**YESTERDAY IS ALREADY A DREAM
AND
TOMORROW IS ONLY A VISION.**

Our graduation should not be seen as an end or as merely a beginning, but as that interval between childhood and adulthood. We have seen each other evolve from ingenious preschooler to sophisticated seniors; we've watched each other grow not only in height but also in stature of mind, and spirit.

Graduation is a time to envision our future, to plan how to achieve our dreams. But before we glimpse the future, let us savor our past.

Happy Birthday

"O" We are the Oceansders

Must we always teach our children with books?
Let them look at the mountains and the stars above.
Let them look at the beauty of the waters and the trees and the flowers on earth.
They will then begin to think and to think is the beginning of a real education.

DEDICATION

Among the many factors intrinsic to the successful academic and social development of the student are an efficient administration, a well informed guidance department and a competent and conscientious faculty. Our class advisors, Mr. Spagnoli and Mr. Calabrese, have earned the respect and endearment of the senior class not only for their optimistic approach to each of the challenges that we have faced through our high school years. Mr. Spagnoli and Mr. Calabrese have monitored and encouraged our progress from those early days when we initially faced a seemingly overwhelming adjustment to this pivotal year as we now look with apprehension, toward the future. Through the crucial years of our physical and emotional development, we have always felt confident that these gentlemen would remain committed to us, offering sensitivity and guidance when they were most needed.

In affectionate tribute to our class advisors, Mr. Spagnoli and Mr. Calabrese, we, the senior class, dedicate to you this yearbook.

Dear Members of the Graduating Class of 1994:

My warmest congratulations to you and your proud families for having come to the senior year of education in the Lindenhurst Public Schools. I know that this is a fine class and expect that you will achieve success both as individuals and as contributors to society.

Your participation in the Jump for Heart Competition, along with your fellow Lindenhurst students, succeeded in raising \$100,000. You have been very active as a class in the blood drive. These are examples of your dedication beyond self and your commitment to contributing to society. The Lindenhurst School District and its educational and support staff have tried their best to give you the necessary skills and knowledge to live lives of personal and public significance.

On behalf of the Board of Education, the Administration and Faculty of the Lindenhurst Public Schools, I wish you all the very best. Please keep in touch with us and let us know how you are doing so that we may share in the satisfaction of your future successes.

Best personal regards,

A handwritten signature in dark ink, which appears to be "R. B. Holzman". The signature is written in a cursive style and is positioned to the right of the typed name "Best personal regards,".

Dear Class of 1994,

On behalf of the administration, your teachers, counselors, and staff, we at Lindenhurst High School share in your pride and achievement at reaching this important threshold of your lives.

It is my sincerest hope that the future holds all of the opportunities and expectations that you have worked so hard for and so rightly deserve. We have spoken a great deal over the years about success and responsibility and how we can all play a role in improving this great big world of ours. Do not postpone your encounter with the future. The success of your life will depend upon how well you know what it is you desire from your life and how hard you're willing to work for it. The future for all of us begins now. Take with you the knowledge you have gained from your teachers, the friendships you have made and the enthusiasm you have shown here at Lindy and stretch to achieve the maximum in your life that your ambitions, dreams and talents will allow.

May everyone you encounter be better for having known you and may you improve for having sought the good in others you meet. With my best wishes for your continued success. I hope you will find joy in the years to come.

THE CLASS OF '94 SALUTES MS. PATRICIA McMULLEN

Patricia McMullen has been a member of the Lindenhurst faculty since her graduation from Cortland in 1965. She began at the original high school on Wellwood Avenue teaching physical education, and coaching three sports: tennis, volleyball and softball.

Ms. McMullen's teams won four championships during her tenure. She also worked as advisor for the Varsity Club, Student Council and Intramurals, and was an original member of the prestigious Project LEFT staff.

Some of her students recall the new curriculum she introduced at Lindenhurst, including self-defense, coed Physical Education, dance, aquatics, and modified Physical Education.

