How did we do it?

As Freshman we were lost building a float. But with the help of the class of 1997 who took us under their wing and worked with us as a team on "Peter Pan" we eventually learned to work on our own. Our Sophomore year we dedicated many long hours on painting our little school house to celebrate

125 years of Lindenhurst. The Biggest Pair of Pants ever built was in our Junior year. Although we have had our troubles we all pulled together and managed to get the job done. Even though we never actually won first place, in the end we came out on top with the amount of love we shared with one another.

NATIONALS

Stefanie Cutolo and Nicole Buscema were the two student council leaders that were picked to attend the 61st National Association of Student Councils (NASC) Conference June 23rd-29th 1997, at Paradise Valley High School in Paradise Valley, Arizona. With the theme of "Lasso the Grand Experience," the national conference included effective leadership workshops, community service acts, and many educational speakers. While in Arizona they visited Big Surf and Rawhide. Because of this conference Stefanie and Nicole were able to bring home new ideas for our Student Council.

This year the 10 executive board members of the National Honor Society attended the annual National Honor Society Conference in Houston, Texas. November 7-9th 1997.

NYSASA

On November 23rd, 1997 six students and two advisors packed into a van to attend the annual New York State Advisor Student Association (NYSASA) Conference in Syracuse, New York. The students who attended were Stefanie Cutolo, Nicole Buscema, Lily Hui, Frank Cush, Jeff Larson, and John Loiacono. The two advisors that attended were Mr. Paseltiner and Ms. Scharf.

By exchanging ideas and attending leadership workshops, our Student Council has directly benefited from the accomplishments of others, while imputing their own ideas and policies. The excellence provided at the leadership workshops created a solid foundation in which we were able to build on. During the trip many exciting events occurred. Frank Cush and Ms. Scharf were the Student and Advisor District Representatives last year, and were reelected to continue their fine efforts they started last year. The Student Council was awarded with a plaque for their 4th year in the Honor Council. Congratulations to this years Student Council and the ones in years to come.

DANIEL GIORDANO
LOUIS YAMPIRO
Assistant Principals

To The Class of 1998:

My sincerest congratulations on your graduation from Lindenhurst High School. I am extremely confident that we have provided you with a sound education. I believe that the education we have provided you has been sound if we have taught you how to learn. Through learning you become a better person; a person who understands that part of being brave is to fear. Learning shows us that the purpose of life is to do something that makes a difference. Unless you understand the importance of learning, the many experiences you have had at Lindenhurst High School and all we have taught you will be of no value. You are excellent models of the product that develops as a result of good families, a community supportive of education, dedicated teachers, and a truly outstanding school that will continue to meet the needs of all of its students.

I personally have enjoyed working with each and every one of you. I consider myself fortunate to have known you and for the knowledge I have gained from you. The Class of 1998 has not only distinguished itself as an outstanding class, but has made this Principal extremely proud of you and thankful that he has had the opportunity to work with such wonderful people.

I hate to see all of you leave us but know that you must move on. In doing so, I wish you the best that life has to offer. Go out into the world and continue to give to yourself so that you can give to others. I will miss all of you.

Mr. Ed Hayes

A model teacher . . .
One who listens and hears . . .
One who cares and understands . . .
and above all, one who teaches us
to take the right path.

Touch  OF
 CLASS

High school is almost over
Our final day is here
Our childhood is ending
Our days are filled with fear
Moving up into the world
Is now what we must do
No more wasting time
Just hanging at the "shoe"
Our friends will go to college
Some will even move away
But we never will forget
The pride we feel today
We're graduating high school
We finally made it through
But now that we must leave it
We're not sure just what to do
We lead the life we live
And no one wants to be a fool
Four years filled us with knowledge
Four years at Lindenhurst High School
Our future lies before us
The path is ours to choose
Our futures will burn brightly
If we'll only light the fuse.

*You built your wall securely,
Vowing not to let anyone in.
You built it with sadness and pain.
A combination hard to break through.
People have tried to make it fall,
But you kept building.
Finally, it became so high
You found yourself alone.
Alone with fear and blood.
And then he came along,
Never pushing or trying to break it.
Soon, you began to take down your bricks
Struggling with each one.
But somehow you did it.
You came to a height
Where you could see.
He built a ladder for you
And then a bridge to cross.
You were weary, but did it.
You let down your wall
For a love whose power
Was greater than all pain.*

This year Lindy's Chess Club under the direction of Mr. McCandless performed well. You can always find a great game of chess going on in room 227!!

Renaissance Club

Again, Mr. McCandless as well as Mr. Finder and Mr. Goseline head up a new club at Lindy called the Renaissance club. This year, they are attempting to put together a Renaissance fair for the elementary schools to enjoy.

International Law

For the first year at Lindy Seniors have had the opportunity to take a class developed by Mr. V and Ms. Wolters called International Law. Under the direction of Mr. Viggiano, this year's class has raised money for the rainforest through such activities as a Friendly night, tee shirt sale, movie night for the elementary schools and a volleyball tournament here at the High School.

Mock Trial

Under the direction of Mr. DeVenuto and with the help of Mr. Pramitaris, the Mock Trial pictured here at right, had a very successful year. This is another 1st year club that has taken root here at Lindy.

Environmental Club

With Mr. Henderson and Mr. Forti leading the way, the Environmental Club is blooming here at Lindy. The greenhouse is once again up and running as well as Mr. Henderson! They look forward to many community projects this upcoming school year.

Math Club

This year's Math Club had a very good year. This year three of its members participated in the Suffolk County Math Tournament. Way to go Math Club!

Dowling

Once again Dowling and Lindy has offered a unique experience to our seniors. The group pictured here are earning credits for their freshman year of college. Talk about getting a head start!

Foreign

German Club photo not available

The Foreign Language Clubs at Lindenhurst High School have been booming with membership on the rise and advisors that are willing to go the extra mile. These clubs are making a big difference here at Lindy. This year's International Dinner was a great success with many parents, teachers, students and guests in attendance.

Hallway decorating is another place where these clubs shine. Hours of work goes into these holiday designs and it shows.

Lindenhurst High School's Varsity Boys Swimming & Diving Team recently captured their second consecutive League II title by posting a perfect 8-0 league record. Coach Rich Ryan attributed the team's success to a collective, enthusiastic effort by many experienced swimmers. Indeed, eight team members were All-League selections.

Some standouts were senior diver **Daniel Impellizeri**, junior swimmer **Michael Kamme** and sophomore swimmer **Brian Bivona**. Michael was an All-County selection in 100-meter backstroke; Brian was League Champion in the 50- and 100 meter freestyle; and Daniel was an All-League diver.

The team's best performance of the season took place earlier this winter during the league championships at Ward Melville. Lindenhurst finished first out of five teams, winning by more than 50 points. Hats off to these Lindy champions!
