FOREWORD

Western Man stands before the twin precipices of Hope and Fear. Somehow he is finding it increasingly difficult to distinguish between Right and Wrong. The recognition of moral responsibility and incumbent moral action has almost become a thing of the past. By alienating himself from issues of deep human import he is entering a slow process of self-dehumanization.

Now is the time for us to re-evaluate our existence as a free people, to question again why we are here and what we stand for. From this moment forward, let us, the Senior Class of 1964, dedicate ourselves to those voices that cry out in the wilderness for all men to

“Live Pure,
Speak Truth,
Right Wrong.”

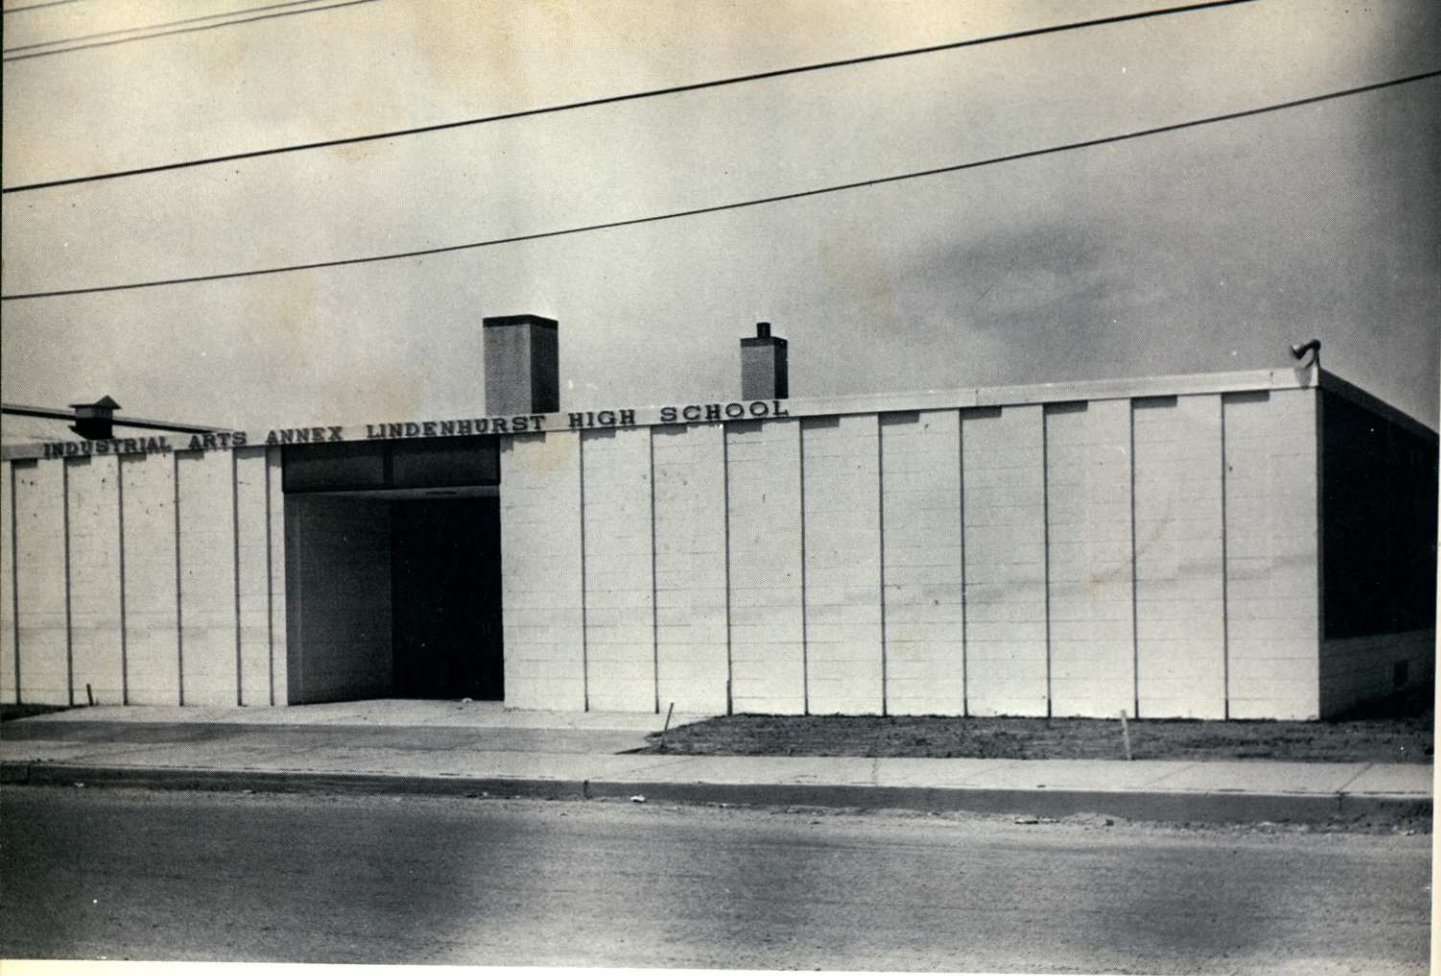

DEDICATION

This 1964 Yearbook is dedicated with the deepest respect and appreciation to our assistant principal, Mrs. Etta Easton.