Ms. McMullen became Department Chairperson for Health and Physical Education in 1983, then Assistant Principal in 1985. She guided the class of 1990 to graduation and was the keynote speaker at that ceremony.

Today, Ms. McMullen is the District Coordinator for Health, Physical Education and Athletics. She has administered the Interscholastic Athletic program for over 65 teams, 80 coaches and 1200 participants. During her tenure, athletes have captured many championships, sportsmanship awards, individual honors, and prolific college scholarships, and been recognized at Bulldog Brigade assemblies, Board meetings and banquets.

In her leisure time, Ms. McMullen is an avid tennis player, golfer, camper and beach-goer. Her favorite phrase was, and remains "It's a beautiful day in Lindenhurst."

Anyone know this lady?

Boys Varsity Soccer earned the League II Sportsmanship Award for the second time in three years. Coach Richard Kuplen constantly stresses skills, strategies, and sportsmanlike play to his youngsters. This year's young squad, led by All-Stars Dan O'Sullivan, Eric Jost and Derrick Swallow, played against the toughest teams which consistently make playoffs. With only 3 seniors graduating, 1994 promises to be a turn-around year.

Boys Varsity Volleyball was the most successful in Lindy's history. Needing 8 wins to make playoffs, the boys went on a 6 match win streak, only to be edged out on the final day. The DAWGS were competitive in every match, including victories in three 5-game matches. Coach Ken Schnatz was proud to have three boys named All-Stars: Dennis Springer, Gerard Nelson, and Adam Andrzejewicz.

VARSITY FOOTBALL

L to R Coaches: Ed Hayes, Rich Biancanello, André Dattaro, Rick Caravaggio

Another Division Title for Varsity Football. Head Coach Richard Biancanello and Assistant Coaches Ed Hayes, Rick Caravaggio and Andrew Dattero instituted a practice schedule that taught the boys advanced skills, strategies, and conditioning. This, coupled with successful play, built the confidence and self esteem of the boys, enabling them to gel and outperform their opponents.

Highlights of the year included a televised game, full press coverage, and ending up as the Suffolk County Big Schools Finalist. Capping this unbelievably successful year, 10 players received All-Star recognition: Joe Balsamo, Joe Parmentier, Duane O'Connor, Frank Migliore, Keith Morgan, Chris Vardaro, Matt Maltese, Jeff Klein, Peter Ciancarelli, and Tim Ferraro.

MARK BIEGLUK — LINDY'S ALL AMERICAN

Mark Biegluk is a two time All-American swimmer at Lindenhurst High School. A junior, Mark has received All-League, All-County, All-Long Island and All-State honors in his first two years on the team.

As a sophomore, Mark set the Suffolk County record in the 100 yard and 100 meter breaststroke events, becoming the first Lindenhurst swimmer to ever hold a County record. He was a member of the All-County 400 Freestyle Relay Team, which included teammates Robert Urban, Craig Faber, and Kevin Mahnken. Mark also was Long Island's best in the 200 Individual Medley and 200 Medley Relay.

This year, Mark swam the breaststroke leg of the League Champion 200 Medley relay and anchored the All League 400 freestyle relay. He is All League in the 50 freestyle, an event in which he set a new Lindenhurst school record with a time of 22.31. Mark is County Champion in both the 200 individual medley, with a time of 1:58.18, a new Lindenhurst school record, and the 100 breaststroke Suffolk county record holder (58.53). He was voted the Most Valuable Swimmer in Suffolk County by officials at this year's individual county championship meet.

Mark received special recognition when he was the January 5, 1994 featured athlete in "Spotlight," a weekly column on local high school athletes in *Newsday*. He has been headlined, photographed, and quoted in that paper on numerous other occasions.

Mark is an Honor Student and a perennial Scholar-Athlete. His goal is to be accepted at Stanford University after graduating from Lindenhurst in 1995.

