*Lindenhurst, New York*

Although we  
never say it  
aloud  
To attend Lindy  
High, we all are  
proud.  
So, bring on the  
smiles  
Forget the  
sorrow  
Live each day to  
the fullest  
Yesterday,  
today, and  
tomorrow

The times we share

together are the best times of our lives.

Friendship is a  
gift that can last forever.

Eternal memories from  
days of discovering.

Only time will tell what the future will hold for us.

To live without fun is only existing.

Be realistic, but reach

for your dreams.

Here is to our times which end with a beginning.

We have our future for what it will be, but the past still holds that memorable key.

We have only just begun to make our dreams a reality.

Edward Murphy  
Principal

To the Class of 1983 —

On behalf of the faculty and administration, I congratulate each of the members of the graduating class of 1983 at Lindenhurst High School. I share with each of you the fond memories of your high school experiences and wish you success in your future pursuits.

Upon graduation from Lindenhurst High School, I ask that you reflect upon the members of your family, your teachers and your friends and those who have supported and aided you and ask that you thank them and show them your appreciation. Also, I ask that you continue to utilize the same sense of support and assume responsibility to help others who may be less fortunate than you as you continue to pursue your educational, vocational and career goals. I wish you well in a successful future.

## Art

The Art Department, composed of creative and dynamic teachers, continues to be recognized throughout the State for its excellence. For the past five years, it has been awarded a Federal Title IV-C Grant in individualized instruction. The purpose of the grant is for other schools in the State to replicate its program.

Its contract system (PROJECT ACE), offers art majors approximately 50 different subject content areas to choose from. Its large photography area maintains 15 sections each day in Photo I, Intermediate Photo, Advanced Photo, Advanced Contract Photo and Communications Media. In addition, art related clubs include the National Art Honor Society, Art Club, L'ATELIER, Art Service Club and the Photo Club. It's no wonder why art is so popular among Lindy students.

# Business

Business touches everyone's life in today's society. Students should realize that they will someday be taxpayers and consumers in today's complex marketplace which provides us with the basic necessities as well as the luxuries of life. Almost everyone today needs to know how to keep and balance a checkbook, make budgetary decisions and manage their money in such a way as to get the most benefit from it.

Not only does the Business Education department offer courses to help you become a knowledgeable consumer, but can offer you skills in many fields such as: Accounting, Marketing, Secretarial, Data Processing and Law.

Skills acquired in any of these fields can often be used for immediate employment or a base for your college studies.

# Guidance

Guidance services are an indispensable part of our educational system and are integrated with all phases of the Lindenhurst Senior High School program. Guidance has been variously defined as an educational philosophy, a point of view, and as a series of services to students which have as their objective the fullest possible realization of each individual student's potentialities and talents. Guidance, then, is a process that helps the individual in his total development, particularly within the school, family and community circles.

The objectives of our guidance program are part of, and support the objectives of, the instructional program of the whole school. Classroom teachers and counselors are working in the same educational program and all are responsible for such school objectives as are cooperatively established by the faculty, administration and the community.

## Foreign Language

The Foreign Language Department can best be described by its many varied activities. Foreign trips to Italy, France, Switzerland, Spain and Canada highlight the department's year. To view and to be part of a foreign culture is indeed one of its major objectives. Meeting and speaking to new people in a different cultural setting enhances one's global perspective. Local trips to the Pennsylvania Dutch areas, New York City, and various Long Island locations allow a greater number of students to participate in our global concept of learning a language. Visiting the United Nations, eating at "foreign" restaurants, playing classroom volleyball, singing holiday carols for senior citizens indicate the varied nature of our department. There is no wonder as to why so many of our students return from local and state language competitions as award winners.

As the James E. Allen Award Winner for Excellence in Language Instruction, our department feels that it is fulfilling the global language needs of Lindy students in a most interesting and exciting manner.