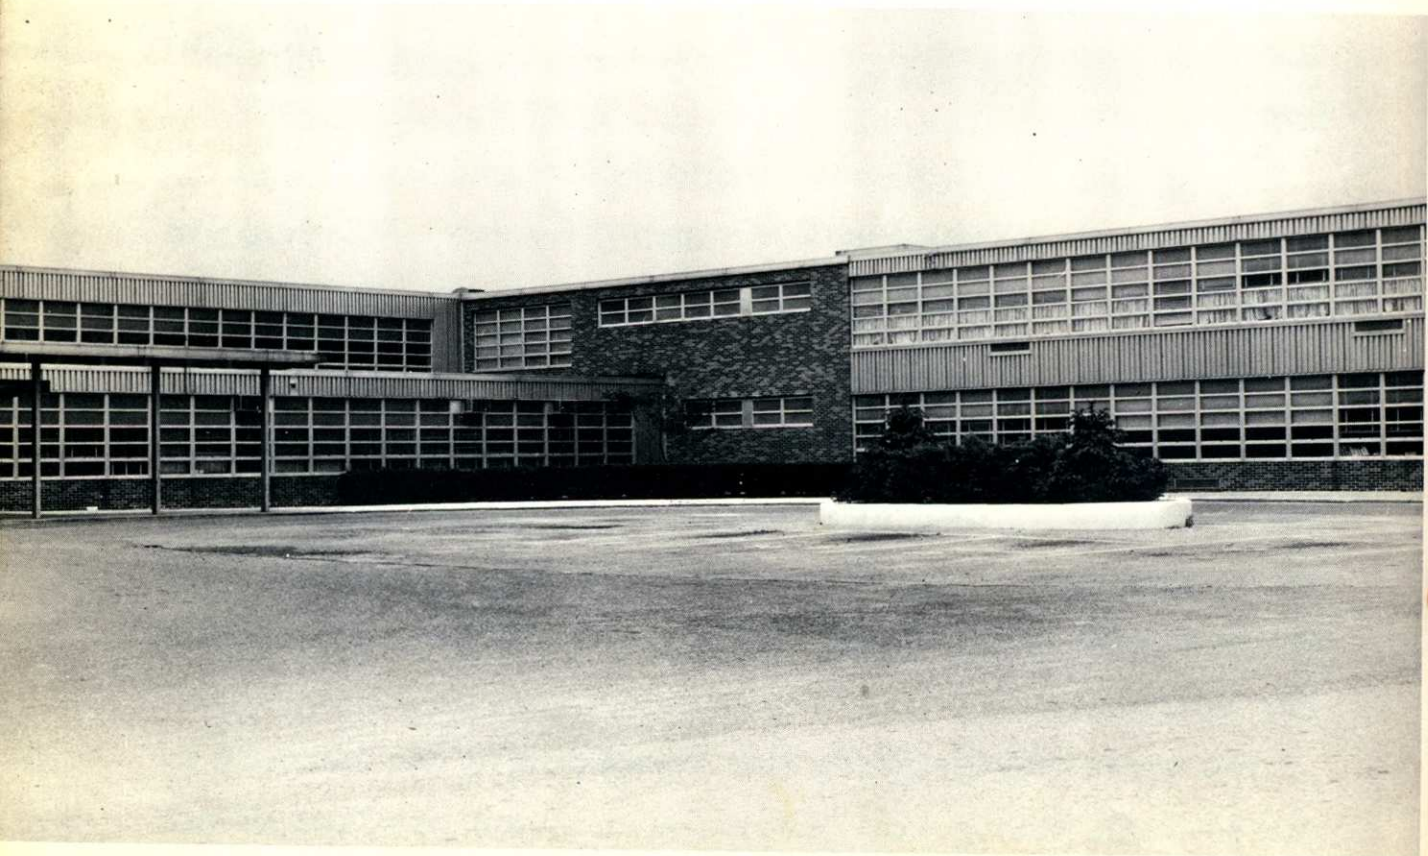

Throughout her career in Lindenhurst, as teacher and assistant principal, she has been noted for her willingness to take a personal interest in the problems of the students, the teachers, and the school.

During these past years, she has guided the students in their endeavors and has helped to make our high school years the best of our lives. She is a lady who combines spiritual with social grace and we, the students, have loved her dearly.

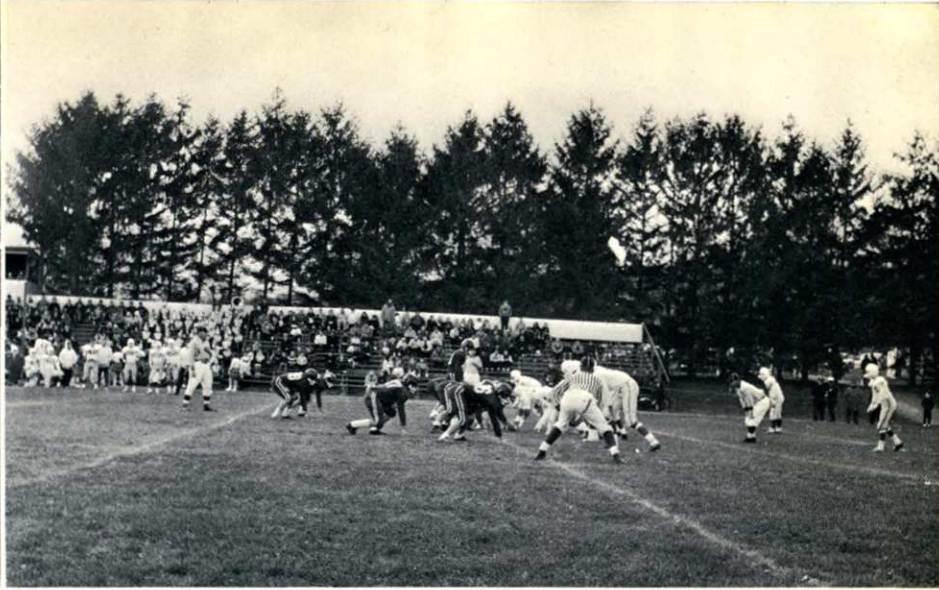

We gratefully dedicate this Yearbook to her because of our pride in having had her as the assistant principal of our high school.

TO THE CLASS OF 1964

I have known most of you all the time you have been in secondary school and the acquaintance has been very pleasant.