Newsday Jan. 5, 1994

SPOTLIGHT

MARK BIEGLUK
Lindenhurst

Swimmer Mark Biegluk, who arrived from Poland in the summer of 1992, became an instant celebrity at Lindenhurst because his athletic and academic achievements were mentioned often in principal Paul Fried's daily public-address announcements to the student body.

Biegluk (pronounced Beeg-luke), who began swimming in Poland at age 9, was that country's champion or runner-up in age-group from his 12th through 15th birthdays.

By the time he was 16, he had moved to Lindenhurst with his family and broken two Suffolk records as a sophomore: 58.53 seconds in the 100-yard breaststroke and 1:06.91 in the 100-meter breaststroke.

"He was like a gift from heaven," said Rich Ryan, who is in his sixth year of coaching Lindy's boys swim team. "Having an instant All-America like him helped me to tap into the large Polish-American community we have in our town. This year I have six Polish-born swimmers on my roster [of 22]. Mark's success made them all come out for the sport and they all turned out to be as hard-working as he is."

Now a 17-year-old junior, Biegluk won the 100-yard breaststroke and 200 individual medley at last winter's Suffolk championships. He placed third in the breaststroke at the state meet behind two-time champion Gregory Mone of Manhasset.

"I wouldn't be surprised if Mark beat Mone at this year's states," Ryan said of his 6-4, 178-pound superstar. "Mark has the incredibly strong legs and extremely streamlined body you need in this event. His entering dive and turns take him more than halfway across the pool under water. I think we're talking about a future Olympian here."

"I'm aiming very high," Biegluk said, sounding almost embarrassed by his self-confidence. "I wish to go to [defending NCAA champ] Stanford for swimming and computer programming."

Ryan laughed and said: "With this kid, I wouldn't bet against it."

JUMP ROPE FOR HEART

CONGRATULATIONS!

Ms. Lorraine Michaels

Hats off to Lindenhurst students, faculty, staff and community. The 1994 Jump Rope for Heart Campaign to take us over the top was **Successful!!** This year we raised \$7,500+. The fourteen year high school total has surpassed our highest expectations. ****\$103,803.28****

Lindenhurst High School was the first school to sponsor a jump in 1981, and this year reaches another milestone. Becoming the **"1st"** high school to top the **\$100,00+** mark.

Everyone in attendance actively participated and had fun as we jumped to music supplied by Billy from High Note. The audience was in awe as the students, faculty and staff executed the electric slide. The enthusiasm level was high with special presentations from:

Richard Schaffer — Supervisor Town of Babylon

David Bishop — Suffolk County Legislator

Dr. Richard Holzman — Superintendent of Schools

A yearbook is born of a moment's inspiration by a half year of thought, crisis, alterations and hard work. It can never be executed by one person, or even a small group of people, and when it has finally absorbed the ideas and efforts of a variety of contributors, the original inspiration is often greatly changed. Just this process has happened in the case of Bulldog '94. The inspiration has grown from the personalities of those working on it, through the need we feel it meets for Lindenhurst, into the final product we offer here as an attempt to reflect the face of Lindenhurst High School.

THE PRESENCE OF US

Tapestry of years,
Threads of Life,
Always and again, there is the presence of Us...
Over rivers of time,
Under skies of Age, no longer are we joined
By presence of Us.

The touch exists no longer,
The hand far away,
longer and further,
Yet the heart beats stronger
stronger
stronger

As the days pass and the world spirals,
Smiles and tears mingle,
pressed between the pages of my mind.
Corridors are echoing with silence,
As the pictures fade and the voices mute,
Cycle has just begun for us,
'Pon the threshold of Tomorrows yet to be ridden
and people yet to be.

