## LINDENHURST SENIOR HIGH SCHOOL

*"All Students Can Learn"*

300 CHARLES STREET • LINDENHURST, NEW YORK 11757 • 516-226-6445

January 13, 1995

FRANK M. SMITH  
PRINCIPAL

RICHARD J. BIANCANIELLO  
JAMES F. CONNOLLY  
FRANK PICOZZI  
ASSISTANT PRINCIPALS

To The Class of 1995:

Your graduation from Lindenhurst Senior High School represents a "passing through." Your four years of high school were years of structure and direction. As you leave us you enter an unstructured world and you now must find your own direction. You are moving from a period of security to a period of confusion. However, I am greatly impressed with your academic accomplishments, the level of your involvement in the school community, and the sophistication by which you address the world.

The education that we have provided you here has been sound if we have taught you how to learn. Through learning you become a better person; a person who understands that part of being brave is to fear. Learning shows us that the purpose of life is to do something that makes a difference. You are excellent models of the product that develops as a result of good families, a community supportive of education, dedicated teachers, and a truly outstanding school that will continue to meet the needs of all students.

I personally have enjoyed working with you. I could not have asked for a more cooperative or spirited Senior Class to be with upon my return as Principal of Lindenhurst High School.

As you move on, we, of course, wish you the best that life has to offer. From our association, I have learned many things from you and consider myself fortunate to have known each of you. Thank you for all you have contributed to Lindenhurst High School. Go out into the world and continue to give to yourself so that you can give to others. God bless each of you.

Sincerely,

  
Frank M. Smith  
Principal

This yearbook is dedicated to  
our favorite faculty member  
Mr. Lee Paseltiner

This yearbook is dedicated to a very special person, Mr. Lee Pasetiner. He has touched all our hearts in so many ways. Not only is he a great teacher but also a friend to anyone who needs him. He has dedicated himself to this school for many years. We owe alot to this man. If it wasn't for him many of the school activities would never have come about. We would just like to let him know that although we're graduating we will never forget him and all he has done for us. Thanks Mr. P. for everything.

## MATTHEW TERZELLA

### **The Road Not Taken** by Robert Frost

Two roads diverge in a yellow woods,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth:

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that, the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

#### Remembering You

God looked around his garden  
and saw an empty space.  
He then looked down from  
heaven and saw your tired face.  
He put his arms around you  
and took you in his car.  
To make up for all your suffering  
He wanted you up there.  
It broke our hearts to see you go  
But you did not go alone.  
For part of us went with you  
the day God called you home.  
Deep in our hearts your memory  
is kept.  
To Love and cherish and never  
forget.

## Unknown Places

Unknown places in the heart  
that web their existence far apart  
Like nursery school and Sesame Street,  
Growing up in the back seat.  
Alphabets, the second grade  
Report cards that will all soon fade  
Playing house, wedding rings  
Learning first to sprout your wings  
Still biting nails and picking scabs  
Blue station wagons as taxi cabs  
... And no one's picking up the tabs  
Deathly nightmares, bloody stains  
... Somehow something's quite insane  
Greeting smiles, scary faces  
Strangers, friends and unknown places.

High school tests, teachers' sighs  
I think I learned to fly too high  
Diets, heath, puberty  
Relationships and jealousy  
Unknown hopes, lurking fears  
An outside smile, inside tears  
Respect, decorum, four letter words  
Like trust and love and Godly nerds!  
Expecting truth, finding lies,  
Betrayal, pain and helpless cries  
Dungeon monsters lurk inside

The unknown places are where they hide  
Permanent settings that won't last  
My wings are clipped, I'm falling fast  
A black day, flashback pain  
A remembered face, pouring rain  
... somehow something's quite insane  
Greeting smiles, scary faces  
Strangers, friends and unknown places.

Determinations, falling success  
I really tried to do my best  
Without a card on a holiday  
I failed again in another way  
Masterpiece pictures, beautiful songs  
Are scribbles and words that come out wrong  
Expectations, pressure soars  
Realizations I will ignore  
Untrue secrets that are never told  
I can't get back the wings I've sold  
I can no longer fly to my unknown place  
And see the faint smiles on a familiar face  
Through all things in your life and mine  
Love is difficult to define  
A smile, a tear, a heart that's maimed  
Something's lost; another gained.  
... Somehow something's quite insane  
Greeting smiles  
scary faces; Strangers, friends and unknown places

Great Kick Charlie!!!