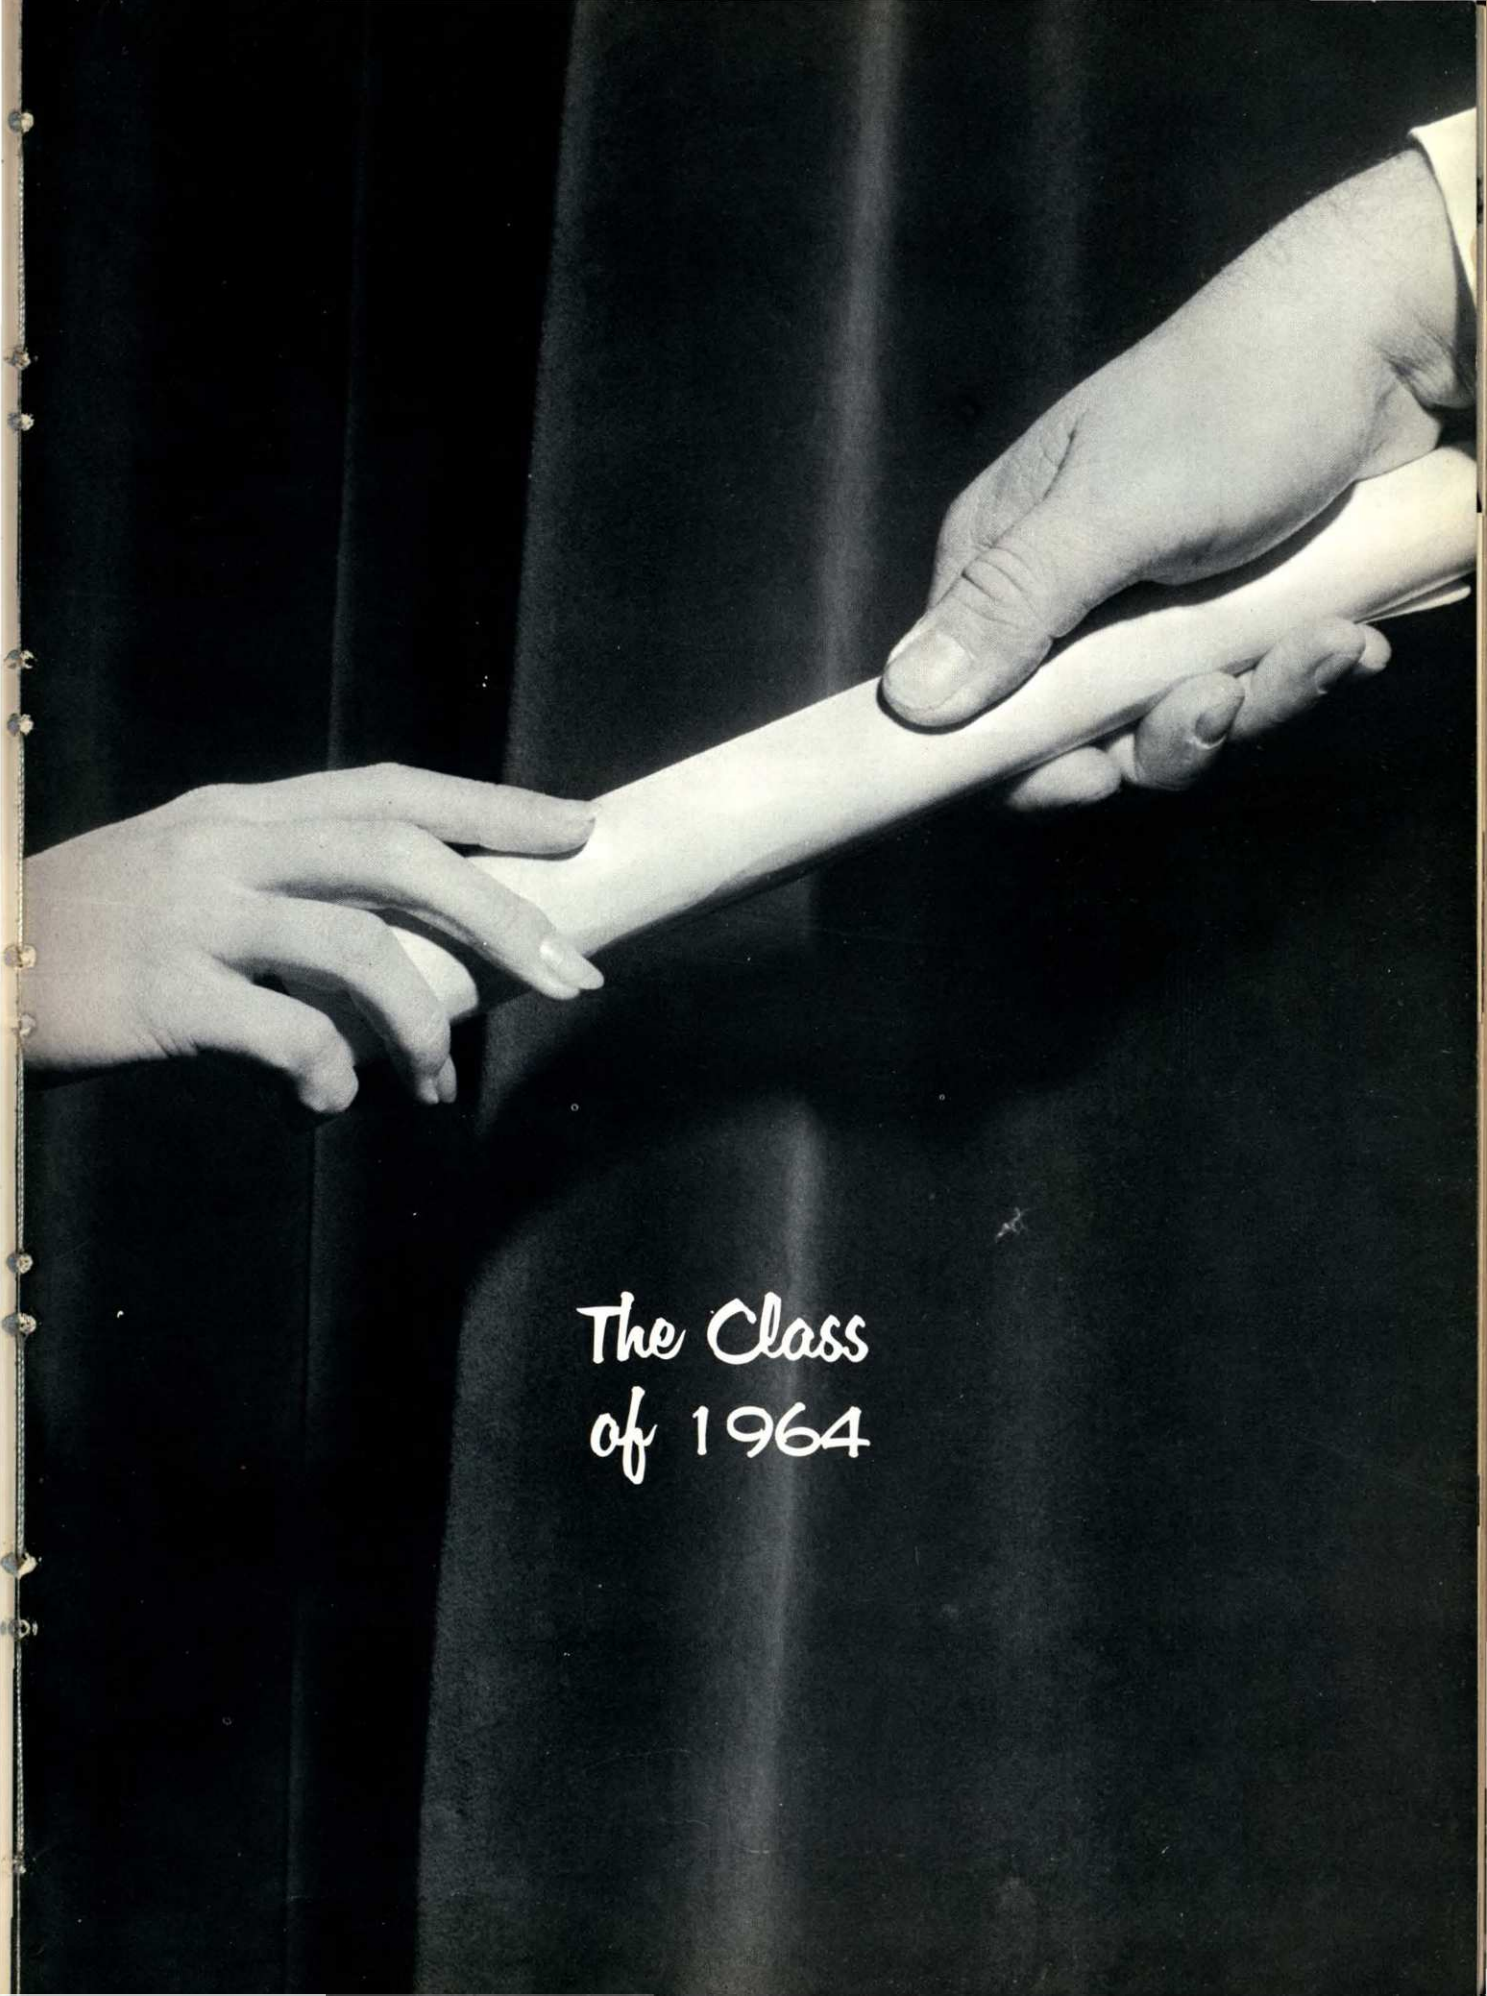

I hope I have helped make it possible for each of you to receive the kind of education you felt you needed, and that I have helped your teachers to give you the guidance necessary to begin a growing understanding of the subjects they taught you.

I hope we have instilled in each of you, in some measure, an appreciation for the arts, the sciences, language and literature, and have helped you develop a background of knowledge that will serve you well in whatever your future pursuits may be.

I speak for the entire staff of the high school when I say, I wish you well.

May your life be successful and happy.

Senior Poll for Posterity

(Taken on February 11, 1964 to leave a legacy of miscellaneous information. The editors suggest that you somehow indicate how you voted then, or if you were not among the 315 polled, to indicate where your opinion would have rested.)

*Number after answer is the %, one in () is votes.