All six horizons gripped by the rosy fingers of Dawning Life.
Rejoice! Rejoice! We've no clue of what's coming,
Rush in and beyond! Let's go, let go and coast...
Don't turn back, don't turn around, don't even blink.
Raise face up to receive a kiss,
Warmth on your eyelids and lips.
Reach out, grab it with both hands, don't let go,
And cry for the sheer tenderness of moments yet seen.
Hands and Hearts, seen and unseen.
Feel the fire burn in your chest,
The flames lick at your soul
and remember,
Lush, Lingering, up above and down below,
Coursing through veins is Life, yet shown,
And the Presence of Us...

THE CLASS OF '94 SALUTES

Ms. Elaine Kubik is an "upstater," born and raised in Buffalo, N.Y. She completed her undergraduate work at SUNY Fredonia and her Master's degree at Ithaca College, then taught for three years in 7-12 grade in a district near Corning. (She left that position when the local townspeople became irate over her secret collection of color-coordinated plastic Tupperware). She has been at Lindenhurst for the past six years, where she revitalized the vocal program and brought energy and talents to the student musicals and our high school vocal/music programs. Ms. Kubik believes that music is not a part of life, it is life — and she brings intensity, enthusiasm, and significant talent to all her endeavors, as clearly evidenced in the accomplishments of her students.

