## Superintendent of Schools

To the Class of 1971:

There is a tendency for human beings to generalize and describe groups of people rather than address themselves to an analysis of individuals in the group. People refer to the suburbanite, the black, the wealthy, the liberal, ad infinitum. The generalization simplifies. It also destroys uniqueness and permits callous and discriminatory judgments.

One of the more offensive generalizations concerns "young people today." The list of diatribes following that generalization is long. Perhaps I am sensitive because my job brings me into frequent contact with "young people."

I do not care to justify extremists, vandals or the callous and rude. I merely say that exposure to students in Lindenhurst High School has underscored my abiding faith in "young people." As individuals I have found most of you concerned and thoughtful. Every statistic shows your generation to be our nation's biggest, brightest, most socially adept and talented generation.

Good luck and Godspeed. Please judge individuals rather than generalize about groups during your adult life.

*Meet Our Principal*

To the Class of 1971:

You are going into a complex world beset with problems that seem insurmountable. Moral, economic and environmental pressures must be responded to with solutions if we are to continue to survive as a nation, and indeed, as a world.

It has been our responsibility to have helped to provide you with the opportunity to experience both the freedom to make choices and the responsibility that comes with this freedom. The accomplishments of this class are tacit reminders of your acceptance of this responsibility and of your ability to make change, within the system. It is, in addition, our reassurance that we have accomplished our goal.

## *Assistant Principals*

Harvey Rattner

## *Deans*

The assistant principals and the deans in Lindenhurst High School perform various tasks to assist the principal in running the building successfully and efficiently.

Among these jobs are the looking after of physical plant needs, scheduling of students and teachers; setting curriculum guidelines and standards; maintaining standards of discipline; and keeping after problems arising in attendance and tardiness.

These then are the individuals who shoulder the above responsibilities.

*COACH CARL GREENHUT  
CALLS TIME OUT*

After fourteen years of outstanding coaching, the longest tenure of any coach in Lindenhurst High history, Coach Carl Greenhut has turned in his stopwatch. When Coach Greenhut came to Lindenhurst back in '57, Cross Country and Track were almost non-existent with just a few participants . . . fewer winners . . . and virtually no track facilities. In fact, it was often necessary to practice and conduct meets in the streets of Lindenhurst.

From that time to the present, "The Hut," as he is known affectionately to thousands of Lindy athletes who ran for him, consistently has guided our Cross Country and Track teams to the very top in Suffolk County. In this, his final season, the Lindy Cross Country team swept through six major championships. In addition to the year after year success of Cross Country and Track teams, Coach Greenhut enjoys quite a reputation as a man who spends endless energy with boys in need of guidance and direction. His famous line, "It can be done. It will be done." has been an inspiration to all of us.

Although Coach Greenhut will not be on the field, he will continue as chairman of Lindy's outstanding Physical Education program. We feel sure that he will carry on the fine traditions he has initiated.

The 1970-71 Bulldog Basketball Team completed its season, the most impressive since 1963-64, with a 16-4 record. With a team of mainly seniors and a super junior Charlie Rogers, it accomplished far more than had been expected.

In the Christmas Tournament at Babylon a 66-65 victory over Newfield in the first round enabled us to go on to the championship round and defeat Sachem for the title. The team finished the non-league season 3-1.

From the start of the league season Lindenhurst did not move out of first place, beating second place Brentwood and 3rd place West Islip for the League I championship as the regular season concluded. The championship qualified us to move to the sectional playoffs where we beat Kings Park and then were eliminated by a strong Whitman team.

Along with 6'8" Rogers, seniors Joe Leahy, Don Abernathy, Shaun Lynam, Bob Geyer, and Dave Edwards contributed greatly to the team's success. Juniors Larry Mavis and Fred Deubel also produced well and should be heard from next year. Kevin Castles, Rich Lavoie, Arthur Maune and Fran McDonald also contributed when given the opportunity.

Both Charlie Rogers and Don Abernathy received All-League honors in both *The Press* and *Newsday*. Roger also was selected to the second team All-County squad by the *Press*.