## Mr. Hansen

For four long years I've washed this "suit" and goodness, what a chore!  
I've seen the grass, the blood and dirt, the stains and grime galore.  
I've held it very gingerly, then dropped it in the wash  
While thinking, "Next week, wash again, o gee o lord, o gosh!"  
I've opened all the windows as I've squirted on the "Shout",  
I've breathed the fumes that clogged my lungs, of that I have no doubt.  
The fortune of detergent, the time I've spent—I shudder,  
for four long years I've washed this "suit", you now can call me "mudder."  
But today I wash this uniform perhaps the final time,  
After all those years of drudgery, I failed to see the grime.  
I saw the boy who wore it with such pride and dignity,  
And suddenly, that football "suit" looked beautiful to me.  
I saw the dedication of my young man to the team;  
His pride to wear the uniform, to play the game and dream.  
I felt the tingling of the game, the tumult at the end,  
The heart, the spunk, the cheer and pat of every loyal friend.  
The character and goodness that this uniform helped to grow,  
And the precious boy who wore it is so special I can glow.  
If I had one wish for certain, the one I would adore—  
Would be to wash this uniform for four long years or more!

# Lindenhurst Winter Sport Summary

The Varsity and JV Wrestling teams, under the direction of Joe Russo, Tony Melosi and Ron Frole, captured the League II Championship this year, with a 12-1 overall record. The team placed second in the League 2 Tournament and 3rd in the Suffolk County Tournament, despite starting the season with only two returning seniors.

The team traveled to Herndon, Virginia, during the Christmas Holidays, and crowned 2 champions. Three wrestlers captured titles at the Ted Peterson Tournament and the Lindy Invitational. Nine boys were crowned All-Leaguers, with 7 finalists and 3 Champions at the League Tournament. At the County Championships, Lindenhurst recorded its highest finish in over 20 years.

Four wrestlers won All-County honors, and two Bulldogs were crowned County Champions (Mark Frole and Rob Fries). Mark's 3rd place finish at the New York State Championship earned him an All-State designation, making him the first Lindy wrestler since 1982 to receive that honor. All in all, an outstanding season for our Lindy Wrestlers.

Coach Russo was recently nominated to the Wrestling Hall of Fame in Stillwater, Oklahoma for his outstanding coaching and officiating accomplishments. A new Wing at the Hall of Fame will recognize coaches and officials from across the country in an induction ceremony this May. Joe's picture and wrestling highlights will be depicted in a tile displayed on the wall.

Joe has been cited as one of the top ranked wrestling officials. He has an International Referee's License, and will officiate at the U.S. Olympic Sports Festival in Colorado this July. Coach Russo has refereed at World Team and Olympic Trials, and has set the Australian Olympics in the Year 2000 as his goal to officiate.

Coach Paul Brodmerkel's Middle School Wrestling squad had an outstanding season, finishing with a 7-2 record. Both dual losses were very close, and the 7 victories showed Lindy's complete domination of its opponents. Two wrestlers, Joe Davidson and Keith Gibson, moved to the Varsity team because of their advanced skills and abilities. Captain Joe Calabrese led the team with 9 falls, and Steve Sebastopoli was undefeated with 11 victories.

The Boys JV Basketball team, under Coach Ken Schmatz, was a young and inexperienced group of athletes. With 3 sophomores on the Varsity team, it was up to others to step up into unfamiliar roles. Captains Tim Swenney, Akili Carter and Pat Inzima did their part as leaders to get all the members of the team up for every practice and game.

The Lindenhurst Boys Varsity Basketball team finished with a record of 6-6 in league play, narrowly missing their third straight post-season appearance. Injuries and illnesses handicapped the team in establishing a set line up, but the group jelled at midseason for their annual run at the playoffs. Coach John Albano was proud of the consistent effort of Brian Regan, who led the league in 3 point goals with 49, and averaged 17 points per game for the Bulldogs.

Freshman Basketball's season was highlighted by big wins against Northport and Bay Shore. Coach Dan Atkinson's boys also dominated Hills East with two victories. Outstanding prospects in years to come include Center Mike Garafola, and Forwards Anthony Caldararo, Rafal Sleszynski, and Joe Corrar.

The Middle School Boys Basketball team traveled all over the district to practice and play, but showed tenacity in salvaging a winning season. Coach Dennis Albano's squad thrilled the fans with exciting games and close finishes. The future of Lindenhurst Basketball is alive and well with this aggressive group of players.