1. What is your favorite television program? As could be expected the class splintered among the numerous shows available, with the following programs excelling: The Fugitive — 19 (46), The Outer Limits — 11 (28), Dr. Kildare — 8 (20), Bonanza, Mr. Novak — 7 (18 each), Dick Van Dyke, McHale's Navy — 5.4 (14), Combat, Hootenanny — 3.5 (9), Burke's Law — 2.7 (7), Beverly Hillbillies, Arrest and Trial, Eleventh Hour, TW3 — 2.2 (6), Others — 21 (55), and finally 8 (21) don't watch television. Total — 253 votes.

2. Your favorite radio station? WINS — 37.5 (118), WMCA — 26 (81), WABC — 19 (60), WGLI — 10.5 (33), WHN — 3 (10), WBAB — 2, WBZ — 1, WMGM — 1, don't like radios — 3, and 3 listen to Radio Free Europe. Total — 312 votes.

3. Do you think yourself a conformist? This is amusing because only 27.4% (84) think themselves conformists while 72.6% (222) do not. Could it be that the 64 class conforms in its non-conformity? Total — 306 votes.

4. Do you like classical, folk, rock and roll or jazz? Rock and roll — 69.1 (215) folk — 19.6 (61), classical — 6.4 (20), jazz — 4.7 (15).

