The Lindy Way

Celebrating our Ukrainian Friends!

Our school is fortunate to have a great, inclusive group of friends from Ukraine. We are with you in these trying times!

The good news is Lindenhurst already has a strong Ukrainian community! Out students shown here have lived in Lindenhurst most of their lives, but identify with their Ukrainian heritage.

Proud Ukrainian Shares her Experience

I woke up on February 24th 2022 in a panic. My whole life was totally flipped upside down. After all, my brother and his wife, grandparents, and practically my whole family live in Ukraine. Even though I was born here in the U.S. and am fortunate enough to attend school and grow up in the town of Lindenhurst, I always grew up being proud of where my roots are. I arrived on the first day of kindergarten only knowing a few words in English and took a few years of ENL classes. You would never know it now, but I struggled to learn English for a while. Over time I got better but my parents always wanted me to remember where I came from. From bumper stickers of a Ukrainian flag on our car, to Ukrainian festivals, attending Ukrainian school and Ukrainian dance I always was proud to show off who I was even though few people really knew what Ukraine was before February 24th 2022. My day would start off with speaking to my parents in Ukrainian,

and then back to Ukrainian as soon as I walked through the door. Walking through the doors in the 9th grade and seeing the “Яккаво просимо” (welcome) sign in the language hallway I knew the next four years would be a time well spent.

Today as a senior I walk through the halls and hear Ukrainian from kids I've never seen before which is strange because all of us who grew up here are tight-knit. We're the “everybody knows everybody” type of people. But hearing this made me sad and happy. Sad because these kids are ripped away from their homes, their parents, their friends, their teachers but happy because having an opportunity here is something great and not what many people get. It's sad the opportunity had to come at such an expense. Lindenhurst High School did many fundraisers and announcements on Ukraine and I'm grateful that I get to graduate from somewhere that can make me show how proud I am to be Ukrainian. I hope the future of Lindenhurst High School continues to flourish with Ukrainian students. I wanna thank the Lindenhurst High School for

want to thank my graduating class as well. The kindness and support from people I don't even know is something I never expected. Слава Україні!

-Ariana Ostafiychuk Class of 2023

It is very sad when people have to leave their homes, but it can be happy when new friends arrive! These students are newcomers to Lindenhurst. We welcome them with open arms and hope that they have happier days ahead of them!
