**WE OWE SO MUCH  
TO SO MANY**

**Edward Murphy**  
*Principal*

**I join your faculty, family and friends in congratulating each member of the graduating class of 1984.**

**I wish to thank each of you for your cooperation, support and contributions toward making the class of 1984 truly significant. The time of graduation allows each of us to reflect on fond memories, relish the present and make plans for the future.**

**Each of us may reflect on the many activities that made our high school years memorable. In our classrooms, auditorium, gymnasium, athletic fields and corridors we found pleasure in participating and supporting our educational, athletic and extra-curricular events. Our "Lindy Pride" was evident by your support at our athletic games and contests, the dramatic and varsity show, the concerts and marching band competitions, the mural and hall of fame programs, the debates, fairs, class competitions, and the holiday decorating programs, the pep rallies, dances and the proms.**

**I know your teachers and counselors have stood by you and I trust that they have prepared you well with an emphasis on the knowledge and skills needed for your future.**

**As the years go by I wish that each of you will take the time to support our school programs and to become active in our Alumni Programs.**

**Good Luck and God Bless,**

*The Yellow Violet*

*When beechen buds begin to swell,  
And woods the blue-bird's warble know,  
The yellow violet's modest bell  
Peeps from the last year's leaves below.*

*Ere russet fields their green resume,  
Sweet flower! I love in forest bare,  
To meet thee, when thy faint perfume  
Alone is in the virgin air.*

*Of all her train, the hands of Spring  
First plant thee in the watery mould;  
And I have seen thee blossoming  
Beside the snow-bank's edges cold.*

*Thy Parent Sun, who bade thee view  
Pale skies, and chilling moisture sip,  
Has bathed thee in his own bright hue,  
And streak'd, with jet thy glowing lip.*

*Yet slight thy form, and low thy seat,  
And earthward bent thy gentle eye,  
Unapt the passing view to meet,  
When loftier flowers are flaunting nigh.*

*Oft, in the sunless April day,  
Thy early smile has staid my walk;  
But midst the gorgeous blooms of May  
I pass'd thee on thy humble stalk.*

*So they, who climb to wealth, forget  
The friends in darker fortunes tried;  
I copied them — but I regret  
That I should ape the ways of pride.*

*And when again the genial hour  
Awakes the painted tribes of light,  
I'll not o'erlook the modest flower  
That made the woods of April bright.*

*Up Where We Belong*

*Who knows what tomorrow brings,  
in a world two hearts share?  
All I know is the way I feel, when  
the road keeps it alive.  
The road is long. There are mountains  
in our way but we climb a step every day.*

*The sun lifts us up where we belong,  
where the eagles cry on a mountain high.  
The sun lifts us up where we belong, far  
beyond the world we know, up where  
the clear winds blow, clear winds blow.  
Time goes by, no time to cry. We're you and I, alive today.  
(Chorus)*

*Time hangs on to want to be, live their lives looking behind.  
All we have is here and now.  
All our lives out there to find.*

# Remnants of the Future

When lovely woman stoops to folly,  
And finds too late that men betray,-  
What charm can soothe her melancholy,  
What art can wash her guilt away?

The only art her guilt to cover,  
To hide her shame from every eye,  
To give repentance to her lover,  
And wring his bosom, is - to die.

**A CREED**

There is a destiny that makes us brothers;  
None goes his way alone;  
All that we send into the lives of others  
Comes back into our own.  
I care not what his temples or his creeds,  
One thing holds firm and fast —  
That into his fateful heap of days and deeds  
The soul of man is cast.

EDWIN MARKHAM

**RESUME**

Razors pain you;  
Rivers are damp;  
Acids stain you;  
And drugs cause cramp.  
Guns aren't lawful;  
Nooses give;  
Gas smells awful;  
You might as well live.

DOROTHY PARKER

**THE INNER MAN**

Beauty depends on simplicity — I mean the  
simplicity  
of a rightly and nobly ordered mind and  
character.  
He is a fool who seriously inclines to  
weigh the  
beautiful by any other standard than that  
of the good.  
The good is the beautiful  
Grant me to be beautiful in the inner man.

PLATO

**IN SCHOOL DAYS**

Still sits the school-house by the road,  
A ragged beggar sunning  
Around it still the sumachs grow,  
And blackberry-vines are running.

Within, the master's desk is seen,  
Deep-scarred by raps official;  
The warping floor, the battered seats,  
The jack-knife's carved initial;

The charcoal frescos on its wall;  
Its door's worn sill, betraying  
The feet that, creeping slow to school,  
Went storming out to playing;

Long years ago a winter sun  
Shone over it at setting;  
Lit up its western window-panes,  
And low eaves' icy fretting.