5. Which singer or instrumental group do you like best? The Beatles — 48 (112), Johnny Mathis — 8 (22), Peter, Paul and Mary — 7 (18), Four Seasons — (14), Tymes — (11), Connie Frances (8), Elvis Presley — (8) You remember him, don't you? Beach Boys — (5), and (70) others totaling 26%. Total — 269 votes.

6. Do you think your education worthwhile in directing you to your future profession? Yes — 87.7 (271), no — 12.3 (38). Shows success on the educational means used, at least now before the class tries to go into the profession of their choice. Total — 309 votes.

7. Did there seem to be strict, moderate or lax school rules? Strict — 27.2 (83), moderate — 66.8 (203), lax — 6 (18), total — 304 votes.

8. Would you have these rules visa versa? Yes 35 (95), no — 65 (179), illustrating little rebellion on the part of the students. Total — 274 votes.

9. Did you learn as much as you expected and wanted? Yes — 51 (152), no — 49 (145). Total — 297 votes.

10. Do you agree with the ban on the school prayer? Yes — 14 (41), no — 86 (260), one "none of your business." Class finds itself in general disagreement on the Supreme Court ruling, perhaps meaning the court was wrong? Total — 302 votes.

11. Have your religious beliefs increased or decreased during your High School life? Increased — 59 (178), decreased — 23 (69), neither, remains the same — 12 (35), question shouldn't be asked — 6 (18), no effect from High School — (2) Note — Religious beliefs, if they really exist, cannot stay the same. Total — 302 votes.

12. If the U.S. should find itself in such a position that all other alternatives were closed save a world war with the Soviet Union OR surrender to the Soviet Union, which would you favor? War — 96 (285), surrender — 1.8 (5), situation could never arise — (4), no comment — (2), suicide — one. Total 302 votes.

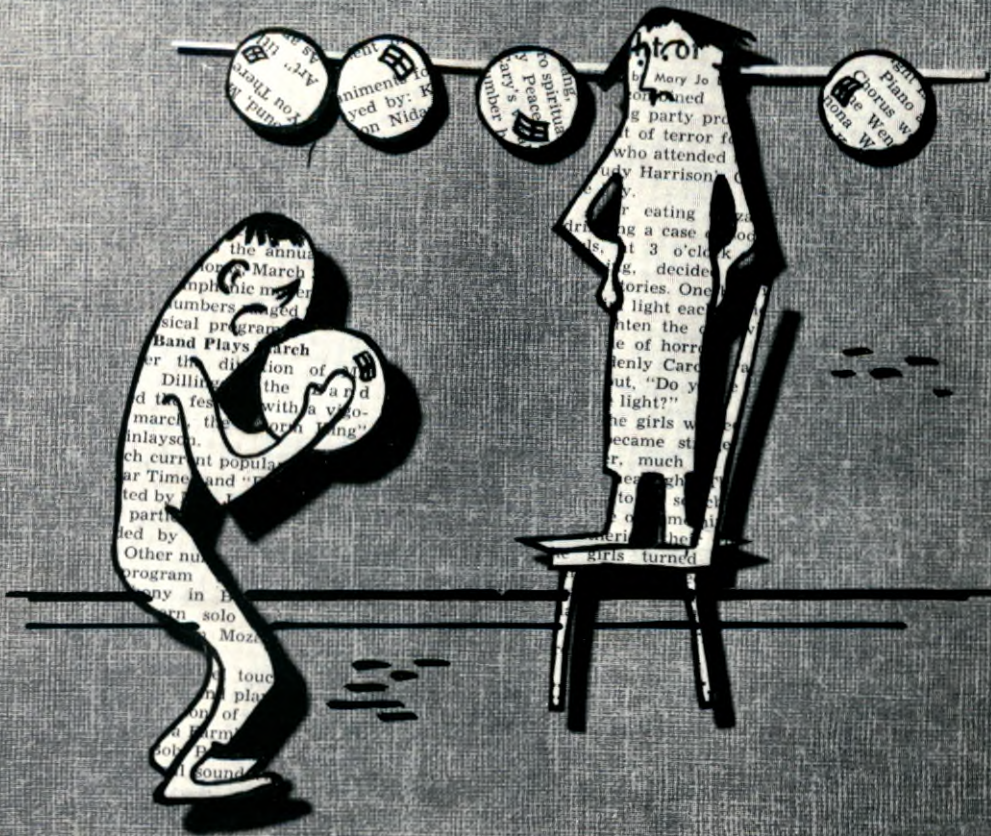

13. Who would you like to see be President for the coming four years? Lyndon B. Johnson — 53.8 (150), Robert F. Kennedy — 15.9 (44), Barry M. Goldwater — 12.2 (34), Richard M. Nixon — 9 (25), Margaret Chase Smith — (4), Ringo Starr — (3), others — (5). Coincides with the national mood quite similarly and shows that a ticket of Johnson-Kennedy against one of Goldwater-Nixon would have been landslided into office on the date of the poll. Total — 278 votes.

14. Are you working, looking for a job or don't want or need a job? Working — 30.1 (90), looking for a job — 60 (168), don't want or need a job — 9.9 (39). Total 297 votes.

15. Do you expect to make it into the 21st century? Yes — 88.6 (27), no — 8.8 (27), maybe — 2.6 (8). Fittingly one answer to this question turned out, "No, not the way I drive." This is worth remembering if you intend to even get into next year, let alone 2000. Total — 311 votes.

One of the highest honors that can be bestowed upon any student at our school is the acceptance into the Lindenhurst Chapter of the National Honor Society.

Four attributes are needed for acceptance: Scholarship, Leadership, Service, and Character. A student cannot be accepted until he is a junior or a senior and he must also have an academic average of eight-five or above. Two inductions are held each year and graduating members receive the Honor Society seal on their diplomas.