# Mathematics

The Lindy Math Department is composed of many talented, creative and dedicated teachers who are constantly trying to make Mathematics an interesting and relatable subject. From Basic Math skills to Calculus, Math is presented as a challenging but accomplishable topic by a variety of teaching styles and personalities. Overhead transparencies, tape recordings, slides, activity sheets, booklets, humor and good "old fashioned" chalk and blackboard presentations are used to encourage student involvement and learning.

In addition to classroom teaching, the Math faculty is involved in total student life as class advisor, coaches, club moderators and "just someone to talk to." Lindy graduates often return to visit with their Math teachers because they have come to recognize that they teach math but, more importantly, they live life.

# Science

Joseph Maurer  
Department Chairman

As you experienced science instruction at Lindenhurst High School you probably were not aware of the science programs developed by the science staff and their accomplishments. Here are a few of our highlights. Lindenhurst High School was the first school — to develop mini science courses in the country, — to have a statistically validated personalized, instructional program in three sciences in the country, — to be a demonstrator school for its personalized science programs which have been replicated by thirty school in New York State, — to have a computer bank of coded regents question (1965-) in biology, chemistry, physics, earth science and general biology accessible not only for our staff but other BOCES III schools for tests, quizzes and class work. Thirty percent of the science staff are currently or have been item writers for the State Regents and level III science courses. When the Bureau of Science Education is revising Regents Science Courses, our high school is selected as one of the first five in New York State to be a trial school in developing the new experimental regents syllabi. Presently we are one of the trial schools for biology and chemistry regents which are presently undergoing revisions. Mr. Lee Paseltiner and Dr. James Brucia (former Lindenhurst High School science staff member) co-authored a biology textbook "Unified Biology" which is used in our general biology course.

# Varsity Cheerleaders

Cheerleading means spirit and dedication. Each girl has to put her squad before any personal gain, and at times that can be extremely difficult. Lindenhurst's cheerleading season runs from July through March which means a lot of energy. The cheerleader supports as many teams as possible — not only football and basketball, but also soccer and girls' field hockey. There have been other requests that the cheerleaders would have enjoyed supporting, but time did not permit it. These girls have been innovative by incorporating partner stunts into cheers and raising money to purchase the new Bulldog mascot. These girls again entered the Suffolk County division of the Long Island Cheering Competition.

This year we bid farewell to our graduating seniors Laura Cerrito and Eileen Greene (captains), Lisa Coglitore, Suzanne DeMartino, Kimberly Hirschman, Deborah Romano, and Patricia Vaccarino. Your devotion and spirit will be missed.

# Girls' Varsity Cross Country

The team this year was very small with all new candidates. The athletes all made terrific improvements throughout the season.

No girl at any time had to run beyond her ability because of a new training technique. Each girl's pulse was taken at various times during the workout to determine how hard they were being pushed or pushing themselves. The pulse method allowed the athlete to make a maximum improvement.

The best individual team time for the 5000 meter (3.1 miles) at the Sunken Meadow Course was 2:44, by Pat Gillespie and the best three mile time was 21:22 at Sunken Meadow by Audrey Pierce. Both Audrey Pierce and Pat Gillespie made the second all conference cross country team.

# Varsity Boys' Cross Country

Racing three miles, over a hilly course, is the essence of Cross Country. Although the team's overall record was not impressive, there were, however, some outstanding performances. Captain Robert Vroom demonstrated his abilities by leading in points scored and being awarded "ALL LEAGUE ALL STAR." Running strong and not far behind were seniors: Waldo Feng, Andrew Holmes, Vin Lore, and Jim Tyrie.

Progressive improvement was achieved through consistent training, intense hill workouts conducted weekly. With potential like Paul Belanger, Jeff Lecuit, Jerry Schaedler and Jim Gillespie, the future looks bright.

# Varsity Field Hockey

Daily conditioning, aided by Loren "Suicide" Cruess, and the hoarse voice of senior Lois "Trace" Lombardi leading the daily end of practice cheer aided Lindy's '82 Field Hockey Team in completing their season with a 7-4-6 overall record. (What'a ya mean ties?) This year, competing in League II, Lindy finished strong placing third in league play, qualified for the county playoffs, seeded 18th, and unfortunately lost to Southampton (the County Champs) in overtime 2-1.

