To the Class of 1980 —

On behalf of the faculty and administration, I congratulate each of the members of the graduating class of 1980 at Lindenhurst High School. I share with each of you the fond memories of your high school experiences and wish you success in your future pursuits.

Upon graduation from Lindenhurst High School, I ask that you reflect upon the members of your family, your teachers and your friends and those who have supported and aided you and ask that you thank them and show them your appreciation. Also, I ask that you continue to utilize the same sense of support and assume responsibility to help others who may be less fortunate than you as you continue to pursue your educational, vocational and career goals. ### *When I Must Leave You by Helen Steiner Rice*

*When I must leave you for a little while  
please do not grieve and shed wild tears  
and hug your sorrow to you through the years,  
but start out bravely with a gallant smile;  
and for my sake and in my name  
live on and do all things the same,  
feed not your loneliness on empty days,  
but fill each waking hour in useful ways,  
reach out your hand in comfort and in cheer  
and I in turn will comfort you and hold you  
near;  
and never, never, be afraid to die,  
for I am waiting for you in the sky!*