The society has such duties as maintaining the Honor Roll bulletin, ushering at graduation, and tutoring other students.

Our Junior Prom

"OUR JUNIOR PROM"

On May 29, 1963 at 8 p.m., one of the spectacular events in 'our' high school days took place at Naranganset Inn — our Junior Prom.

As we entered the hall, the music of Leo Urseni's Band greeted us — to insure a most enjoyable evening. A buffet dinner was served and this was only one of the events that took place that night. The crowning of the Queen was yet to take place and in the course of a few quickly passing hours, Leila Cullen was voted as the Queen. That evening drew to a close much too fast and as the band played the last dance, the evening was completed and it will be one never to be forgotten that, OUR JUNIOR PROM.

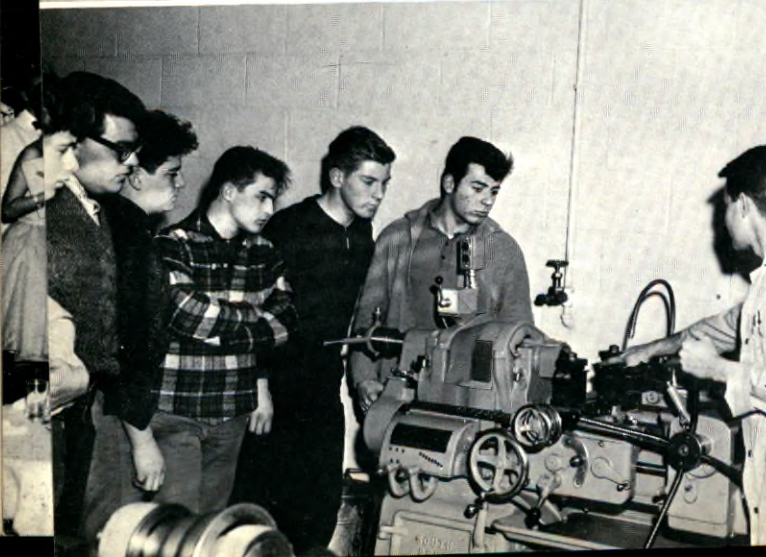

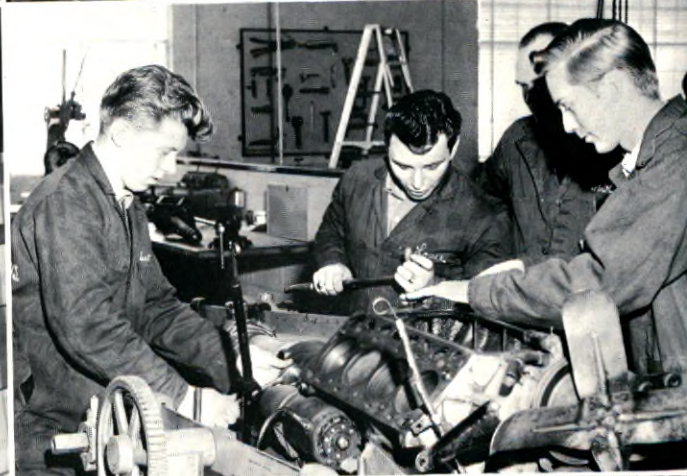

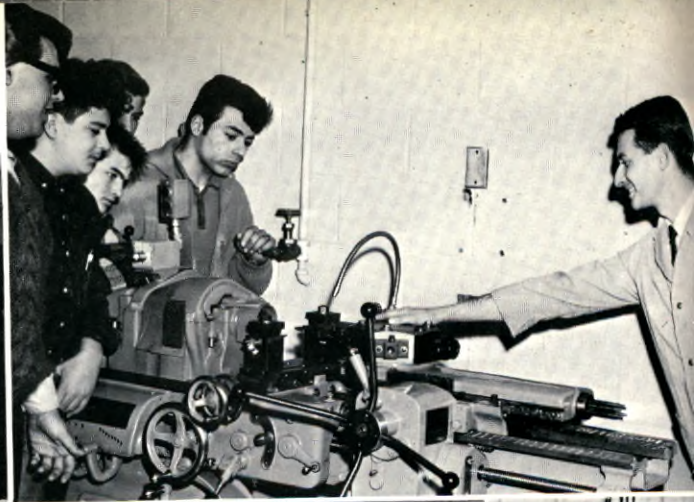

The Annex

Industrial Arts Annex

The Industrial Arts Club

Now in its second year the Lindenhurst Chapter of the National Industrial Arts Club finds its membership increased considerably to a total somewhere near thirty.