Girls Varsity Basketball saw last year's Assistant, Ellen O'Donnell, become the New Head Coach. Taking over a program that saw a lot of transition in the past three years, Coach O'Donnell focused the team on fundamental skills and prepared them for competition in the

toughest league in Girls Basketball. Highlight of the season was winning the West Islip Holiday Tournament. Senior Lauren McGowan, the team's "go to" center, led the Bulldogs with her dogged dedication and determination.

The 1995 Girls JV Basketball team also saw a new Coach, Kellie Carey, this year. The season was a challenging one in numbers, with austerity limiting the recruits for this sport season. The girls worked hard to improve their individual skills, and develop team concepts and plays. Next year should be more promising for this young squad.

Coach Bob Slowey's Boys Bowling team finished another successful season, finishing in third place in a very closely contested League One. This was the strongest team in the last three years improving their team average by 50 pins per game. The Bulldogs were led by Captain Rich Schementi with a 180 average and a team high game of 264.

Coach Ray Maraviglia's last season as Head Coach of Girls Bowling will long be remembered. Malissa Fusco set a new school record with a 629 high series, and finished in 2nd place in the County Tournament. Victoria Stuhldreher's 623 high series placed her third in the Counties. Malissa and Vicky placed 2nd in doubles in the "A" Division, and Kim and Jennifer Brandt placed 2nd in the "C" Division.

Cheerleaders continue to lead the spectators in spirited cheers and rousing routines. Coaches Michele Corcoran and Angela DeStefano combined squads for the Basketball season. The girls dedicated themselves to learning new cheers, stunts and dance routines. The enthusiasm of this group was contagious and their spirit generated excitement for all the Lindy fans.

Coach Anne Wishniak's Freshmen cheerleaders support both the Freshmen and Junior High Basketball teams. They have dazzled the crowd with their various routines, mounts and stunts. Their spirit, devotion and creativity set them apart and made them one of the most popular groups in school.

Winter Track Athletes participated as Independent Competitors with the West Babylon Boys and Girls Teams this year. Unfortunately, not enough athletes signed up in this Austerity Year to field a Lindenhurst Team. Kristy Kleiner, Jennifer Sciacia, and Ira Shetty competed with Coach Joe Rossi, and Chuck Hoffken, Dan Hosey and Stefan Hespeler competed with coach Vie Nello.

Ira Shetty placed second in Shot Put in the County to qualify for the New York State Championship. She also set new school records in the 55m. Hurdles and Shot put this season. Ira qualified for the Pentathlon in the National Championships and brought home Lindenhurst with a 13th place showing. Kristie Kleiner was equally committed to a successful season, and established personal bests in the 55m, hurdles and 55m. dash.

Coach Rich Ryan and Coach Tom Comelia were proud of the accomplishments of their young squad. Mark Biegluk led the Boys Swimming and Diving Team, and was crowned County Champion in both the 100 Butterfly and 100 Breaststroke. He qualified for the New York State Championships, where he was the defending Breaststroke Champion for 1994. This year, Mark placed 6th in the event, again being named to the All-State Team.

Lindenhurst High School is also proud to announce that 93 Winter Sport Athletes were named Scholar Athletes. This distinction is achieved by averaging 92 or over (Principal's List), 85 or over (Honor Roll), or 80 or over (Merit Roll). In addition, 10 All-League, 6 All-County, 3 State Qualifiers, 2 All-State, and 1 National Recognition Athletes were selected from these teams.

Congratulations to all athletes, coaches and teams for this fine representation of Lindenhurst Athletics.

Baseball's most exciting summer in years came to a halt last week with a strike that threatens to kill the season. But as owners and players bicker over money, fans everywhere are disgusted at the greed that may be destroying America's game.

To The Class of 1995,

It is with a strange mixture of melancholy and pride that we bid a farewell to your class. You are one of the strongest links in a chain of outstanding classes that have passed through the doors of Lindenhurst Senior High School. You embody the ideal of "Lindy Pride". We are most proud of your undying positive spirit which always made the most of whatever resources were made available to you. Don't lose that spirit! Continue to strive to be the best even when the odds are against you. You have already shown your ability to rise up on such occasions and never give up.

Finally, celebrate because you deserve it! It has been a pleasure and a privilege to work with such a unique and enthusiastic group. We will miss you. Best wishes and congratulations.