LINDENHURST MARCHING BAND

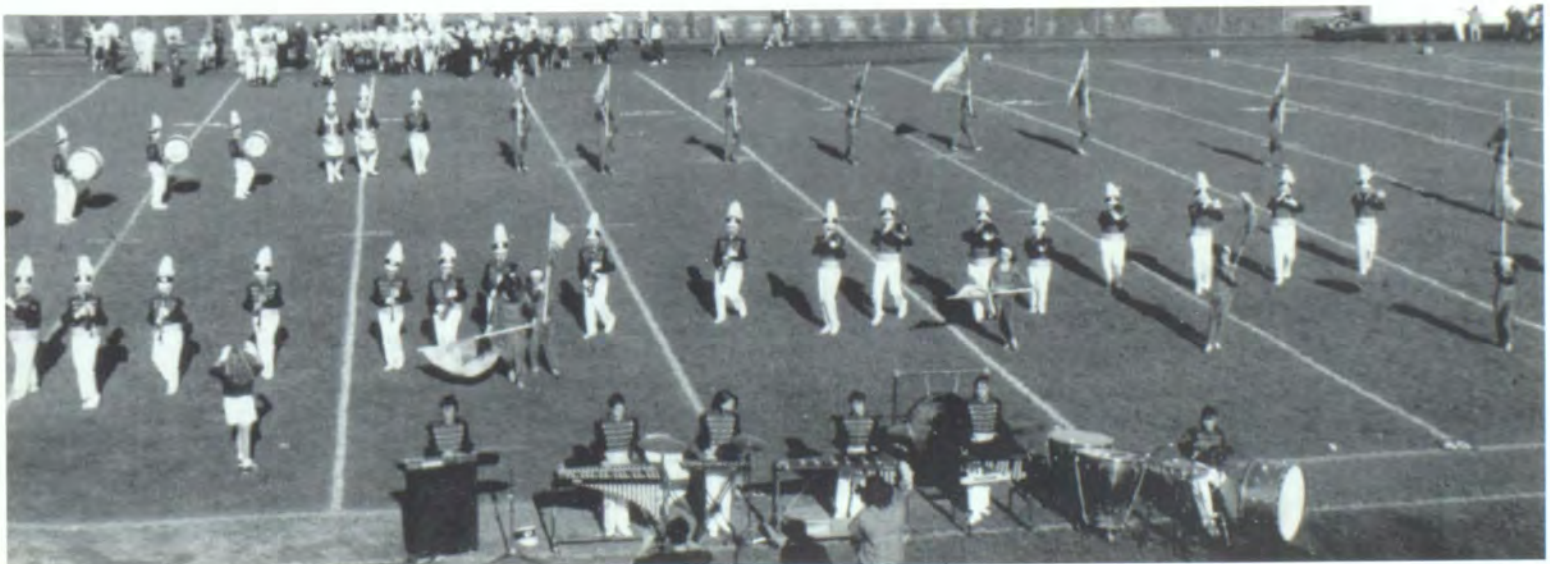

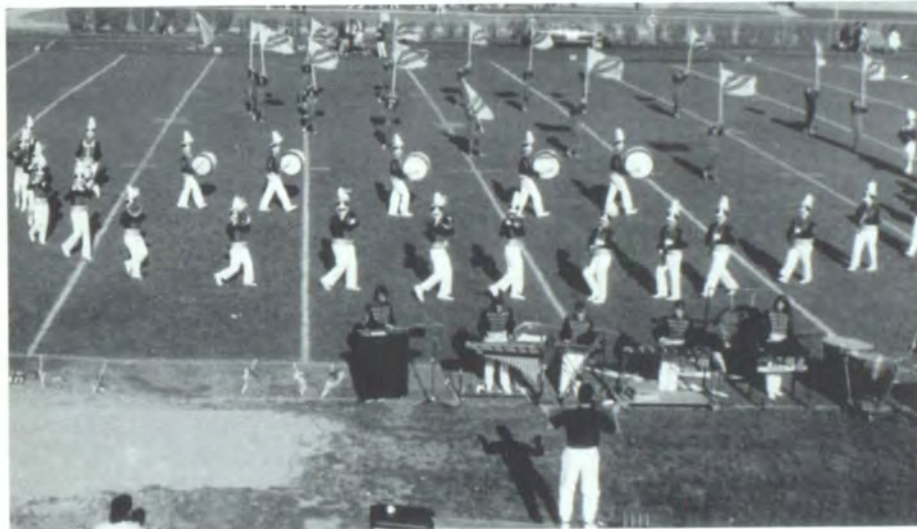

MARCHING BAND

Only those who have experienced active involvement in the Marching Band can understand that this group is actually a "community" of dedicated musicians sharing common goals, interests, and friendships and working harmoniously in order to excel in regional competition.

The year's program begins in July when members meet twice a week to rehearse the selected programs of music. The highlight of the summer comes in August when we attend Band Camp for a week of intensive practice. During this period we have the time not only to fine tune our music, but also to become better acquainted with the other members of our "family" as we share with one another our insights, our hopes, our expectations. Many friendships are formed and bonded here, friendships that have endured through the school years and hopefully will continue for many more. Once the school year begins, we are involved with daily rehearsals as well as weekend competitions. This rigorous routine prepares us for the Finals at Giant Stadium, a competition in which we had the distinction of placing third in the Group One Division this year.

Participation in the Annual Spring Music Festival provides the band with a unique opportunity of visiting some rather exciting cities. Three years ago we traveled to Florida for Disney World's "Magic Music Days." For the past two years we participated in "The Festival of Music" at Myrtle Beach. This year the band members are looking forward to an exciting stay in New Orleans, Louisiana.

To all our fellow graduating band members, let the memories and the friendships march on, and to all our underclassman family members, keep the spirit alive and the pride in your eyes!

The Class of 94 salutes Mr. Paseltiner for his work in extra curricular activities.

His dream of playing professional baseball might have become a reality when he was offered a contract by the New York Yankees. Fortunately for Lindenhurst High School, this teacher opted to continue his education at Penn State where he earned his Master of Science degree before dedicating his life to the academic and social development of our students.

