatory address was given by Janet Dougherty on the values of learning and their relationship to life. Lewis Yako, the president of the class, gave a speech commending various persons who had helped him as well as his classmates.

The entire affair went very well and shall be remembered always.