It touched the tangled golden curls,  
And brown eyes full of grieving,  
Of one who still her steps delayed  
When all the school were leaving.

For near her stood the little boy  
Her childish favor singled:  
His cap pulled low upon a face  
Where pride and shame were mingled.

Still memory to a gray-haired man  
That sweet child-face is showing.  
Dear girl! the grasses on her grave  
Have forty years been growing!

He lives to learn, in life's hard school  
How few who pass above him  
Lament their triumph and his loss,  
Like her, — because they love him.

JOHN GREENLEAF WHITTIER

## **A PSALM OF LIFE**

Tell me not, in mournful numbers,  
Life is but an empty dream!  
For the soul is dead that slumbers,  
And things are not what they seem.

Life is real! Life is earnest!  
And the grave is not its goal;  
Dust thou art, to dust returnest,  
Was not spoken of the soul.

Not enjoyment, and not sorrow,  
Is our destined end or way;  
But to act, that each tomorrow  
Finds us farther than to-day.

Art is long, and time is fleeting,  
And our hearts, though stout and brave,  
Still, like muffled drums, are beating  
Funeral marches to the grave.

In the world's broad field of battle,  
In the bivouac of life,  
Be not like dumb, driven cattle!  
Be a hero in the strife!

Trust no future, howe'er pleasant!  
Let the dead Past bury its dead!  
Act, — act in the living Present!  
Heart within, and God O'erhead!

Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sand of time;

Footprints that perhaps another,  
Sailing o'er life's solemn main,  
A forlorn and shipwrecked brother,  
Seeing, shall take heart again.

Let us, then, be up and doing,  
With a heart for any fate;  
Still achieving, still pursuing,  
Learn to labor and to wait.

HENRY WADSWORTH LONGFELLOW

## **ON CHILDREN**

Your children are not your children.  
They are the sons and daughters,  
Of Life's longing for itself.  
They come through you but not from you,  
And though they are with you  
Yet they belong not to you.  
You may give them your love  
But not your thoughts.  
For they have their own thoughts.  
You may house their bodies,  
But not their souls, for their souls, Dwell in  
the house of tomorrow.  
Which you cannot visit, not even in  
Your dreams.  
You may strive to be like them,  
But seek not to make them like you.  
For life goes not backward nor  
tarries with yesterday...

KAHLIL GIBRAN

## **LONELINESS**

No sky at all;  
no earth at all — and still  
the snowflakes fall...

## **MEN SAY THEY KNOW MANY THINGS**

Men say they know many things;  
But lo! they have taken wings —  
The arts and sciences,  
And a thousand appliances;  
The wind that blows  
Is all that any body knows.

These members were not able to devote as much time as they wished. Nonetheless their enthusiasm was undaunted and they contributed in ways that words alone can not properly express.

I wish to thank every member of the staff for a most rewarding and enjoyable year. All those hours of hard work really paid off in unforeseeable dividends. Each of you gave of your warmth, friendship and devotion when it was most needed. I hope that our interaction has meant as much to you as it has to me. Remember the good times! Go forward and capture your dreams.

Cheering just as any other athletic team, requires dedication, determination, and athletic ability. The Varsity Squad consists of fourteen girls, including two alternates. Our season lasts from tryouts in early March to our final basketball game in February. Besides our responsibilities at games, we participate in Cheering Clinics, competitions parades, and fund raisers to name a few. Although we are not the main attraction at any of the athletic events, we play a significant role in arousing school spirit.

We would like to thank the Football and Basketball team for giving us something to cheer about!!

The team was a new team going through growing stages. Times improved as the season progressed.

The team always reflected hard work and dedication. They always exemplified the feeling of the long distance runner, improvement by dedication.

**Top Row:** Coleen Brady, Vaia Moutsiakis, Patricia Gillespie, Beth Clyde, Coach Lawlor, Kim Greer, Veronica Steiger, Lynn Currier, and Terry Payton.

The season began on a positive note with the return of strength from veterans Vaia Moutsiakis and Pat Gillespie. However, the picture grew even brighter with the new found talents of Colleen Brady, Kim Green and Veronica Steiger. With the additions of Lynn Currier and Terry Payton, the team was assured of a sound back up.

In order to race for 3 miles over a hilly course, the girls committed themselves to a weekly diet of high mileage running and grueling hill training sessions.