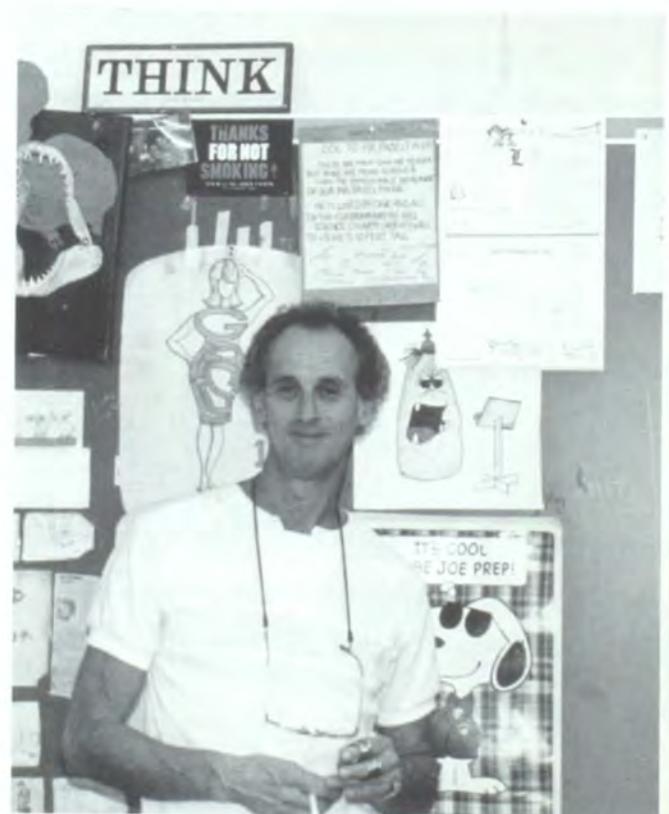

In addition to coaching J.V. and Varsity basketball and leading his teams to two League Championships, he has involved the Student Council in many annual service activities such as the Safe Halloween Project, the Thanksgiving Food Drive, and the Christmas Senior Citizens Breakfast.

In his own academic area, he had effectively imparted his knowledge of the subject, has written his own textbook, *Unified Biology*, has involved younger members of our community in elementary level science programs, and has also been influential in initiating Project L.E.F.T., an exciting program which has been an educational experience enjoyed by many seniors over the years.

Mr. Paseltiner, or Mr. "P" as he is affectionately called, has continued to demonstrate a tireless enthusiasm and selfless commitment to the students of Lindy High.

KEY CLUB IN BRIEF

The Lindenhurst Key Club is an extremely active school and community service organization. The Key Club has grown over the past couple of years, and now has an active membership of approximately 45 people. This past year they have sponsored various events such as: a never before held (at Lindy High) Stay Awake-Athon for the March of Dimes, two blood drives for the Long Island Blood Services, an "Adopt-a-Class" program at a local elementary school, food and clothing drives, parties and activities with a local senior citizens group, a joint fundraising project with their sponsoring Kiwanis Club for the American Cancer Society, the Muscular Dystrophy Association's **LOCK-UP** and the American Heart Association's **Jump Rope for Heart**.

KEY CLUB ANNUAL BLOOD DRIVE

The Key Club sponsored their annual Blood Drive for the Long Island Blood Services on November 18, 1993. The project was organized by Key Club member, Kathleen Moss, and JROTC member, Debbie McCandless. Eighty-seven pints of blood were donated. Another blood drive has been scheduled for May 19, 1994.

KEY CLUB STAY AWAKE-ATHON

The Lindenhurst Key Club sponsored a Stay Awake-Athon, as a fundraiser for the March of Dimes on October 15-16, 1993, at the Lindenhurst Senior High. The project was organized by club president, Brenda Cristiano. It was a definite success. The Lindy Key Club as well as other Key Clubs from throughout Long Island participated, and approximately \$3000.00 was raised.

The MCJROTC encourages participation in the community and encourages the participation of the cadets involved. It does not only consist of basic drill instruction, manual of arms, and how to conduct parades and inspections, but also includes field trips to Washington D.C., Virginia, and the annual trip to a military base, where the cadets experience some military life for a week. The MCJROTC helps to develop strong and informed leaders for the future.