The team scored 41 goals during the season. High scorers were junior rookie Kathy "Frosty" Kissane with 11 goals, and Sophomore Erin "Ernestine" Taplin with nine goals. Other scorers were senior Pat "Bucks" Buckley, senior Denise "Otts" Otten, junior Bea "Germ" Germinario, junior Pat "Biu" Biuna, and senior Maureen "M&M" McManus. The "awesome" defensive play of Loan "Lo" Vu, Linda "Hacker" McManus, Lois "Trace" Lombardi and Tricia "Totally" Reilly, lead by goalie Denise "Pierre" Piaggione kept the offense feed and their opponents "like totally frustrated"!!!

All league honors were awarded to Denise Piaggione, Erin Taplin, Tricia Reilly, and Loan Vu. All league, all conference, and all county honors were awarded to junior Theresa Taplin.

Spirit, dedication, and hard work were the keys to success in maintaining our Lindy Pride and a winning Tradition — "GOOD JOB"!!!

# Varsity Gymnastics

While most other fall sports started practice in late August and early September, the Gymnastics team was still waiting for a coach. Since last year's coach left her position, this year's coach was hard to find. Finally, after two weeks into the season, Marissa Caminiti and Karen King were hired. Both still in college, this was their first coaching experience. They put all their effort into our team with a three hour a day, six day a week practice.

The gymnastic team had little success this season, for few girls went out for the team. By the end of the season we were down to six girls: Captains Cathy May and Margaret Taylor; Co-Captain Maureen Brett; also Patty Brett, Dina Panessa, and Cheryl Weber.

There were many individual achievements however. Cheryl Weber took first place All-Around in six out of the nine meets and Margaret Taylor took first place All-Around in three. Senior Cathy May, although never competing in gymnastics before, still managed to compete All-Around, something most gymnasts do not achieve their first year on the team.

# Varsity Soccer

This year's Varsity Soccer team made a lot of music in the soccer world and stunned most of the coaches in League I. Pre-season polls showed Lindy predicted for last place. The final season poll showed Lindy in a tie for third place in League I and into the playoffs. Quite an accomplishment!! This was the first time since 1971 that Lindy has made the playoffs.

This year's squad consisted of eight sophomores, six juniors, and five seniors. The team was co-captained by Stephen Byrne, who was All League (1981 and 1982) and All County (1982) and by Thomas Curtin. Outstanding players were Ed Marinich (2nd team — All County), Ray Wadsworth (Sr — fullback) and Brendan Byrne (sophomore — leading scorer with 12 goals). The goal keeping was shared by senior William Harrell and by junior Chris Alley.

In the play-offs, Lindy upset Commack North (ranked 7th) 2-1, and Half Hollow Hills West (ranked 6th) 3-1 in overtime, before losing to Northport, the team that ultimately won the Suffolk Championship. As a result Lindenhurst finished in the top eight teams of the county — not bad for a team predicted to be last in their league.

# Girls' Varsity Swimming

The Girls Swimming Team has had a winless season with highlights on individual performances. Doreen Grice placed third in 100 yard Breast stroke and sixth place in 200 yard Free style in the Suffolk County finals. A new record has been set for the 400 yard Free Relay by Doreen Grice, Michelle Parks, Regina Galler and Mary Johnson.

We are a young team with promise for the future. Captains for this year Doreen Grice and Jacqui Jones. Our Coach was Mr. Paul Brodmerkel who made all the hard work we did pay off by his tremendous support.

## In Memoriam

*In memory of a dear friend who will  
always be remembered.*

*Her love could only be compared to the  
beautiful golden rays of the sun.*

*She was kind.*

*She was happy*

*She shared her beautiful friendship  
with many.*

*She helped us when we were feeling down,*

*And inspired us without saying a word.*

*Now, she lives in our hearts.*

*With our Lord Jesus Christ she watches over us.*

*And she will always be the one entity that pushes us  
to give just a little more love.*

*And Honor the true meaning of FRIENDSHIP.*