All the sweat and strain of consistent effort paid off with C. Brady and V. Moutsiakis making ALL LEAGUE First Team, and P. Gillespie ALL LEAGUE Second Team. The team concluded its 2-4 season, with a tremendous display in the conference championships, placing 7th overall. With such a young team, the future potential is awesome!

## Varsity Soccer Record 1983-84

"You guys are for real — 82 was no fluke!" These were the words from one of the opposing coaches that Lindy competed against this year. Yes Lindy Soccer is on the move and Suffolk County has seen the results — playoffs again.

This past year out of the 6 opponents in League I, the opposition was ranked 1st, 8th, 10th, and 16th in the County. Besides this tough competition Lindy also played non-league games against both Half Hollow Hills teams (ranked 3rd and 12th) and against the king of the Catholic League — St. John's.

Lindy lost its playoff game to John Glenn (ranked 6th) on shoot outs. The game had gone through four overtime periods with the score still tied at 1-1. This was a team that had outscored its opponents 49-1.

Speaking on Lindy's style of play, one old soccerwise gentleman stood on the sideline and watched that incredible playoff game saying, "This is the finest team that has come to Glenn this year."

The Girls Swimming Team has completed a very successful season. This is even more impressive when you consider that the team has been in a state of transition.

A great effort has been put forth by all the girls this year with a considerable number of individual achievements. Outstanding swimmer honors are bestowed upon Regina Galler for her consistent performance throughout the season.

Other outstanding performances as county qualifiers were Claire Levings — diving, Doreen Grice — 100 yd., yd. breaststroke, 200 yd. and 400 yd. relays, Claudine Castro, Michelle Parks and Jean Dewitt — 200 yd. and 400 yd. relays respectively.

The future looks very bright indeed. If this season is an indication of things to come, then the Girls Swimming Team will be a formidable force to reckon with.

Joanne Arestou, a ninth grader, competed at second singles during the season and is a player to watch in the future.

Doubles teams did quite well and showed marked improvement in both competitive play and skill development. First doubles Janet Ledek and Lorraine Sallemi qualified for the Conference Tournament, as did second doubles Stefani Janicki and Chris Kaminski.

Despite youth and inexperience the Lindy wrestling team managed to hold its own against the best competition in Suffolk County. The team finished with a 5-2 record, losing eight meets by only one match. Lack of experience and depth became a serious factor in crucial matches. However the team finished fourth in the Hampton Bays Tournament with senior Bob Ciolino winning the championship at one hundred and twenty six pounds, and fourth in the Massapequa Tournament with seniors Chris Errera and Bob Ciolino winning first place honors at one hundred and sixty seven pounds and one hundred and twenty six pounds respectively.

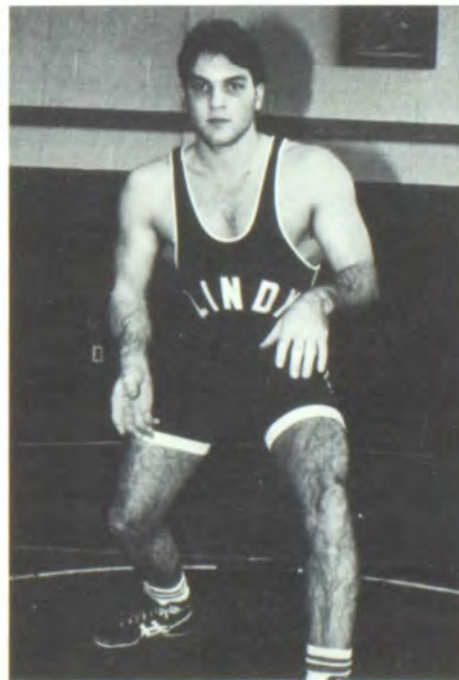

Toward the end of the season the team placed fourth in the League I Tournament with senior Rich Scalone winning his second league championship at one hundred and five pounds. Tony Chiusano won the championship at two hundred and fifty pounds by beating the best competition in Suffolk County. Coach Russo was very pleased with the strong finish of the team and the outstanding performances turned in by all its members.

*It was dead of winter when you were born  
I never thought for you someday I would mourn  
For a parent is not supposed to see a child die  
It is for a parent a child should mourn and cry  
Into my life you brought much joy and love  
Why were you taken?, I keep asking the man above  
You never did anyone any harm  
You only touched people with your charm  
A parent's loss can never be healed  
It's as though our future has now been sealed  
We keep asking ourselves what did we do  
That now we must suffer the loss of you  
For now all we can do is watch time go by  
And go on with life, or so we must try.*