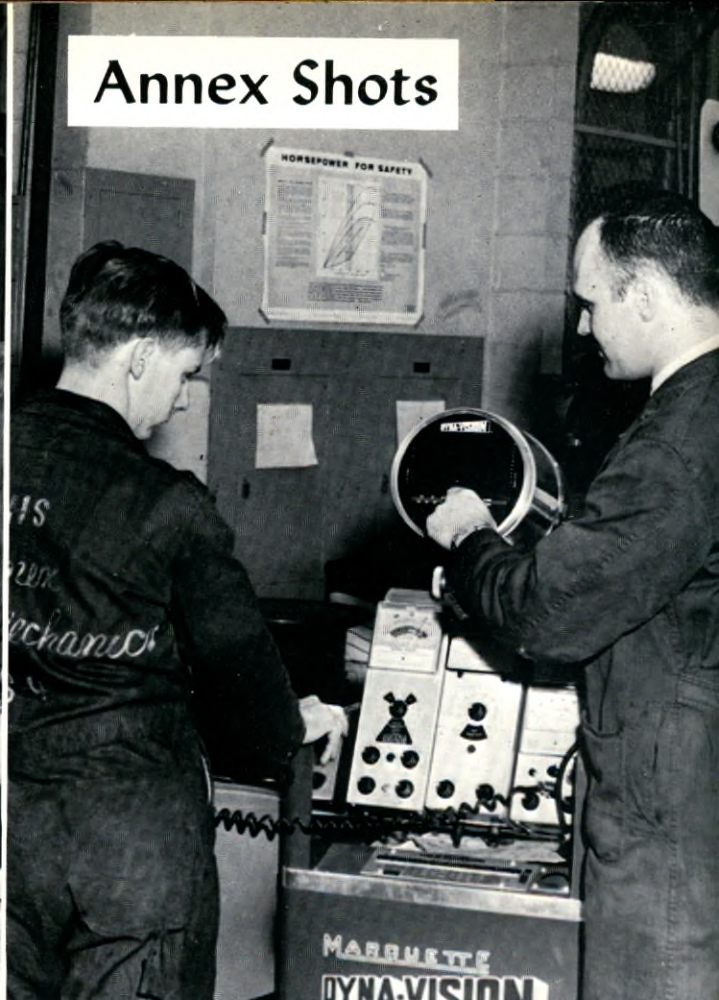

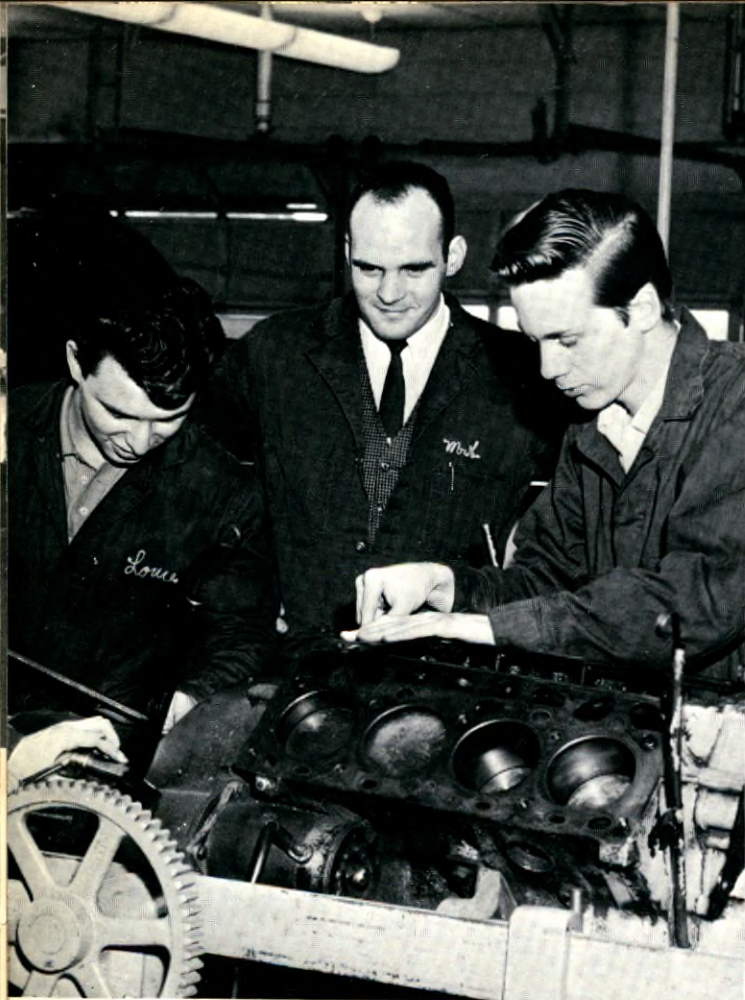

Under the general sponsorship of Mr. Donald Daly and with the cooperation of the Annex faculty, the members strive to further their understanding of specified crafts — in practice and in theory.

The Club meets on Monday for print shop under Mr. Daly; on Tuesday for metalworking with Mr. David Lefton; on Wednesday for ham radio instructions from Mr. Robert Witte; and on Thursday for basic mechanics taught by Mr. Paul Kline in the auto shop.

In the future the Arts Club plans to have guests for seminars into the different vocational goals of its members. Films, a dance and a spring trip were also on the agenda before year's end.

For the second year in a row, Lindy's cagers captured the League AA-I crown. With a league record of 11-1, the Bulldogs put forth with machine-like precision. Teamwork was the main factor contributing to the Bulldog's success. Winning the basketball crown kept the streak of Lindy's championships going strong as well as enabling the team to enter the County Championship Tournaments for the second year in a row. This year more school spirit was shown at games both away and at home. The peak of the season came when Lindy edged North Babylon 73-72 as the boys played like professionals for a capacity crowd. Congratulations are in order to the Bulldog team and their fine coach, Mr. Lee Paseltiner for another highly successful season.

JAY VEE BASKETBALL

This year's Jay Vee Squad, like the Varsity Squad, also completed another successful year. With a League record of 10-2, these boys worked hard all through the season. Though the team was at a disadvantage because of lack of height, they often came from behind to win the game in the last quarter, with team spirit that overflowed at all the games. The main factor, teamwork, again led the Bulldogs to victory. Under the coaching direction of Mr. Legasse, the team played hard and both coach and team deserve much congratulations.

VARSITY WRESTLING

Lindy's Wrestling team captured the League AA-I Championship for the second year in a row. These boys wrestled hard and long and due to their tremendous efforts, went all the way to win the county championship thus giving Lindy its third county and fourth League championship this year. In addition to the team title the Bulldogs also won three individual titles as Don Byrnes, Ken Melchior and Joe Amoroso were league and county champs. Under the fine coaching of Mr. Jack Stanbro the Bulldog Matmen completed another highly successful season. Congratulations to the Matmen for a job well done.

J.V. WRESTLING

The jay vee team ended their season with an 8-2 record. Although this was not quite as good as the varsity, these boys also practiced long and wrestled hard and Lindy can be proud of them. We wish them luck for another successful season next year.