The Lindenhurst High School Ski Club has been active for many years. During this time it has grown to be one of the largest clubs in the school. Over the last few years more than 200 different students have skied each year with the club. The trips vary from one day trips to the Catskill or Berkshire Mountains to a weekend in the Green Mountains of Vermont to five days in the Laurentian Mountains of Canada. The club enables members to improve existing skills and on many occasions has introduced the sport of skiing to students for the first time. Many of our novice skiers have used their four years of high school to perfect their skiing to the level of expert. The club welcomes any eligible student to ski with us and experience the exhilaration of schussing down one of nature's greatest wonders.

SAVE THE WETLANDS!
Frogs croak without 'em

DON'T POISON MY POND!

A tree-shaped air freshener

For every ton of wood a forest grows, it removes 1.47 tons of carbon dioxide from the atmosphere and returns 1.07 tons of oxygen. A tree's ability to convert carbon dioxide to oxygen is greater when it is young and growing. Why not plant an "oxygen factory" in your neighborhood?

City dwellers can plant trees to improve the environment and combat global warming. Planting a tree also will help screen your hometown from noise and air pollution.

Are we running out of trees?

Some environmental advertising may be misleading. How valid is the "we saved a tree" claim seen on many products today? The trees that provide paper, building, and packaging materials are grown much the same as a crop of wheat or corn. In the U.S., responsible lumber companies grow more wood than is harvested, and preserve natural habitats.

In the U.S., trees are a renewable resource. We recycle paper not so much to save a tree — but because in many cases it requires less energy to recycle paper than to produce virgin paper. Conserving energy is the first step in preserving our natural world.

Crossing the River with Dogs

A family of five and their five dogs (each family member owned one of the dogs) were hiking when they encountered a river to cross. They rented a boat which could hold three living things — people or dogs. Unfortunately, the dogs were temperamental: each was comfortable only with its owner and could not be near another person (not even momentarily) unless its owner was present. Dogs could be with other dogs, however. The crossing would have been impossible except that Lisa's dog had attended a first-rate obedience school and knew how to operate the boat. No other dogs were that well-educated. How was the crossing arranged and how many trips did it take?

ANNUAL SPRACHFEST

For the second time in the five years since its inception, the annual Sprachfest was hosted by Lindenhurst Senior High School on Saturday, March 12th.

Over three hundred students from schools throughout Long Island, accompanied by their teachers, competed in such events as Oral Interpretation, Spelling and Vocabulary Bees, a Culture Bowl, Folk Dancing, skits, instrumental and vocal music, a poster contest, T-shirt design, cake-baking, gingerbread houses and more.

Lindy German student associations, under the guidance of their advisors, Herr D'Aquila and Frau Hecker, planned and organized the program, as well as the food concession, decorating, and clean-up. In addition, they competed in the events. Major Sureau's Junior R.O.T.C., acting as guides and chaperones, added an air of elegance in their colorful dress blues.

Financial contributions and judging assistance were provided by the A.A.T.G., members of the Steuben Society, and professors and graduate students from the Department of Germanic and Slavic Languages of SUNY Stony Brook.

. . . ditto, ditto!

Dear Michelle,

The first time I heard these words, I thought of you. Of all that you've done, and of all that you still can do. If you can keep these thoughts as your life goes on, then all of your dreams can come true.

Each day I live, I want to be
A day to give the best of me.
I'm only one, but not alone
My finest day, is yet unknown.

I broke my heart for every gain.
To taste the sweet, I faced the pain.
I rise and fall, yet through it all
This much remains

I want one moment in time
When I'm more than I thought I could be.
When all of my dreams are a heartbeat away,
And the answers are all up to me.

Give me one moment in time
When I'm racing with Destiny.
Then in that one moment in time
I will feel, yes I will feel, eternity.

I've lived to be, the very best.
I want it all, no time for less.
I've laid my plans, now lay the chance,
All right here, in my two hands.

Michelle, you're a winner for a lifetime
If you seize . . . that one moment in time.

To "Editor" Joe —
Always keep planting the seeds
of your dreams . . .
Believe in them . . .
And they will blossom for you . . .
WE'RE SO PROUD OF YOU!
Love Mom and Dad
