Sophomores

A large group of students is posed on a green lawn, arranged in a large 'S' shape. The students are wearing various casual clothing, including t-shirts, hoodies, and jeans. Some t-shirts have logos like 'NASA' and 'Reebok'. The background is a well-maintained green lawn with some white lines visible.

June 2019

Dear Class of 2019,

Graduation is an exciting time and it ought to be! This achievement represents a culmination of study, growth, progress and not a few bumps along the way! It provides a moment in time for you to assess the opportunities that lie before you because doing what was necessary to reach this goal has prepared you to attain the next. These past four years have passed quickly and it may be challenging to recognize that graduation will move you - swiftly and squarely into the next chapter of your lives.

It is with a strange mix of pride and regret that we bid farewell to your class. As a group, you represent the best of Lindenhurst High School and indeed the wider community. You are energetic, motivated and compassionate, each of you embodying the best of what it means to be a bulldog. As your educators, we are both pleased and proud of your underlying positivity and drive to help others. We firmly believe that you will continue to strive to be the best even when the odds are against you. Although we will truly miss your smiling faces, we remain confident that the diligence, hard work, sincerity, and perseverance you exemplify will continue when you leave this campus and beyond. I am convinced that those same qualities will allow each and every one of you to follow your dreams, embrace the challenges and achieve success. As you enter the next chapter in your life's journey, try to remember to measure that success by recognizing the moments of happy satisfaction you enjoy. How? Laugh often, find the best in others, seek and appreciate the wonders of nature and finally, discover what is important to you and keep it close!

As your advisors, we hope you always remember with fondness the time we spent together. Be assured that we will do the same. It has been both a pleasure and a privilege to work with such a unique and talented group of young adults. We wish you all the best that life and hard work can offer; we hope you will remember us through wonderful memories that will last a lifetime!

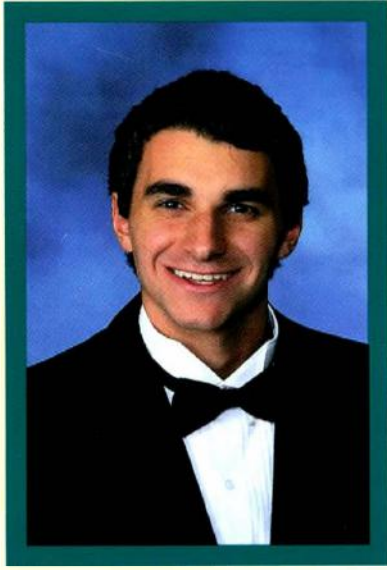

All the best to the best!

Congratulations!

Mr. McCandless, Ms. Kreppein, and Mr. Smith

Daniel E. Giordano
Superintendent of Schools

To the Class of 2019,

Four years ago, carrying with you a sense of wonder, excitement and perhaps fear, you entered Lindenhurst High School for the first time as students.

Now here it is, four years later, and you are on the cusp of your next big adventure. As you ponder your future, I hope you will remember your time in the district fondly and reflect upon all that you have explored, questioned and accomplished here.

Some of you excelled academically, while others demonstrated talents in the arts, athletics or engineering. Perhaps you discovered your passion, or stood up for your beliefs and spread social awareness on important issues. No matter your experience, each of you can confidently look back on your high school years and know that you left a valuable impression on the Lindenhurst community. It is my hope that your experiences here have left a valuable impression on you, as well.

As you enter this new phase of life, you'll probably feel, once again, that same sense of wonder, excitement and perhaps fear. Remember the effort it took for you to reach your current level of success. Think about the challenges you've faced and overcome, and the dedication you've given to your learning. I urge you to utilize those strengths once more and welcome whatever lies ahead with the same enthusiasm.

Continue to strive for excellence and set goals that challenge your intellect and abilities. Have a vision for your future and dedicate yourself, the way you did here at Lindenhurst High School. Do this, and make your dreams your reality.

I close this letter, as I do my speeches, with my favorite quote from poet, actress and activist Maya Angelou:

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

You should leave your high school experience with feelings of pride and accomplishment and know that is exactly what your school community feels about you.
Congratulations to every one of you for reaching this milestone in your life.

Sincerely,

Mr. Daniel E. Giordano
Superintendent of Schools

Administration

Dr. Clinton Grant
Principal

*"It will not make much difference, friend,
A hundred years from now,
If you live in a stately mansion
Or on a floating river scow;
If the clothes you wear are tailor-made
Or pieced together somehow,
If you eat big steaks or beans and cake
A hundred years from now.
It won't matter about your bank account
Or the make of car you drive"*

These are few lines from the poet Walden Parker from his poem "One hundred Years From Now." I thought it was fitting to start this letter of congratulations with a few lines from the poem above because you are the 100th graduating class of Lindenhurst School District. As you reminisce on the years you spent with us here at Lindenhurst, I would like for you to consider the mark that you left behind and the mark that you will leave behind in the future. 100 years from now, what will people say of your legacy and your contributions to life? Focus on the difference you can make in the life of one or one hundred individuals, the environment or even your own home. One hundred years from now, what will people say about you? What will be your legacy? Congratulations to the One Hundredth Graduating Class of Lindenhurst Union Free School District and remember, you always have a home here at Lindenhurst High School.

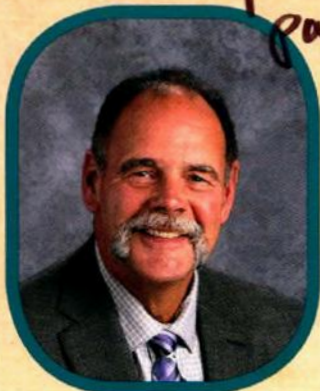

Matthew Boccanfuso
Assistant Principal

Mark Twain once stated, "The two most important days in your life are the day you are born, and the day you figure out why." You are all about to venture out and find your purpose and mission. My hope is that you understand that life rewards hard work and there is no substitution for assiduousness. I am very proud to have been your assistant principal throughout your tenure at Lindenhurst High School. I wish you well and look forward to hearing of your wonderful accomplishments. Congratulations to our Class of 2019!

-Mr. Bocc

Julian, Congratulations on your graduation buddy! I'm so proud of you and very happy that I was able to be a part of your story. Make sure you come back and visit! Be well Your Buddy Bocc