The J.V. Football Team showed its stamina and speed in this years competition. With a 6-2 season, we proved to be a menace to other league teams. The Lindenhurst High School is proud that this team represents us. Coach Cotton has not only brought on a successful season but has instilled a feeling of good sportsmanship among the team. We look forward to seeing many of the J.V. players on the Varsity Squad next season.

CROSS COUNTRY

This year the cross country provided us with a "Lindenhurst first" — they captured the County Championships for the first time in the history of the school. They also captured the League AA-1 crown adding to the list of championships for Lindy this year. The Bulldogs won every meet they entered, their greatest victory being when they defeated Huntington for the first time in many years. The boys performed outstandingly all through the season and John Lawlwr went all the way to become county champ in his event. Congratulations to the cross country team for their successful season and best wishes for an equally successful season next year.

INDOOR TRACK

This year's Indoor Track team was very large, consisting of 56 boys, most of whom were veterans, returning to serve Lindy for their second, or third year. This season the boys participated in two official meets, the St. Francis Games in New York City and the Suffolk County Association meet at Commack. At both meets Lindy faired well placing six men in the first and four in the second meet. The Bulldog's Mile relay took first in the Suffolk County Section. All in all, the Bulldogs enjoyed a successful season and we wish them luck for the next year.

TENNIS TEAM

The Lindenhurst tennis team had a good year in 1963. Lindy was faced with the prospect of only one letterman returning, and the rest of the team members were all neophytes. Yet with this humble start Lindy still managed to finish the season with an overall record of 7 wins and five losses, and things look much better for 1964.

GYMNASTICS

Our Gymnastics Team made its debut into the Varsity League after last years entry into the Novice League. The boys have made a very successful showing in varsity competition, largely due to a fine team effort.

GOLF

The desire to win plus practice to smooth over rough spots are the two qualifications which the '64 Lindy Golf Team will have to meet to get us out of our perpetual slump. From a 2-6 record last year to scores in the high seventies for some members this year, the picture shows promise of modest improvement. In addition, there is a better chance at the Suffolk Golf Tournament. Because of the odds against the team decrease yearly, this may become more than something to avoid holding your breath about. Perhaps even within arms reach next year?

VARSITY AND JAY VEE BOWLING

Both the Varsity and Jay Vee teams made its debut into sports at Lindy this year. The Varsity played such schools as North Babylon, Port Jefferson, and South Huntington. On the Varsity, Mike Herman had the highest League game of 256. The Jay Vee did not compete with as many schools since they are almost the only team among various high schools. We are looking forward to seeing more results from these increasingly better teams in the future.

Boys' Sports Review

This year the Varsity Football Team won eight games and lost none, thus becoming the League AA-1 champions for two years in a row. They were also awarded the Rutgers Trophy for the second year in a row; this award being emblematic of the best football team in Suffolk County.

The Junior Varsity football team won six games and lost two for a very enviable record.

The Cross Country team won six and lost none. They placed first in the AA-1 league and continued on to win the Class A championship of the county and placed fourth in the state.

The Varsity Wrestling squad was undefeated in dual competition. They won the AA-1 championship and the county championship as well. Lindenhurst had three county champions, Ken Melchior, Joseph Amoroso and Dick Byrnes, who went on to the State Championship.

The Junior Varsity Wrestling squad won 12 matches, lost none and tied one. They won both the AA-1 Championship and the Suffolk County Championship.

The Varsity Basketball Team won 15 and lost three during the regular season. They were the League AA-1 champions but were defeated in the County playoffs.

The Junior Varsity squad made a terrific showing with 14 wins and 4 losses.

The Gymnastic Team won 2 and lost 8. This was their first year in League Competition but they are showing promising signs in the years to come.

Lindy fielded a Bowling team for the first time this season. The team averaged 822 pins per game or 165 pins per man.

GIRLS' SPORTS REVIEW

The Fall season started the girls' Sports Program off with Field Hockey, Badminton and Tennis. Many weeks of good weather gave the team a wonderful season. Badminton took first place at the Sportsday in Commack and Hockey took a second place at North Babylon.

Volleyball again proved to be the most popular sport with Basketball a close second.

For the first time at Lindy High, a girls' bowling team was begun and we are looking forward to next year to see this sport become one of the favorites at the school.

The Gymnastic Club is competing now for the second year and has proven to be even stronger than that of last year.

Softball started after Easter with a tremendous turnout.

A new Golf intramural was added. All the members prove to be 'duffers' but the team show promise for next year.

On the whole, the Girls' Sports Program at Lindy High has proven to be bigger and better than that of any other year.

SOFTBALL HONOR TEAM

This girls' team plays other schools such as Babylon and Copaigue both home and away. They have had fine seasons and we hope they will continue to do so.

GIRLS' BOWLING

Under the direction of Miss Vayianos, girls' bowling has returned to our school, with an intramural program to be continued next year. Plans and hopes are for a full fledged interscholastic varsity program as is followed by the boys. Though only started late this season, there is great expectation of rapid growth in that all can participate, and under the bowling handicap system all have a chance at top team and individual awards.

GOLD KEY WINNERS

These six girls have each won a gold key for their outstanding activity in sports. A girl must attain six hundred Suffolk County Girls Athletic Association points to receive this award. This is not easy because the most points that can be earned in individual sports are forty-five, in team sports fifty-five, and credit for only four sports a year.

The following schools were in attendance: Babylon, Amityville, Copiague and Wyandanch. Lindy defeated Babylon, Copiague and Wyandanch losing to Amityville. This led to a three way tie as Babylon had defeated Amityville in a sudden death playoff. Amityville was beaten by Babylon and Lindenhurst. Babylon and Lindenhurst played and Lindenhurst lost in overtime by two points.

Mickey McGlynn was selected as the most valuable player.
